

Lead to return - represent an
element of stability in a
rising, changed field,
2. A thing place is considered
little more ~~the~~ what constitutes
to growth - then must today is
may be analyzed as a demand
short it is the need -
not satisfied that we are
getting what we want here.
Constitution - cheap fair.

Can we learn under our
system a national effort
now to be made

There are those that doubt -
that we can still in mind -
mechanics answer to a far
higher degree.

Such a solution is national
well - of the place the machine
is the speed condition

If we analyze Givola as the
criminal ^{of} & involuntary & as the
fellow ~~the~~

might learn and on my
mind.

Can it do me anything
for us - free to order -
free as from color of hand
& will - surely with a few
duke -

Trust in Parli

that for turn to me, my
system improved from the
Commission - Dasein -
Can they will they & they
man - Suppose they feed
him & keep him in peace
will he be satisfied -

If not - can we better
than we are in Denmark.

What is the process of justice

under a dem.

Who of great admiration
can be ~~seen~~ identified the
process. Will not to present
~~but~~ enough to ask how
L. concerned the process to be
1. Around a central ideal -
He had his. Service of Republic
(P. M.) Get on it -

never lost it. Full of quality of
his own ~~idea~~ ^{of democracy}
of a great ideal ~~and~~ also a
great Reality -

Expected to make for his
ideal - full for it -

Unhindered by slavery -
Ideal handed on to him with
the end fixed in it - as

magnificent all day
His business not to
desert ideal but to ~~work~~
it =

Keeping two aim clear -

III. Human side - nature of it -
of growth depends in a sense
on understanding L. did -
Fertile & acid - from out &
ways

Antony of what he had to
handle multiple army lines
who so late time was can-
nelled to the idea of
guide -

A picture of the mine
today -

IV. ~~How~~ what must a
leader with ² fully - recognize
the difficulties - the nature
of men and shall be
handle his task.

Certain things that

His attitude - melted
between words his position
supplanted the best ^{subject} attitude
we can to give = ~~that is~~
that is his idea of culture
A national a man a
ally of men
Cavaliers of - Slavery
non-palladium of ^{apprehension}

Where the party must -
stop - the nation's later
presence -
Essential necessity -
under our system - The
present-day's way -
The nation's peace &
function for the nation
You are approaching
the decision -
Mindful would not
be necessary any party of
the 12 parties for the
parliament and not
been maintained in the
other than in the

all kinds of men -
not each one them
they could -

meanness of men
Impersonal meaning of
jealousy - contempt of
them -

Same piece of Miss M
obstructed his power -
Amazons dearest
Seymour of purpose -

Humor - Demand of our
leader that they believe
them.

Paint the whole to
explain

During Free dem from
reminiscent -

No great in motion.

All these qualities were
a recognition of the kind
of man that we must
be if we were to lead
in a dem - where all
depends on men,

kept in faith in men
as in the school of mining
was he right in their
immense faith in the
power of ideas -
