My dear Miss Tarbell:

I am delighted to get your letter and to know that you have found the material I sent you useful. I shall look forward to seeing the article and when you know where and when it is to be placed will appreciate your letting me know.

Our plans for going to New York are not definite but I have made a note to look you up. Eleanor and I both feel that it is entirely too long since we have seen you.

Yours very sincerely,

*Morris L. Cooke*
