Dear Miss Tarbell:

I have told her  
Hempstead that I  
was going to show  
his letter with you.  
I send a transcript  
keeping the original  
in my own files.  
What memories it  
calls up!

I have had a  
generous commission  
of praise for being.

ing you look to  
the notice of many.

Yours ever

To

Miss W. M. Tarbell
