New York, N. Y.

My dear Miss Tarbell:

I heard you speak at the Women's University Club some time ago. Since then I have tried to quote some of your statements and figures without being very sure of the facts and so I am writing to know if you will tell me what pamphlet you used and how I can obtain a copy.

I enclose a stamped and addressed envelope for your convenience.

With eviden ce of so much confused thinking on all sides, it is such a pleasure to hear one who has such a calm, scholarly and enlightened attitude, and I want to tell you that I am grateful to you for the points you stressed when I heard you.

Sincerely,
Elizabeth W. Keister
