Miss Ida M. Tarbell,

Paris, France.

Dear Madam:-

The article entitled "Copenhagen Blue and White" is very interesting, and in the precise line which I want for the Bazar. A check in payment for this article has been forwarded.

I think it is probable that we could use most of the others which you suggest in your letter, especially if you could bring them each within the limits of 1200 words. Illustrations would of course add to their attractiveness, and, if used, would be considered in paying

for the articles.

Very truly yours,

M. E. Langston
