Mr. Marian Dexter Learned,
University of Pennsylvania,
Philadelphia, Pa.

My dear Sir:

Can you furnish me a copy of your valuable study "Abraham Lincoln: An American Migration?" Or, if you cannot do so, will you kindly tell me where I can obtain it?

Have you the originals of your illustrations of Mordecai Lincoln's house, the old Quaker Meeting House and the Inventory of Mordecai Lincoln's personal estate? If so, would you grant me the right of reproducing them, I paying you whatever you consider it worth, and, of course giving credit to your volume.

I could have these made myself, but it would be simpler if I could arrange with you.

Very truly yours,
