VOLUME NO. XXXVIII. NO. 2. MEADVILLE, PA., OCTOBER 15, 1919. PRICE FIVE CENTS

WORK ON THE NEW GYM TO BEGIN MONDAY

Contracts Let for Improvements on Gymnasium and Hulings Hall

Remodeling Will Not Interfere with Basketball Games in Gymnasium

President Crawford announced to the student body at Chapel Tuesday morning that the contract for the proposed improvements on the gymnasium has been awarded, and that work will be started Monday with as large a force as can be advantageously used, so as to rush the work as much as possible.

The successful bidder was H. E. Sherwood, of Oil City, successor to Allen Meal Company. There were three other bidders: Cuthbert Brothers of Pittsburgh, which firm built the Carnegie Hall of Chemistry; Mill Run Lumber Company, of Meadville, and W. E. Morrison, of Meadville. The contract for the gymnasium improvements which have already been outlined in the CAMPUS calls for an expenditure of $69,150, not including steam heating connections, equipment, grounds or walks. When the improvement is finished the probable cost will be $75,000.

Preparations are already under way so that work may be started next Monday. The rear of the gymnasium, used by the football men for dressing rooms, are being cleared out and everything possible will be done to cooperate with the contractors for rushing the work to completion so as not to interfere with basket ball.

The contract for the work to be done on Hulings Hall has been let to the same company which is doing the work on the gym. These improvements will greatly increase the rooming capacity of the Hall. Heretofore the College has been able to furnish rooms for only a part of the women of the College. A great many have had to secure rooms from the people of the town, often at quite a distance from the College. The improvements mean much to them, for before they have had to live under conditions which were not consistent with good work, and which have handicapped them in a great many ways.

The contract calls for an expenditure of $66,000, but this does not include the elevator, furnishings nor the connections for steam heat. It is expected that the total cost for this improvement will reach $75,000.

CONCERT BY MARIA CONDE.

Maria Conde, daughter of Dr. and Mrs. Camden Conde, gave a most delightful concert at the First Methodist Church Monday, October 6, 1919. She is a member of the Metropolitan Opera Company and the people of Meadville were very fortunate in being able to hear her. The large attendance showed her popularity in Meadville and among the students of Allegheny College. The program consisted of selections from French and Italian composers as well as from American. We were also pleased with the chosen selection by Dr. Church, a member of our own faculty. All who heard Maria Conde hope that she will return to Meadville sometime within the near future.

Editor Urges Early Start on 1920 Kaldron

MUCH VALUABLE WORK CAN BE DONE NOW.

To some of the students it may seem rather early to start work on the Kaldron for this year. However much important work can be done now. Without a doubt, the most interesting parts of this publication are the snapshots and jokes on the faculty and students. It is here particularly that everyone must help out in order to make the book a real sketch of the lighter side of life at Allegheny. Everyone should be watching for a chance to get snapshots of the other students of the faculty. Don't hesitate to hand in any good pictures of this kind you can get just because you think that perhaps the other person wouldn't like it very well. He may have handed in a picture of you that you don't like. The same thing holds true of jokes and slams. If any one gets into trouble for publishing slams it will be the editor, not you. So hand them in to some member of the staff.

The editorial board for the 1920 Kaldron, as it stands now is: C. C. Laffer, '20, editor-in-chief; T. B. McCafferty, '20, assistant editor; Anna Nelson, '20; Susan Jenkins, 20, and Mary Hilderbrand, '21, associate editors; G. F. Meredith, '20, art editor. There are still several places on the staff that are open. One is the important job of athletic editor. This position will be given to the person who submits the best write-up of the first football game of the coming season. All such write-ups must be given to either Dr. Schultz or the editor by noon of the Monday following the game. Another place to be filled through competition is that of assistant art editor or cartoonist. The person who gets this place will be the one who hands in the best cartoon of some member of the faculty. There is a lot of good subject material in the faculty and there should be some good cartoonist in the student body who can make use of this material in this manner. All cartoons submitted in competition for this place must be in the hands of some member of the Kaldron Board by the 15th of this month.

STUDENT SENATE APPOINTS COMMITTEES

During the past week six committees were appointed by the Student Senate. All of these committees are composed of certain members of the Student Senate except the College Celebration Committee.

The appointments are as follows: Executive—G. F. Meredith, '20; J. F. Preston, '20; and W. J. Carney, '21.

Athletic—N. W. Kerr, '20, and J. F. Preston.

Oratorical—E. L. McMurren, '20; W. J. Carney; and R. L. Hart, '20, President of the Oratorical Association.

Elections—J. F. Preston, E. L. McMurren, and G. R. Bushyager, '22.

Honor Court—Senate Committees as a whole.

College Celebrations—R. F. Rowley, '20, college cheer-leader; W. B. Gordon, '20, President of the Senior class; M. W. Hartman, '21, President of the Junior class.

SOUNDS LIKE A PHI DELT MEAL.

Hungry student at dinner table:
"Will you please pass the cats-up this way?"

Tanglefoot.

She told him that she could not dance—
But he willed it, so she tried.
They glided on, he took his chance,
And then he knew she had not lied.

All outgoing letters must be taken to the Student Senate Room and mailed from there, to insure their being recorded.

REMEMBER YOUR PLEDGE! DON'T GIVE UP.

GYMNASIUM CAMPAIGN WELL UNDER WAY

Student Senate Has All Preparations Made for an Active Canvass.

Before the first of November every person who has matriculated at Allegheny College since 1880 will be asked to share in the present gymnasium campaign.

The Student Senate rooms in the second floor of the library were opened last Friday morning at 10:30 o'clock. Without a doubt the students are taking an active interest in the drive as the Senate Committee was busy the whole day supplying the students with literature to be sent out concerning the campaign. From the present indications the supply of names will be exhausted very soon, and so it is absolutely necessary that any one wishing to write to any alumnus should get in contact with the Senate Committee as soon as possible. All outgoing mail must be recorded at the Student Senate rooms in order to prevent duplication.

Remember your pledge and GET BUSY. It will mean much for future Allegheny.

Phi Delts Improve Their Chapter House

STUCCO WORK AND ADDITION OF PORCHES AMONG ALTERATIONS.

The Phi Delta Theta fraternity seems to have caught the forward movement of the college which is shown in the vast improvement of the Chapter House. During the summer months the House has undergone a complete change.

All the unnecessary frills which gave it the appearance of house of the middle ages were torn off. The stuccoing which is probably the most noticeable of the improvements gives the House an entirely new appearance, and it would hardly be recognized as the same House. The new porch which extends around the side of the House will prove to be a great convenience in the coming spring months. The brown trimming adds a great deal of color to the House and blends very well with the stucco.

No more will the Phi Delt Freshmen have the thrilling opportunity of sliding down the gutters of the roof, for the tower has been torn away and the outlet to the roof cut off. It was very much better to have it taken away than to allow it to blow off while some one was sleeping in it.

Hulings Hall is not the only place where they have new electric lights this fall. The Phi Delt House was wired last spring but the fixtures were not put in until this summer. This improvement is probably the best from the point of view of convenience besides helping to improve the appearance of the interior of the house. Many of the rooms have been papered which also adds very much to the interior decorations.

A new red roof is to replace the old slate one when the workmen have time to put it on. After this is done and a few other light improvements finished the house will have a complete change both inside and out.

First of Y. M. C. A. Entertainments Friday

STRICKLAND W. GILLILAN HERE FRIDAY, OCTOBER 17, 7:30 P. M.

Of course, if you don't want to laugh, stay away. If you have any

aversions to smiles, you will hardly find the company of Mr. Gillilan desirable.

But if you like fun, if you want a laugh a minute, a smile a second, and an enjoyable time continuously for an hour, you'll help crowd the Chapel Friday night when this notable lecturer appears as the opening number of the entertainment series to be given this winter under the auspices of the Student Y. M. C. A.

One student who has heard him says, "He alone is worth the price of the whole lecture course." Another, "I could listen to him all night. While "The Fra" says, "There are three kinds of humorists, those who sweat-it-out laboriously and cram it; those who clip and memorize it; and Strick, who jess stands up and talks by ear, while the Proletariats, including you and me, laugh themselves silly."

John McCreary Elected to Student Senate

JUNIOR CLASS FILLS VACANCY LEFT BY W. N. LEAF.

At a meeting of the Junior Class on Tuesday, September 30, John McCreary was elected to the Student Senate to fill the place left vacant by the resignation of William Leaf, ex-'21. Mr. McCreary was initiated into the Senate at a special meeting of the Senate October 5, 1919.

SENIORS BEGIN WORK ON THESES

Every candidate for graduation shall prepare during his Senior year an original Thesis under the following regulations:

1. The subject, approved by the advisor, shall be filed at the Registrar's office not later than the first Wednesday in November. Accompanying the subject must be a carefully written statement of the manner in which the subject is to be treated and a preliminary bibliography.

2. The Registrar shall assign each student to the member of the faculty whose department naturally covers the subject under investigation and this member of the faculty shall have entire supervision of the further preparation of the Thesis.

3. The completed Thesis shall contain not less than three thousand words, or such equivalent as shall be approved by the Committee on Theses, and shall show ability to collect material and put it in approved form.

4. The completed thesis shall be filed at the Registrar's office not later than March 1st.

ANNOUNCEMENT.

David M. Robinson, of Johns Hopkins University, will lecture in the Chapel on November 28 and 29, taking for his subjects, "Asia Minor" and "War Memorial Past and Present."

OPEN RUSHING SEASON AGAIN IN FAVOR HERE

No Rules Result in Early Pledging—Fraternities Announce Their Pledges

Since there have been no restrictions on rushing this year among the men's fraternties that period known as rushing season is practically over. The various fraternities announce their pledges below.

This manner of rushing was observed here in the years previous to 1911. In that year the Inter-Fraternity Conference began to object, and the system of a larger specified season for rushing was introduced which was used up until last year. At first, the rushing season extended up until the beginning of the second semester when bidding day was held. This season was finally thought too long, and bidding day was set to come at about Thanksgiving.

These rules were in force until in 1918-1919, the war and S. A. T. C. automatically killed it. By mutual agreement and for the sake of self-preservation all the Chapters on the Hill pledged and initiated before College had been under way two weeks. However, this was considered only an emergency and temporary measure. Yet as time went, the faculty expressed themselves as against a long rushing season. The fraternities agreed with this view which has resulted in no rules being observed in this year's rushing, pledging being done at will. Below are the Chapter announcements of their pledges.

The Penn'a Beta Chapter of Phi Kappa Psi announces the pledging of Daniel Webster Robrecht, Wheeling, W. Va.; Paul Woodworth Clarke, Geneva, O.; Kenneth Arden Hines, Meadville, Pa.; Harold Everett Kirkpatrick, Meadville, Pa.; George Byron Hafer, Coraopolis, Pa.; Charles Howard Wills, New Brighton, Pa., all of the class of 1923.

Phi Gamma Delta announces the pledging of the following: Messrs. Lynn Dundon, '22, Edinboro, Pa.; Wm. Miller, '23, Pittsburgh, Pa.; Ford Miller, '23, Pittsburgh; Robert Murphy, '23, Bellevue, Pa.; Rush Mountsier, '23, Bellevue, Pa.; Frank Jolly, '23, Houston, Texas; Robert Russell, '23, Edgewood, Park, Pa.; Wilson Flint, '23, Wilkinsburg, Pa.; and Jerome Parker, '23, Avalon, Pa.

The Alpha Chapter of Delta Tau Delta announces the pledging of Samuel P. Bates, Meadville, Pa.; Edgar P. Cullum, Meadville, Pa.; Chas. H. Bruce, Matawan, N. J.; Hector D. Chabut, Youngstown, Ohio; Byron A. Chadderdon, Oil City, Pa.; Fredrick H. Gates, Oil City, Pa.; W. Melville Jones, Homestead, Pa.; Julian Trotter, Youngstown, Ohio; Dale Nichol, Youngstown, Ohio; Everett R. Davis, Vandergrift, Pa.; and Glenn Gailey, McKeesport, Pa., all members of the class of 1923.

The Pennsylvania Delta Chapter of Phi Delta Theta announces the pledging of Alon Shewman, of the Class of '22, and the following Freshmen, Julian Ross, of Meadville; Homer Stirling, of Meadville; Mertimer Graham, of Oil City, Pa.; Herchel Loomis, Newport News, Va.; John Bozic, of Jeannette, Pa.; Edward Canby and Earl Dufford, of New Castle, Pa.; and David Quinn, of Wellsville, Pa.

Penn'a. Omega Chapter of Sigma Alpha Epsilon announces the pledging of William Graves, of Union City; John Shirer, of Braddock; Theodore Redman, of Braddock; Harry Miller and Charles Turan, of Meadville; John R. Wolf, of West Newton; and Russell Mohney, of Vandergrift.

Phi Iota Chapter of Alpha Chi Rho announces the pledging of Glade G. Fuller, '22, Springboro, O.; Ralph Agnew, Poland O.; Ralph Bacon, Meadville; Russell M. Blodgett, Fredonia, N. Y.; Charles Bollinger, Meadville; T. E. G. Greenland, Warren, Pa.; Warren, Pa.; Raymond Sprague, Ellington, N. Y.; Eugene Uptegraff, Beaver; Earnest Venman, Akeley; Charles Wimmer, Meadville, all of the class of '23.

NEW GYM INSTRUCTOR.

Miss Gavin, the girl's new gym teacher, arrived Monday. She is from the same New York Studio as Miss Pitman, and expects to continue the line of work given last year.

POLL IN CHAPEL PROBABLY PRECEEDS PERMISSION OF DANCING IN ALLEGHENY

Last Wednesday morning at Chapel the students of this College were asked to express their desire for dancing and their opinion of the circumstances under which college dances should be conducted. This poll of the students' opinion, which resulted in an overwhelming majority in favor of dancing, undoubtedly is a tacit admission by the college authorities that dancing is here. In all probability it only remains to be decided under what conditions college students will be permitted to hold dances before the Terpischorean art becomes a part of Allegheny's social life.

Cards were passed among the students Wednesday in which were four questions to be answered. The first question was, "Do you dance;" the second, "Do you want the faculty to permit dancing in Allegheny College;" the third, "If you do want dancing, under what limitations?;" and the fourth, "Do you favor the patronage of downtown dances by college students."

The answers turned in to these questions indicate that by far the larger percent. of Allegheny students want dancing. Furthermore by their answers to the last two questions the students show moderation and a desire to avoid extremes that has won the applause of the faculty committee on social functions. To the first question, "Do you dance," over three-fourths of the student body answered, "yes." An affirmative reply was given by the same number to the second question, "Do you want the faculty to permit dancing in Allegheny College?" It is interesting to note that some students who do not dance want the faculty to permit dancing while a few who do dance do not seem to want faculty permission. However very few of the hybrid answers were turned in. The next question, "If you do want dancing, under what limitations?," brought forth a variety of answers. About 75 percent. wanted limitations of some sort. These included faculty chaperonage, faculty supervision, limitation in number of dances held, only college students to be permitted to attend, and the forbidding of such dances as the shimmy. We have one insatiable dancer in our midst who wanted three dances a week but the limitations in number wanted, for the most part, ranged from one a week to one a month. The limitation to college students only is interpreted to mean that one member of each couple in attendance shall be a college student. The fourth question asked also brought a variety of replies. The question was, "Do you favor the patronage of downtown dances by college students?" A little less than half the answers were an unqualified negative. About the same number would rule out all dances but the Ivy for college students. A large majority were of the opinion that such dances as the Ben Hur and P. H. C. should not be attended by members of the student body. The committee states that it is their hope that, if dancing is permitted, the college men will no longer attend such dances down town as have been pronounced against.

After the foregoing data had been tabulated the faculty committee on social functions met with the joint senates after a free discussion of the matter the committee decided to recommend to the faculty practically everything that the senates requested. To date no faculty action has been taken, but it is evident that the faculty is ready to adopt a more liberal policy in regard to social affairs.

A number of the girls from the Hall went out to the County Farm Sunday afternoon and held a devotional service. Edith Newmaker, '20, led the meeting. Solos were rendered by Misses Josephine Hovis, '22, and Rosalie Winslow, '23.

BOOSTER NIGHT.

An evident expression of Allegheny spirit was shown in the recent gym campaign. It now becomes necessary for a still more evident expression of loyalty and support.

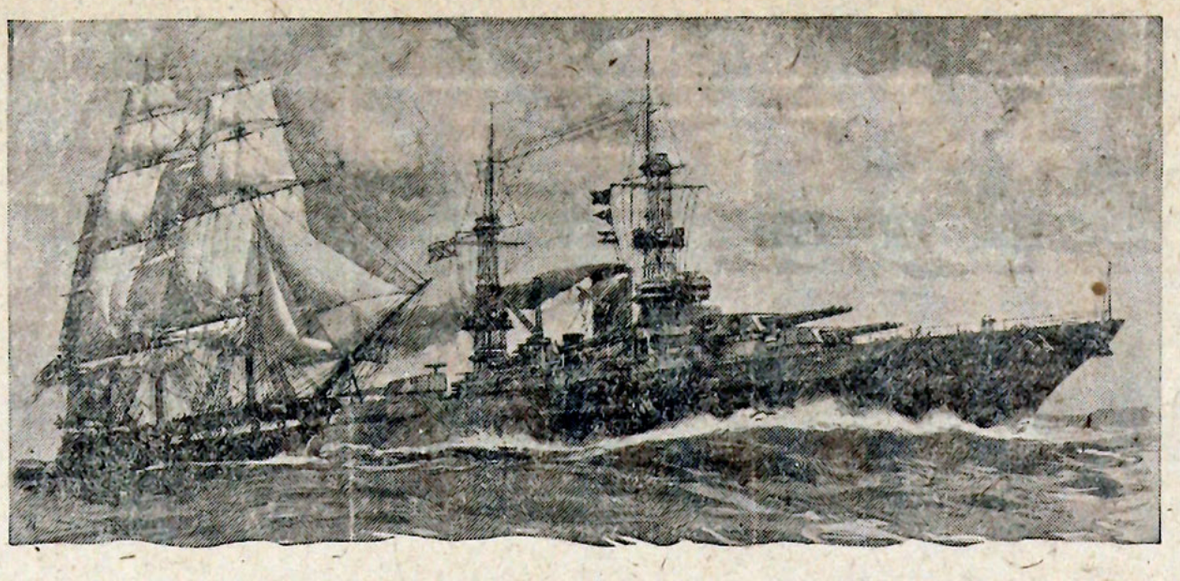

Allegheny has but two home games on the gridiron this fall, the first of which will be played Saturday. The prospects for a winning team are good. We have an excellent and successful coach and assistant, abundant material, proper uniform and equipment, and the finest playing field in the state. The only question is—are the students behind us and will they help and cheer us on to victory.

A booster night has been planned for Thursday night to take place on the Campus in front of Bentley. Short talks will be given by Dr. Crawford, Coach Hammett, Captain Harbaugh, and the Presidents of the Senates, Y. M. C. A. and Y. W. C. A.; the Glee Club, Mandolin Club, and the Band will be out in force. The Freshmen will show us how a snake dance should be done properly, and then the singing of Allegheny songs around a big bon-fire in Montgomery Field will complete the festivities. What do you think of it? Let's give it a trial.

The program announced by the Western Pennsylvania District of the Rooesevelt Memorial Association has created considerable interest throughout the County. The announcement that the campaign would be carried throughout the towns and townships so as to give everyone an opportunity to become a member of the association has stimulated interest to a great extent. Veteran bodies such as the American Legion, the Veterans of Wars, of which Roosevelt was a member, and Spanish-American War Veterans to which he also belonged, the G. A. R., D. A. R., Mothers of Democracy and other similar organizations, have endorsed heartily the project to erect a memorial in his honor and will take an active part in the campaign.

A meeting was held Wednesday at the William Penn Hotel in Pittsburgh, Pa., which was attended by County Chairman and Committeemen from the twenty Counties of Western Pennsylvania in this District, and the greatest enthusiasm for the aims of the Association was evidenced by the men present.

Among the speakers at this meeting were Dr. William H. Crawford, President of Allegheny College of Meadville, Pa., who is chairman for Crawford County; Dr. Charles Spragg of Waynesburg College, Waynesburg, Pa., Chairman for Greene County; Hon. D. B. Heiner, Kittanning. Former Congressman James Francis Burke of the District Executive Committee, presided; the principal speaker was Mr. James A. Whitmore, Regional Field Director of the Association who outlined the plans of the Association and told what had already been accomplished in other parts of the country.

The "Constitution" of To-day—Electrically Propelled

THE U. S. S. "New Mexico," the first battleship of any nation to be electrically propelled, is one of the most important achievements of the scientific age. She not only develops the maximum power and, with electrical control, has greater flexibility of maneuver, which is a distinct naval advantage, but also gives greater economy. At 10 knots, her normal cruising speed, she will steam on less fuel than the best turbine-driven ship that preceded her.

Figures that tell the Story of Achievement
Length—624 feet
Width—97 feet
Displacement—32,000 tons
Fuel capacity—a million gallons (fuel oil)
Power—28,000 electrical horsepower
Speed—21 knots

The electric generating plant, totaling 28,000 horsepower, and the propulsion equipment of the great super-dreadnaught were built by the General Electric Company. Their operation has demonstrated the superiority of electric propulsion over old-time methods and a wider application of this principle in the merchant marine is fast making progress.

Six auxiliary General Electric Turbine-Generators of 400 horsepower each, supply power for nearly 500 motors, driving pumps, fans, shop machinery, and kitchen and laundry appliances, etc.

Utilizing electricity to propel ships at sea marks the advancement of another phase of the electrical industry in which the General Electric Company is the pioneer. Of equal importance has been its part in perfecting electric transportation on land, transforming the potential energy of waterfalls for use in electric motors, developing the possibilities of electric lighting and many other similar achievements.

As a result, so general are the applications of electricity to the needs of mankind that scarcely a home or individual today need be without the benefits of General Electric products and service.

An illustrated booklet describing the "New Mexico," entitled, "The Electric Ship," will be sent upon request. Address General Electric Company, Desk 44, Schenectady, New York

BOWLING ALLEYS ARE RE-OPENED. IN FINE CONDITION

Dall Stephens to Have Charge this Year.

The bowling alleys in Cochran Hall have been refinished and are all ready for business. Dall Stephens has been appointed manager of the alleys and he is in charge. The alleys were opened on Monday, October 13, and everything is in the best of shape.

Almost the whole equipment is new. All the balls and the pins are new and the alleys have been resurfaced and refinished. It is very probable that the alleys have never been in better condition before than they are now. In the past few years the alleys have been allowed to get in bad shape; now everything is refinished at considerable expense to the College and it is to be hoped that the men of the College will take advantage of the improvements and show their appreciation by their patronage.

An inter-fraternity tournament is to be started beginning October 20. A cup for the tournament, besides the present cup, will be secured if possible. It is up to each organization to get their men in practice so that there will be some real bowling in these tournaments. Each team will compete against each of the other teams once. All matches will start at 7:30 P. M. sharp. There will be eight teams, one from each of the six fraternities and one each from the Faculty and Cochran Hall. The schedule for the first two weeks follows:

October 20.
Phi Delts vs. Phi Gams.
October 21.
Phi Psis vs. Sigs.
October 23.
Delts vs. Chi Rhos.
October 27.
Phi Delts vs. Phi Psis.
October 28.
Chi Rhos vs. Sigs.
October 30.
Phi Psis vs. Delts.
October 31.
Faculty vs. Cochran Hall.

The alleys will be open from 4:00 P. M. to 9:00 P. M. daily. The charge for playing will be five cents per game—one-half that charged down town. Inasmuch as the College has gone to a great deal of expense in refinishing the alleys and making them equal to the best in the city, it is hoped and expected that the students will appreciate and do all that they can to assist in taking care of them.

STUDENT ELECTIONS HELD SATURDAY

Hart, Miss Millhoff, Carney, Davies, Clark, and Parrish Elected.

The election for officers of the Oratorical Association, Assistant Manager of Kaldron, Manager of Literary Monthly and Secretary of Athletic Association was held Saturday, October 11. The main thing the election shows is that only about half the school are exercising their right of franchise. The women of the College in particular failed to cast many ballots while a fair percentage of the men voted.

The result of the election is as follows:

Pres. Oratorical Ass'n.
R. L. Hart.....163
G. A. Benson..... 10
G. F. Meredith.....112

Sec. Oratorical Ass'n.

Y. M. C. A.

A very interesting meeting of the Y. M. C. A. was held on Wednesday, October 8. After the announcements by Mr. Maxwell, James Russell, '21, took charge of the meeting and gave a very good talk to the fellows. Clifford W. Skinner, '21, enumerated six things to watch while getting accustomed to college environment: (1) Be careful to keep up church attendance. (2) Do not be a church tramp and go the rounds but have a regular place of worship. (3) Be sure to write home and keep in touch with the home people. (4) Do not fail to keep the memory of home things fresh. (5) Be sure and pick good companions for you will be influenced by the companions you pick. It is very important to choose the right man. (6) Do not take too much enjoyment by sampling every port of amusement in town at first—get your lessons first and then spend your spare time with amusements. Clarence Neely, '22, also made an interesting speech and told of the evils of college life and how to avoid them.

WOMAN'S ATHLETIC ASSOCIATION

At a meeting of the Woman's Athletic Association on October 10, it was decided that the annual hiking contest for the girls should start next Monday, October 13, and continue one month. The contest will be completed after a month's hiking in the spring. Any girl who desires may enter the contest. The winners will receive white block A's.

At the meeting it was also voted to do away with basketball for the coming year, inasmuch as it conflicts with the present course in Rythmic Expression.

Y. W. C. A.

Miss Sanborne, the Student Volunteer Traveling Secretary, spent the 6th and 7th of October at Allegheny.

The mid-week service of the Y. W. C. A. was held in Hulings Hall parlors on Wednesday evening, with Helen Miller as leader, and Ella Allgood the soloist.

The Y. W. C. A. meeting was held in the parlors Sunday evening with Dorcas Hall, '20, leader. The purpose of the meeting was to show the girls the duties of the various officers. Each member of the cabinet and chairman of committees told briefly their work and what they hoped to do in the coming year. A solo by Alta Postance, '22, closed the meeting.

Varsity Beats Second Team 20 to 2 in Practice Game

Rain Halts First Scrimmage Game of Year in Second Quarter

First Team Tallies Three Touchdowns, While Scrubs Force Safety on Veterans

Last Friday afternoon a practice football game was played on Montgomery Field between the present 'varsity team and the second team. It was the first real practice scrimmage of the season, and the coaches were well pleased with the showing. The 'varsity team had its first chance to show its fighting caliber, and did show it to such a good advantage that three touchdowns were scored against the second team, although there is no doubt that the stubborn fight put up by individuals on the second team was an evidence that there is substitute material aplenty on the squad. Two ten minute quarters were played, after which Jupiter Pluvius was substituted for both elevens, and the squad and the interested spectators made a dash for shelter. The line-up of the teams was as follows:

Varsity—20.		Second Team—2.
Baldwin	L. E.	H. Miller
Murphy	L. T.	Judd
Jones	L. G.	F. Miller
Harbaugh	C.	Dundon
Kramer	R. G.	Estep
Coulsan	R. T.	Frazier
Scannell	R. E.	Russell
Kerr	Q.	Barcus
Preston	L. H.	Mansfield
Kinnear	R. H.	Plumb
Cunningham	F. B.	Trace

Substitution—Doing for Mansfield. Touchdowns—Cunningham, Kinnear, Preston. Safety—Kerr. Goals from touchdowns — Kerr, 2 out of 3. Referee — Mumaw, '22. Umpire — Croasmun, '22. Timer—Hanna, '22. Head linesman—N. W. Chapin, '22.

FOOTBALL SCHEDULE NEARS COMPLETION

The football schedule, as announced to date by Manager Thomas Francis, contains seven possible dates, and at present five of these are filled. Games have been engaged for every Saturday, beginning October 18, and extending to November 15. The dates of November 22, and November 27, (Thanksgiving), are still open, but the management has been in communication with several first-class colleges concerning these dates. An effort is being made to play either Marietta College at Marietta, Ohio, or Lafayette College at Easton, Pa., on Thanksgiving. Following is the schedule:

October 18.—St Bonaventure College at Meadville.
October 25.—Grove City College at Grove City.
November 1.—Carnegie Tech at Pittsburgh.
November 8.—Geneva College at Meadville.
November 15.—Westminster College at New Wilmington.
November 22.—Open.
November 27. — (Thanksgiving)—Open.

COACH HAMMETT OUTLINES GYM PROGRAM

Well say! Speaking of changes. Coach Hammett got up in Chapel one morning last week and proposed an interesting gym course this year for the Freshmen and Sophomores, and for the two upper-classes if they care to take part. Heretofore the gym course has been a prevailing evil which all under-classmen have been compelled to go through, much to their displeasure. With the program which has been planned, Professor Hammett, assisted by G. Barnes, expects to produce something of interest to every man in school.

The old calesthenics exercises are to be done away with to a great extent. Apparatus work will be carried on only in its simplest forms unless there are some men who desire to go on with it and they will form a separate class. In place of this work formerly carried on, there will be a program of inter-class athletics. Socker and cage ball in the fall; basket ball, boxing and wrestling during the winter; and track and cross-country running in the spring.

There will be enough teams in each class so that everyone will get a chance to get into something they like. Men who are not on the 'varsity teams will be given a chance to take part in athletic sports which previously they had to watch from the sidelines.

A tournament of some sort is scheduled to take place between the Freshmen and Sophomores. The Juniors and Seniors will be admitted to it if they can get enough of their men to come out. Some sort of a trophy is to be awarded to the winning class, but what it is to be, has not been decided. Assistant Coach Barnes has done considerable work along the lines of boxing and wrestling, probably too interesting for some.

With such a program in store the gym work gives promise of being a great success this year and a most enjoyable feature of college activities for the men.

CLASS ELECTION.

Shortly after the opening of school the Senior class, followed by the three lower classes, met and organized for the ensuing year. The results of the election of officers were as follows:

Y. W. C. A.

The Y. W. C. A. spent Thursday evening, October 9, at the Old Ladies' Home. Miss Mildred Ellis, '22, gave a reading and Mrs. Ruth Sjoberg, '21, sang a solo. All the girls who went enjoyed themselves while entertaining the old ladies.

"Pigs is Pigs," said a man, and became famous as a writer.

NEW ASSISTANT COACH IS GERALD BARNES, AMHERST, '15

The new assistant coach is Gerald Barnes, a graduate of Amherst College in 1915. From 1915 to 1917 he was the assistant director of Physical Education at the University of Cincinnati, having charge especially of intramural athletic activities.

When the United States entered the European War, Mr. Barnes went to France with a Red Cross Ambulance Unit, later was tansferred to the Aviation Corps, and won a commission. He returned from France in March, 1919, and secured his present position in Allegheny College.

Mr. Barnes will have charge of intramural athletics here and in the winter will devote some time to boxing, wrestling, and other indoor sports.

PHILO-FRANKLIN FORUM TO REORGANIZE

First Meeting of Year to be Held on Friday at 4:30 P. M.

As you have probably seen by looking at the calendar, the Philo-Franklin Forum will hold its first meeting on the third floor of Bentley Hall on Friday, October 17. Reorganization and election of officers will take place. It is probable that there will be a debate upon some subject of interest to college men, so every one is urged to be present. The upperclassmen especially should be present and bring the Freshmen with them.

For the Freshmen, it may be well to state what the Forum is. It is an organization which was founded for the purpose of promoting debating and effective public speaking among the men of the college. Meetings are held weekly during the year on Friday afternoons when debates are held on various questions of national and local importance. Parliamentary Procedure is especially emphasized and during the year a course in this which is very helpful to any one who does not know the rules of government of a parliamentary body is given by Dr. S. S. Swartley, the faculty representative at the meeting.

The Forum is the organization which develops men so that they are able to compete for positions on the debating and oratorical teams of the college. Nearly all the members of these teams have been members of the Forum. If you are at all interested in work of this kind, come over to Bentley Hall next Friday afternoon and enoy yourself.

OPPORTUNITY.

When opportunity knocks, the College man is generally the first to answer. How about the Alleghenian?

The business men are actually placing wonderfully opportunities right before your eyes. Their success is impingent upon their ability to make it opportune for the public to patronize them, and the advertisers in the CAMPUS are all successful in their line of enterprise.

Why fail to take advantage of the opportunities which they offer? The advertisements are not meant as mere space fillers. They represent the opportunities which the merchant has for your disposal.

Are you wide awake? Thrifty?
