Dear Miss Tarbell:

I am a collector of
Lincoliana and not of autographs -
except, of course, Abraham Lincoln's.
However, I do feel there are two
autographs I would like to have.
One is yours and the other is Carl
Sandburg's. I have copies of all the
books both of you have written on
Lincoln. Your four volume work,
The Life of Lincoln, published in 1900
by the Lincoln Historical Society was
one of my first acquisitions. This
in turn got me started on collecting
the issues of McClure's Magazine with
the story of Lincoln's life, and it is the

work to which I turn most often.

If you would be so kind as to send me your autograph, I will be most grateful. It will be pasted in your book.

Sincerely yours,
Arthur C. Hansen, M.D.
