RULES FOR FACILITATING REGISTRATION ISSUED

STUDENTS URGED TO GET WORK CARDS IN AS SOON AS POSSIBLE

With the last of examinations Jan. 29, the first semester of the present academic year comes to a close. Registration for the second semester will take place on Feb. 2 and classes will begin at 8:10 a. m. on Wednesday, Feb. 3. In order to facilitate the process of registering for both the office and the student, the following rules have been issued by the registrar:

1—All work cards for next term should be filled out, signed and deposited at the registrar's office as soon as possible.

2—It is highly important, both for the college and for the students, that the registration for next term be completed this term, as far as possible. Students should fill out their work cards and secure signatures in courses in which they have not been registered the present term. If additional signatures are needed, they can be secured on Monday and Tuesday, Feb. 1 and 2.

3—INSTRUCTORS' SIGNATURES ARE REQUIRED FOR:

(1)—Courses not taken the present term in which the student desires to enroll.

(2)—Courses being continued with a grade below C.

4—Students desiring to register for more than 17 hours must present completed cards before 5 p. m. Jan. 28.

5—LATE REGISTRATION FEE will be charged for Work Cards presented after Tuesday, Feb. 2, and for Class Cards not called for by 12:30 p. m. Wednesday, Feb. 3.

Grades in the courses being taken this semester will not be given out until Feb. 4.

INTERFRAT TANK MEET CARDED FOR SATURDAY

ADMISSION TO BE CHARGED TO BUY SUITS FOR VARSITY TEAM

Preparations for what promises to be one of the best and most interesting inter-fraternity swimming meets of recent years are going forward rapidly. The meet is scheduled for Saturday, Jan. 16, at 4 p. m. and the James M. Masson trophy, now held by Phi Delta Theta and on display at the registrar's office, will be up again for the winner. Another departure from the usual custom is that admission will be charged for the meet. Everyone, including the co-eds, is invited, and plans are being made to care for a large crowd. The admission is for the purpose of procuring funds to buy swimming suits for the varsity swimming team.

It is expected that five fraternities, and possibly six, will enter teams. Sigma Alpha Epsilon, Phi Delta Theta, Phi Kappa Psi, Beta Upsilon and Phi Alpha Kappa have teams ready for the match, while several others may enter a number of men.

The events and the order in which they come are as follows:

Eighty-yard relay, 40-yard backstroke, 40-yard dash, plunge, 100-yard dash, 40yard breast stroke, 160-yard dash.

Points will be awarded as follows: Four places in each event, 5, 3, 2, 1. Points for relay, 10, 7, 4, 1,

All entries should be handed to Alex Hill at the Phi Delta Theta house not later than Thursday of this week. Each man may enter as many events as he chooses and each fraternity may enter as many men in each event as it desires.

Captain Hill has expressed the hope that all men who wish to try for places on the varsity team enter this match. Varsity material is needed, for the first meet is with Pitt, at Pittsburgh, on Feb. 6, and the team must be whipped into shape as quickly as possible. Two meets with Thiel are practically assured and several others are pending.

"COLLEGE AUTOMOBILE NUMBER" OF ALLIGATOR TO BE ISSUED FEB. 1

By the first of February the second issue of the Alligator will be ready for distribution. The edition will be known as the "College Automobile Number." Work has been progressing rapidly on this new issue and the humorous publication is being completed in good time. Much material has been coming in and the indications are that an excellent number may be looked for.

FLOOR TEAM TO MEET GENEVA FRIDAY NIGHT

BO McMILLAN'S OUTFIT TO BE PLAYED IN SECOND HOME GAME

In its second appearance before a home crowd and its last home engagement until Feb. 3, after midterm examinations, the Allegheny basketball team faces "Bo" McMillan's floor outfit on the local court Friday, Jan. 15. Either team's chances to win the game are problematic. Geneva, coached by the famous All-American football player, has a strong squad, and already holds a decision over the Heinz House quintet of Pittsburgh, one of the Smoky City's strongest independent floor teams. Grove City was played Saturday night and while the Crimson won from the Covenanters, it was only after a hard battle, by a 33-26 score.

Three veterans, Lippe and Shupe, forwards, and Hamilton, of recent football fame, guard, lead the Geneva attack and are rated as clever floor men and dangerous shots. Merriman, regular center, is also rated as a dangerous offensive player, and Clarke, who holds down the other guard position, ranks as one of the best guards in this section. The Covenanters, like several other opposing teams, are seeking revenge for defeats handed them by Allegheny last year, and are certain to cause plenty of trouble for the Blue and Gold squad.

FLOOR SQUAD COMPLETES TRIP WITH ONE WIN AND TWO DEFEATS

W. and J. Beaten, Pitt and West Virginia Are Victors in Three-Day Trip

Winning only one game of the three played, yet putting up a fine exhibition in all but one of the contests, the Blue and Gold basketball squad returned last night from a four-day trip during which Pitt, W. and J. and West Virginia, three of the tri-state district's most powerful teams, were met. Apparently off form in the first engagement with the Pitt quintet, Coach Baker's men were beaten by a 34-16 score in a rough, slow game. Then on Saturday night, with all odds against them, Captain McClurg and his mates staged a remarkable comeback to defeat a powerful W. and J. outfit, 24-19. A strong attack in the last period was responsible for this victory. Monday, the Mountaineers, seeking revenge for her two beatings last season, were met at Morgantown in one of the fastest games ever witnessed on that floor. Only the long-distance shooting of Lapera, star forward, saved the contest for them, however, the final count being 29-21, with West Virginia on the long end.

PITT 34, ALLEGHENY 16

Meeting Pitt in the first game of the three-day trip, Allegheny lost to the Panthers Friday, Jan. 8, in an uninteresting game by the score of 34-16. The game was played on the new stadium floor before 3,000 spectators.

The contest was better than the score indicates. Both teams showed flashes of a strong defense, but probably on account of the early season neither could keep it up. Pitt displayed a strong defense, holding the Blue and Gold to four field goals—two by McClurg and two by Thompson.

The first half of the game was mainly a close guarding contest. Easy shots were missed by members of both squads because they were hurried by the guards. The half ended 14-6, with Pitt on the long end of the score. The Panthers gradually drew away in the second half and soon had a safe lead. Many substitutions were made, which also served to slow up the contest.

There were no outstanding stars on either side. Slavin and Cibula played the best game for Allegheny, while Parsons and Reed performed best for Pitt.

Lineup:

PITT—34		ALLEGHENY—16
Kowallis	F	Thompson
Wrobleski	F	McClurg
McMahon	C	Slavin
Reed	G	Rhodes
Lissfelt	G	Cibula

Substitutions—Yengst for McClurg, Hartman for Slavin, Blackburn for Hartman, Campbell for Parsons, Parsons for Wrobleski, Chase for McMahon, Richman for Lissfelt. Field goals—Reed 3, Parsons 3, Wrobleski 2, Lissfelt 2, Kowalis, McMahon, Chase, Richman, Campbell, Thompson 2, McClurg 2. Foul goals—Pitt, 4 out of 12; Allegheny, 8 out of 19. Referee, Beggs Snyder. Umpire, Walter Waite.

ALLEGHENY 24, W. AND J. 19

Smarting from a crushing defeat at the hands of Pitt the night before, the Blue and Gold won an exciting battle from the Presidents at W. and J. on Saturday, Jan. 9, by the score 24-19.

The Red and Black had decidedly the best of the contest in the first half, it ending 13-7 in their favor. Allegheny could not hit their pace and the superiority of the W. and J. outfit was evident. The Blue and Gold could not make their shots count and the offense of the Presidents swept everything before it.

In the second half matters were

WELL-KNOWN ORCHESTRA CHOSEN FOR JUNIOR PROM

"SEVEN MUSICAL MAGPIES" TO PLAY FOR ALL-COLLEGE DANCE JAN. 29

One of the out-standing all-college social events of the year, the Junior Prom, will be held at the Armory Friday, Jan. 29. The hours will be from 8 to 12. One of the best orchestras in the country, both from a musical and entertaining standpoint, "The Seven Musical Magpies," has been secured for the date.

This orchestra is composed of nine colored musicians, who keep those in attendance in high spirits from the opening piece until "Home, Sweet Home." Each member of the organization is a vaudeville performer de luxe, and several novelty acts, clever singing and clogging will serve to keep the pep at a high pitch. During the intermission a high-class vaudeville act will be staged by the company.

This orchestra is booked out of Cleveland and the managers of the Junior Prom have engaged it at a high price, believing that a good, clever and extraordinary bunch of musicians will draw the crowd. A large attendance must be present to keep the committee above board financially.

Favors will be given this year, as has been the custom in former years, only the committee promises a real favor this time. As usual, the dance will be formal, and the committee requests that there be no flowers!

The admission charge per couple will be $5.00, and will include everything from the cloak-room to the refreshments. Tickets will be placed on sale within a few days, and may be bought from any member of the committee.

The committee for the prom is composed of the following: Richards, chairman; Stewart, Rhodes, Salberg, Faner, Leeper, Ingram and McWilliams.

Ethel A. Andrews, '08, a teacher in the Laurel School for Girls in Cleveand, O., visited her mother in Meadville during the holidays.

Clara Weller, '222, a teacher in the McKeesport High School, spent the Christmas vacation with her parents, Mr. and Mrs. R. H. Weller, of Meadville.

SKATING POND AT REAR OF COCHRAN COMPLETED

DAM PARTIALLY BREAKS, BUT SUFFICIENT SKATING SURFACE STILL REMAINS

Several weeks ago it was announced that some of the students from Cochran Hall were working on a skating pond located on the ground immediately behind Cochran Hall.

Every year, for many years past, an attempt has been made to provide the students of Allegheny College with a suitable place for winter sports. Almost every attempt has ended in complete failure, and the faculty members have grown rather skeptical of the practicability of a pond. This year the promoters took advantage of the natural channel which would necessitate the building of a short dam on one side only. Coach Hammett was highly pleased with the success attained and promised that something comprehensive would be done for next winter.

Several nights ago the soft earth on top of the dam gave way and much of the water escaped. A rather large skating surface remains, however. Plans have been made to illuminate the pond at night by means of a searchlight.

IMPROVEMENTS MADE IN COLLEGE LIBRARY DURING HOLIDAY SEASON

A great improvement was made at the librarian's desk in the periodical and reading room of the college library during the Christmas recess. The desk was greatly enlarged. The card catalogue files were placed to the right of the desk, and shelves were built in on the left for reserved books. Entrance to the stacks is now made by a small door to the right of the files, as the former door leading from the reference room has been locked. Space for the display of new books has been doubled.

This new arrangement has improved the interior appearance of the library, and it has also placed the desk in a more convenient position for students and assistants alike.

Ruth Hammerton, '18, who has been teaching in the Trenton, N. J., schools for several years, spent the holidays with her father and sister in Meadville.

CAST FOR SENIOR PLAY BEGINS INTENSIVE WORK

MEMBERS OF "CHARLEY'S AUNT" CAST REHEARSE THREE TIMES A WEEK

Work on the Senior play, "Charley's Aunt," which will be given in Ford Memorial Chapel on the evenings of March 4 and 5, for the benefit of the Myford Memorial Fund, has progressed considerably since the Christmas holidays. The cast for the play is being coached three times a week by Professor Reynolds, and is also being given valuable aid from time to time by Dr. Schultz.

A change in the business managership has been made since the securing of a place in the cast by the former manager, G. A. Palmer. John Blower has been named to succeed Mr. Palmer in this position.

Tickets for the play will be placed on sale at the beginning of the second semester. The price has been set at 75 cents and $1, depending upon the seat location.

The cast decided upon to present the play is as follows:

Amy Spettigue.....Virginia Hatch
Kitty Verden.....Naomi Reisacher
Charley's Aunt.....Martha Schwartz
Ella.....Marion Whieldon
Lord Fancourt Babberly.....Rowland Barber
Mr. Spettigue.....Cecil Ross
Jack Chesney.....Buck Wolz
Colonel Chesney.....Lloyd Graff
Charley Wyckam.....Howard Taylor

DAVIES, GRID MENTOR, RESIGNS JOB AS COACH

RESIGNATION COMES AS A SURPRISE AFTER TWO SUCCESSFUL YEARS HERE

Alleghenians were surprised and shocked during the recent Christmas holidays to learn that Tom Davies, Head Football Coach at Allegheny during the past two years, had tendered his resignation to Graduate Manager S. S. Townsend. Little or nothing is known of Mr. Davies' future plans or of any negotiations concerning his successor.

Davies, former Pitt All-American halfback, came to Allegheny at the beginning of the 1924 season when Herb McCracken went to Lafayette, and has had uniform and unusual success with his teams since. In 1924 the Blue and Gold eleven lost only two games, to Boston College and West Virginia, and the close battles his men gave those two major teams attracted wide attention. During the past year only three games were lost—to Boston College, West Virginia and Grove City. Boston was completely outplayed, however, and won only by virtue of two breaks. The team was badly crippled after that game, which fact explains the defeat at Grove City. Non-partisan followers of both teams freely admit that had Allegheny faced Grove City in the same condition as she faced the Boston outfit, the result would have been entirely different. To prove this contention, the team beat Westminster, an eleven which held Grove City to a 10-0 score, by a 43-0 count one week later.

1926 FOOTBALL CAPTAIN TO BE CHOSEN AT SMOKER

An innovation will be instituted on the hill next Friday evening, Jan. 15, when Allegheny's 1926 football captain will be elected at a smoker, to be held in Cochran Hall, instead of the customary annual banquet. Immediately after the basketball game with Geneva, all men of the college are invited to convene at the hall in a general get-together meeting.

Here they will be provided with smokes, entertainment, and eats. Entertainment will be provided in the form of instrumental music and singing. As a digression from the old custom, the only speakers of the evening will be the retiring captain of the 1925 team, Jimmy Hanlon, and the captain-elect of the 1926 team.

The committee that is making arrangements for the smoker is composed of E. A. Hill, chairman; J. L. Reynolds, H. E. Olson, C. E. Ross and R. O. Barber all of the class of 1926.

AMERICAN PRIMA DONNA TO SING HERE TOMORROW

MAY PETERSON, SOPRANO, TO APPEAR AS FOURTH NUMBER OF COLLEGE CONCERTS

Prospects for a full house at the soprana recital which will be given by Miss May Peterson tomorrow evening in the chapel are exceedingly bright, if the advance sale of tickets is any indication. The attendance at each previous concert has steadily risen, and it is hoped that tomorrow night's concert will prove no exception to that rule.

Miss Peterson is one of the best American prima donnas touring the concert stage, and her sweet voice is expected to add a host of Meadville music lovers to her already great number of followers. This soprano de luxe has had many recordings of her voice made on Vocalion records. Several pieces which Miss Peterson sings are in foreign languages, showing her mastery of foreign tongues as well as her fine articulation of the English language.

Miss Peterson has achieved notable successes abroad and at home. Her career was made at the Opera Comique, Paris, where she scored the most sensational success of any American artist since the debut of Mary Garden. Her successes show the public that here is an artist whose unusual talents open to her all fields of her art and limit her to none.

Miss Peterson has proved herself in opera and oratorio, in recital and as soloist with our largest orchestras, among which are New York, Boston, Philadelphia, Russian, Detroit, Los Angeles and Portland symphonies.

Besides a finished artist, Miss Peterson is also known as one of the most beautiful and best gowned women on the concert platform.

NEW HEATING SYSTEM PLACED IN OPERATION

WARM CLASSROOMS ANNOUNCE WELCOME NEWS TO RETURNED STUDENTS

Many hearts, saddened by the thoughts of returning to classes, brightened appreciably when it was discovered that the new heating system was in operation. Since the reopening of classes, the warm rooms, in some cases uncomfortably so, have convinced everyone that heatless days on the hill are now a thing of the past. Acting President Ross stated that the new heating plant, with its cost of $125,000, was the fist step in the 10-year building plan of Allegheny.

This newest addition to Allegheny College is situated on the southern extremity of the campus, just back of Carnegie Hall. It contains two large boilers, each of which can supply sufficient heat to the present buildings on the campus and to any that may be added within the next 25 years.

In every respect the plant is fitted with modern and up-to-date equipment, which permits it to be run at a reduction of 35 per cent. of fuel, as compared with the old system. The bunker will hold 450 tons of coal, all of which is handled by machinery. The smokestack, which is 135 feet high, forms a prominent landmark in the northern part of the city.

At the present time the building is covered only by a temporary roof, because the cold weather prevented the pouring of the concrete. Work on the permanent roof will be begun as soon as the weather permits. It is expected that the new system will be able to function for the next 25 or 30 years.

The old heating plant, which is located in the upper ravine on the north-central part of the campus, will be torn down soon. Plans are being made to beautify that part of the campus, after the removal of the building. As soon as the weather permits the general work of clearing up those places on the campus marred by the construction work will be started.

The architects of the new plant were Magaziner, Eberhart & Harris of Philadelphia. The engineer was Arthur McGonagle of Pittsburgh. The contractor for the underground work was John R. Kehm of Chicago. The building contractor was the Mill Run Lumber Co. of Meadville. The boiler, stack and equipment work was done by the Rust Engineering Co. of Pittsburgh.

THE JUNIOR PROM

This year's Junior Prom Committee has done the unusual in that it has scheduled a better than mediocre orchestra for its dance.. The Seven Musical Magpies have somewhat of a national name and are undoubtedly the best group of musicians that have ever been secured to play an Allegheny College dance.

The committee for the first time has acted on the pleas for a better orchestra for the Prom. Yet, the price will remain the same, and favors will still be given. There appears to be a discrepancy some place—favors and a real orchestra for the standard price of five dollars.

The explanation is this. The committee believes that the fact that an exceptional orchestra has been secured for the Prom will in itself attract those students who did not attend in former years, because there was to be nothing out of the ordinary in a musical way.

It is hoped that the committee's reasoning is sound, for it is the most reasoning that has been done by a Prom committee for some time. We should all go to the Prom not only because it will be an exceptional dance, but also because by so doing we may save the committee financial loss and because we may thus show our appreciation for the raising of the standards of the biggest all-college social function.

THE NEW HEATING SYSTEM

With the announcement that the new heating plant is now in operation and has proved satisfactory in furnishing heat to the college buildings comes the answer to a need long felt by the student body and everyone else connected in any way with the College.. The new system, with an estimated cost of $125,000, was completed with a limited amount of discomfort from the faulty service of the old plant.. Fw complaints were heard, even when the situation was at its worst, due in part to the fact that a more complete and efficient system was being installed and would be completed at the earliest possible time.

In view of the fact that the new heating plant was obtained while the College was without a head, we of the The Campus feel that congratulations are due the present administration for the untiring efforts put forth in securing the first actual improvement according to the plans of the building campaign inaugurated by the late President Fred W. Hixson. We feel that the addition of a modern heating system to the already well-equipped College plant, under the existing conditions, is a remarkable achievement and worthy of our heartiest appreciation.

STUDENT FORUM THIS EVENING

Students to Be Given Opportunity to Express Opinions on College Chapel Service

At various colleges all over the United States there has been a rising tide of student sentiment concerning college chapel services as conducted at present. Allegheny has not been free from complaints about chapel and The Campus last year through its editorial columns submitted a plan whereby it was thought chapel might be improved. Although the administration has made some definite attempts to make the service more attractive, there is yet a great deal of criticism. The chapel issue is not one sided by any means, and there is much that can be said on both sides.

There has been a demand for a student forum, where the men and women of the college may have the privilege of expressing themselves on college problems, and chapel has been suggested as a pertinent question on which student sentiment needs to be concentrated. In accordance with this demand the Christian Association is providing just such an opportunity in the shape of a general student meeting at 7 o'clock with "College Chapel" as the topic for discussion. Come out and say your say on whether you like chapel or not, and why.

THE PROFESSOR'S INFLUENCE

Dr. Luther A. Weigle of Yale, speaking in regard to secularization of the public schools before the annual convention of the executive committee of the Federal Council of Churches, makes the following assertion: "The most potent religious influence in the life of any school is to be found in the moral and religious character of the teacher." After 30-odd years of work in the colleges, Dr. John R. Mott bears approximately the same testimony to the moral and spiritual influence of college teachers. Generally speaking, the student follows the lead of the professor, and what the college teacher is interested in his students will also be interested in, provided that interest is definitely expressed. The Y. M. C. A. covets the active interest of the faculty men, especially the expression of it at the regular stated meetings of the association.

At the Princeton World Court conference held in December there was born a new student organization called the National Federation of Students. The aims of this new organization as expressed by its executive committee are: Exchange of students from east and west, correction of the over-emphasis on football, further control over education and scholarship by the student bodies, and the elimination of the artificial standards fostered by fraternity life.

AMONG OUR FRIENDS AND ALLIES

"The Flat Hat" of William and Mary college is one of the best and most dependable exchanges. It is a paper of 12 well-arranged pages, and is coming to be more and more one of genuine literary worth.

Ohio State adopted a novel way of teaching true sportsmanship. At a recent contest, handbills on which were printed five fundamentals of sportsmanship were distributed to the students. One paragraph defended the right of the coach to do his own coaching.

The University of Florida claims the distinction of having more men engaged in intra-mural sports than any other college in the country. She bases her claim on the fact that 98 per cent of the men took part in the campus-wide athletic program last year. Listed among the sports is "horseshoes."

Two students of Cornell University were penalized for violations of the the honor system. One student, who pleaded guilty, had his credit for the course taken away and was placed on parole. The other was suspended from the university for the term.

This year's enrollment in colleges and universities of the United States totals 602,000 students. The number is 73 per cent. as many as have been graduated from American colleges in the last 300 years.

REGISTRAR'S OFFICE ANNOUNCES FINAL EXAMINATION SCHEDULE

Rules Published—All Conflicts Must Be Reported By January 15

The examination schedule for the first term has been announced. Changes may be made in this schedule, but none will be made after Jan. 15. The official copy will be posted on Jan. 20. There are, unavoidably, a few conflicts which should be reported to the registrar's office before Jan. 15, in order that necessary arrangements may be made.

Examinations in one-hour subjects will be limited to one and one-half hours; in two-hour subjects, to two hours; in three-hour subjects to two and one-half hours; in four-hour subjects to three hours.

When a student has been absent from any class for any cause, one-seventh the total number of recitations or more, a supplementary examination must be taken in the subject. Supplementary examinations are to be given at the close of the examination. Members of the athletic clubs and the glee clubs are allowed four absences above such fractions each term to fill engagements.

KAMPUS KOMMENTS

The first week of classes after the holidays seemed to be the same as any other seven days in the college year. How easily we adapt ourselves!

College interest appears to be divided between the Junior Prom, the basketball team, and the coming examinations, with the advantage decidedly in favor of the ultra-curricular activities. We heard a co-ed lamenting the fact that she had two exams on the last day and hence wouldn't have an opportunity to get her hair marcelled for the prom. In the face of that we would suggest that the faculty cancell all exams scheduled for Friday, Jan. 29, to allow wholehearted participation in what is apparently a more important phase of a college education.

The Men's Senate is to be congratulated upon taking the responsibility of holding a smoker for the football team. The financially-crippled athletic board was unable to give the annual banquet to the team, and it is only right that the gridders receive some evidence of appreciation from the student body.

A recent communication from Walter W. Case, of the Class of '84, says in part: "Was glad to receive your edition of the 10th. Wanted to see the pictures of the boys who had done so well, but are you not going to give the team and the second eleven a dinner to show some appreciation for the hard work they have done?"

We are glad to be able to say that the team is to have some recognition, belated as it may be. We wish such a loyal alumnus as Mr. Case could come down all the way from Sault Ste. Marie to bet he guest of honor at the smoker.

The effort to rejuvenate the chapel exercises has met with remarkable success. The students are responding very well, and Dr. Ross is to be commended for his initiative in the matter. Nevertheless, we could not refrain from counting the number of faculty members present for the ritual service Saturday. There were 13 there, or about a third of the total number.

Commenting on this chapel business reminds us of Dr. Woodring's masterly speech a few days before the holidays. It is the general opinion that the talk was the best delivered from the rostrum this year.

We happened to run across the information that the president of the senior class of Westminster College has held that office in his class for four years. Maybe Allegheny can learn something from the New Wilmington school in this connection. We, ourselves, haven't been able to determine whether the Allegheny rotation-in-office policy is for the purpose of finding better or worse class officers.

STUDENT NOTICE

All individual pictures for the Kaldron must be taken within the next week. The last request was not heeded by a great many students, and as a result the work on the annual will have to be held up on account of this neglect. Seniors, especially, are requested to have their pictures taken this week.

HOW STUDENTS STAND ON THE WORLD COURT

The "New Student," a national student publication, has taken a poll on the World Court among the colleges of the United States, and the ballots cast indicate an overwhelming majority in favor of the court. The vote is the largest ever recorded on any issue, a total of 128,678 students from 333 colleges costing ballots.

The New Students' summary of the voting is as follows:

Of the 128,678 voting, 100,943 voted for the court in terms probably acceptable to the administration; 19,895 voted against the court, and 7,930 voted for the strong Borah reservations. Since newspaper men generally regard the Borah position as opposing the court, the total vote could safely be analyzed as 100,943 in favor and 27,825 against United States participation at the present time.

Some of the students voted on four detailed proposals regarding the court, and some simply voted "for" or "against." The detailed vote is as follows:

1—Those voting on the four plans:

For the Harding-Hughes-Coolidge plan, 39,701.

For the "Harmony" plan, 21,738.

For the Borah reservations, 7,930.

Against the present participation, 12,451.

2—Those voting "for" or "against':

For, 39,504.

Against, 7,354.

Four colleges out of the 333 returned majorities against the court. They were Galludet College, District of Columbia; Galesburg College, Illinois; Coe College, Iowa; and the Virginia Military Institute.

Helen G. Murray, '10, who has been doing graduate work at Chicago University, is spending a month with her parents, Mr. and Mrs. W. P. Murray, '86, in Meadville. Miss Murray will return to Mexico in February, where she is stationed as a missionary.

GIRLS HOLD INTER-SORORITY DANCE AT SAEGERTOWN INN SATURDAY NIGHT

Approximately 125 couples crowded into the ball room at the annual inter-sorority dance which was held last Saturday evening, Jan. 8, from 7:30 until 11:30 at Saegertown Inn.

Breaking away from the custom of elaborately decorating the ball room, which has always been a laborious task for the committee, the girls have taken an advance step in depending on the dance itself and not decorations for the life of the party.

Music was furnished by Ted's Allegheners. Throughout the evening punch was served.

At the beginning of the fifth dance there was a brief intermission, at which time a picture was taken by Miss Wetherby.

Throwing of serpentine and confetti during the eighth dance added much pep to the party.

The committee in charge of the dance was made up of Grace Kengle, chairman, Mildred Lose, Hazel Gleason, Martha Bordwell, Cecil Tracey, Eleanor Brown, Grace Minch, Marie Gray, Beth Smiley, Margaret Rice, Evelyn West and Frances Bond.

Dean Wren Staley, Dr. and Mrs. R. E. Lee and Mr. and Mrs. S. S. Townsend chaperoned.

PHILO-FRANKLIN HOLDS INTERESTING DISCUSSION

With the resumption of classes after the Christmas vacation, the regular meeting of the Philo-Franklin Forum was held last Friday afternoon, January 8, in the Forum room of Bentley Hall. The business of the afternoon was the passing of a law by the Forum, saying that no students will be admitted to membership after the opening of the second semester except those that enter college at the beginning of the second term. Robert Wilson of the Freshman Class, whose application had already been accepted, was initiated into the Forum last Friday.

The program for the afternoon was an interesting discussion by Dr. S. S. Swartley, on Robert's "Rules and Order for Parliamentary Procedure." The program for the next meeting, on Friday, January 15, will be four readings by Messrs. Wilson, Corbett, Averbach, and Lopushansky, on any subject that they wish to choose.

NON-FRATERNITY TEAM LEADS IN INDOOR MEET

FIRST ROUND FINISHES WITH NON-FRATS, 30¼—BETA UPSILON SECOND WITH 16 6-7

Getting away to a big start which practically insures victory, the Non-fraternity men won the first round of the Indoor All-Around championships on Saturday, Jan. 9, scoring 30¼ points. Beta Upsilon was next in order with 15 6-7 points, with Alpha Chi Rho, Phi Alpha Kappa and Phi Delta Theta following in the order named. Sample, who won the high jump, tied for first in the fence vault, and tied for third in the 85-yard dash, was the individual star of the meet, scoring 11 points. Tornatore counted 8 points, tying for first in the fence vault and getting second place in the high jump.

The meet was closely contested, competition in the fence vault being especially hard-fought. Tornatore, Non-Fraternity; Cole, Phi Alpha Kappa, and Sample, Beta Upsilon, finally tying at 6 feet three inches, tying the college record in this event. The result of the meet will be finally decided Friday, Jan. 16, when the mile race will take place. With Jones, Bentley, Bogardus and Rea competing, some high-class running should be on tap for the final round. The award of 15 points to the team qualifying the greatest number of men will also have an effect upon the final result.

Results of the first round follows:

Shot-put—Jackson (N. F.) first; Kinnunen (A. X. P.) second; Walker, (N. F.) third; Rexford (B. U.) fourth; Anna (A. X. P.) fifth. Forty-two feet, seven one-half inches.

Fence vault—Tornatore (N. F.), Cole (P. A. K.) and Sample (B. U.) tied for first; Cropp (N. F.), fourth; Titus (N. F.) and Robinson (A. C. R.), tied for fifth. Six feet, three inches, tying college record.

High jump—Sample (B. U.), first; Tornatore (N. F.), second; Seginac, Elder, Bell (N. F.); Rea (A. X. P.), Eddy (P. A. K.); Brahm (P. D. T.), and Pyle (B. U.), tied for third. Five feet, two inches.

Eighty-five-yard dash—Danner (N. F.), first; Seginac (N. F.), second; Rea (A. X. P.), Richards (B. U.) and Sample (B. U.), tied for third. Ten and one-fifth seconds.

Men qualified to date—Non-fraternity, 23; Beta Upsilon, 20; Alpha Chi Rho, 10; Phi Alpha Kappa, 4; Phi Delta Theta, 1.

Total scores—Non-Fraternity, 30¼; Beta Upsilon, 15 6-7; Alpha Chi Rho, 8 5-14; Phi Alpha Kappa, 4 6-7; Phi Delta Theta, 6-7.

BASKETBALL TRIP

(Continued from page 1)

completely changed. Hitting their stride at the first whistle, Allegheny cut down the six-point lead held by W. and J. and forged ahead where they stayed the rest of the game. Daly was the only President to register a field goal during the whole half, while Allegheny men begin hitting the basket from all angles. The W. and J. defense, which was so impregnable in the first half, crumbled completely. Thompson and Cibula made two goals each and Slavin, McClurg and Rhodes each scored one in this half.

Lineup:

ALLEGHENY—24		W. & J.—19
Thompson	F	Daly
McClurg	F	Wild
Slavin	C	Thomas
Cibula	G	Carlin
Rhodes	G	Friederichs

Substitutions—Herrold for Wild, Wild for Herrold, Huxler for Freiderichs, Franzell for Huxley, McKissock for Carlin. Field goals—Thompson 3, McClurg 2, Slavin, Cibula 2, Rhodes, Daly 2, Thomas, Carlin 2, Friederichs. Foul goals—Thompson, 1 out of 3; McClurg, 3 out of 8; Cibula, 1 out of 2; Rhodes, 1 out of 1; Daly, 1 out of 1; Wild, 2 out of 2; Thomas, 2 out of 4; Carlin, 1 out of 4; Friederichs, 1 out of 2. Referee, Al Slack, Pittsburgh. Umpire, Calvin Bolster. Time of periods, 10 minutes.

WEST VA. 29—ALLEGHENY 21

Fighting an uphill battle all the way and nearly staging another sensational finish to win the game, as they did at W. and J., the Allegheny cage men lost the decision, 29-21, in the West Virginia game at Morgantown Monday night, one of the fastest and best clashes of recent years, in the Ark, home court of Coach Stadsvold's quintet. Only deadly long-distance shooting by Lapera, forward, who led the way in a last-quarter rally with three goals, kept the Blue and Gold team from winning.

Captain McClurg led in the scoring for both teams, ringing up five field goals and six fouls, for a total of 16 points. That West Virginia was putting forth her best efforts to stop the Allegheny captain is indicated by the number of free throws he had, nine in all. West Virginia took an early lead and was ahead, 9-5, as the first quarter ended. At half time, she was still leading, 16-10, although Allegheny showed better form during this period of play. The Blue and Gold opened up in the third quarter, and seemed to be headed for another victory, taking the lead once at 18-17. But Lapera was not to be denied, and he started the Mountaineers on a final attack which netted them ten points and the final decision.

The Score:

West Virginia		Allegheny
Lapera	F	Thompson
Ashworth	F	McClurg
Glenn	C	Slavin
Rohrbaugh	G	Rhodes
Morrison	G	Cibula

Substitutions: Murrin for Lapera, Lapera for Murrin, Rinehardt for Ashworth, Oliker for Glenn. Yengst for Thompson, Hartman for Slavin, Rowlingson for Cibula.

Scoring: Field goals, Lapera 6, McClurg 5, Ashworth 2, Thompson, Glenn, Rohrbaugh, Morrison. Fouls: West Virginia, 7 out of 11; Allegheny, 9 out of 16.

Referee—Cal Bolster.

Time of quarters—10 minutes.

BASKETBALL TEAM VICTOR IN SEASON'S INAUGURAL

OPENING GAME WITH ALFRED ENDS IN DECISIVE WIN SCORE 38-25

Opening the 1926 season by displaying a fast, smooth-working offensive machine, the Blue and Gold basketball team defeated Alfred Tuesday, Jan. 5, by the decisive score of 38-25. The regular five swept the New York state outfit under a scoring attack which netted 19 points the first half, Alfred, meanwhile, scoring 8. With practically a substitute Allegheny team on the floor the final period, Alfred took a brace and the scoring was, for the most part, on practically an even basis.

Captain McClurg counted first on a close shot, after nearly a minute of play, but Geer, Alfred center, evened matters with a beautiful long shot. Play was fast and close for some time until Slavin scored a basket. Geer evened matters again, however, with another long shot, but from that time until the end of the half the scoring was all in favor of Allegheny. Slavin came down the center of the floor and dropped another pretty shot through the loop, and Thompson counted two points more on the next tip-off. Bill McClurg came through with his third basket a moment later and Joey Thompson added a point on a foul. Geer gave slight evidence that Alfred was in the game by counting a free throw, but Slavin's third two-pointer followed, making the score 13-3. The New Yorkers tallied two field goals and a foul before the half ended, and Allegheny did the same, the score being 19-8 when the first period ended.

Alfred, led by Nichols and Geer, gave more of a battle the second half and increased her total score by 17 points The Blue and Gold quintet was good for 19 again. McClurg started the ball rolling once more with a pretty shot from the side floor, and Cibula got into the scoring column soon afterwards. Nichols counted two in rapid succession for Alfred, but Yengst made good on a close toss and McClurg scored his seventh goal on the next play. From that point until the final whistle blew both teams fought hard for points and Alfred made a great effort to even the score. Nichols did some clever work and Nellis added several long shots near the end of the game.

Captain McClurg and Slavin led the Allegheny attack, McClurg scoring almost at will. He counted nine field goals and three fouls, 21 out of 38 points. Slavin had three baskets to his credit and added another on a free throw. Thompson's floor work was speedier than ever, while Cibula and Rhodes demonstrated to everyone's satisfaction that they have lost none of last year's cleverness. The work of the reserves, Yengst, Hartman, Hughes, Cossman, Blackburn and Rawlingson, is commendable also, and encouraging as well, giving evidence that an old weakness has been eliminated.
