

March 2, 1933

Mr. John H. Revenaugh
500 Fort Washington Avenue
New York City

Dear Mr. Revenaugh:

Your letter of March 1st has reached Miss Tarbell's desk. Miss Tarbell is ill with a bad cold and the Doctor has forbidden her to do any work. It will probably be three or four weeks before she is back at her desk. Just as soon as she is able I shall be glad to call her attention to your letter.

Miss Tarbell wishes me to thank you for sending her the clipping and the quotation from the Atlanta Journal.

Yours very truly

Secretary to
Miss Tarbell
