Miss Ida M. Tarbell,
Bethel,
Conn.

My dear Miss Tarbell:

Thank you very much indeed for sending us this copy of your beautiful book about a great American. It will give much pleasure to all our members and not one of them but will appreciate the lines of your inscription.

A very long time ago, when I was in High-School in Vincennes, Indiana, I first heard your name because Miss Anna Flynn was collecting material relating to the Indiana period of Lincoln's boyhood for the book which you later published. I cannot think that I helped her in the work and I cannot now recall just what it was I was supposed to be doing in the way of help, but something of the glow which Miss Flynn felt affected me and across the long years I remember it now.

Please accept my felicitations on the good life you have lived and my thanks for all your life has meant to all your fellow citizens.

Sincerely yours,

Grace B. Wyeth

(Mrs. George A. Wyeth)
President
