Dear Miss Tarbell;-

We are submitting the attached letter for your approval. Please make as few or as many changes as you desire. This letter will be run off on the stationery of the Women's Division of the 1934 Mobilization for Human Needs .

As you will note, we have scheduled the October 5th meeting for 4 o'clock, here at the headquarters of the National Board of the YWCA, 600 Lexington Avenue. Mr. Burns will be present and also Miss Seder, who is the secretary for the Women's Division.

If you can read the letter while the messenger waits, I would appreciate it, as I want to get it to the multigrapher this afternoon, in order that you may sign them in the morning.

Many, many thanks

Mollie E. Sullivan
