Miss Ida M. Tarbell,

Bethel, Conn.

My Dear Miss Tarbell:

We have the sad duty to-day of notifying President Tolley that Mr. Ridge passed away this morning. This message also goes to the Members of the Board of Trustees, and to the New York Alumni.

Knowing your close association in all that was of interest to the College, I felt Mr. Ridge would like to have me send you a note at this time; also, remembering your beautiful appreciation of Mrs. Ridge given at the services for her, I am impelled to write you now.

It was last October that Mr. Ridge suffered a heart attack, but was recovering nicely, and in January came to the office one day. However, for the past few weeks he has again been confined to his bed, and failed to rally. When in the office in January he inquired if we had any news of Miss Tarbell, and only a month ago he was planning for his Sixtieth Anniversary at Allegheny. And now we are overwhelmed by the news received early to-day.

I trust, my dear Miss Tarbell, that you are benefitted by your sojourn in the country, and know by the papers that you are still in touch with New York activities.

Sincerely yours,

Linda Rowe.
Secretary.
