To the Librarian

of the Public Library,
Pitchfield, Conn.

Will you be good enough to let me know
if there is in your library a file of The Litchfield Enquirer?

The numbers in which I am particularly interested are
those of March, April and May of 1865. If you have these numbers
I should like, at my convenience, to go to Litchfield to consult
them.

If you do not have them, do you know of any private
library in your vicinity that owns them?

Thanking you in advance for the courtesy of a reply,
believe me

Very truly yours,
