Dear Anne:

I am sending you over a copy of the Boy Scouts' Life of Lincoln.

I have a letter from Payot, saying that times are such with them that they cannot undertake its publication; but I rather think that what they received was the two volume Life, which of course I never in the world should have thought of offering to them.

As I told you, you are at liberty to make any arrangement for the translation and publication of the book which will be satisfactory to you and profitable to the Committee.

Sincerely yours,

Miss Anne Morgan,
16 East 39 Street,
New York City.
