Hon. Robert Bliss,
Embassy of the United States,
Paris, France.

My dear Mr. Bliss:

I have received yours of May 13,
enclosing Mr. Antonesco's note, acknowledging the illuminated
letter of the Woman's Committee to the Queen of Roumania.

I agree with you that the gentleman is a little
tardy in his acknowledgment, a little indifferent, I should say,
to the efforts of the representatives of the American women to
express their sympathy to his Queen. However, I have no doubt
that he is a much occupied man.

I am very grateful to you, dear Mr. Bliss, for your
prompt and kindly offices in the matter, and in the name of the
Committee want to thank you.

Will you not remember me affectionately to Mrs.
Bliss? I hope she is gaining strength, and that you will both
be soon coming to America for your well earned rest.

Very sincerely yours,
