Dear Madam: See by pick'g. up an yr. old, and some,
"National Adversity!" and Nation Ruin'g weekly
- "Liberty" of July 6th, 1929; Mr. Article "Is Prohi-
bition Foreg. Civil War?" Iet. have to say - "yes"
- with Capital Letters - if Author likes U
and Future Senaton (U. S.) Morrow; former
Ambassador to Mex.; keep on strg'g. and
Call'g. for The Repeal of "The 18th Admendment To
our U. S. Constitution," for what u folks think
is ur own gain and not for the good of the
Average Citizen. What do I mean - just This?

AL-A.-M.-RIEMER = R. 3 - R. 158 = 8 Shawano, Wis.
If U should make a study of ur problems
before u write on them; so much better for
the People as a Whole. Instead of only
Ancient History of Pres., gone on - and
What U think would be their opinion
- stand the Laws of our Country or just
stand them down; u'd be able to see that
Ab would be not for The Repeal of "The
18th" but change of that "15 of 1 Per Cent,"
to about 2 or 2 1/2 Per Cent. Not much room
to tell for all, here; but, in brief - our
(or the Selfish Idea and The Nation be damn)
"18th Admendment" was made in Two
or More sessions of U. S. Congress - read
The Congressional Records of 1918, 1919
and 1920 and u ought to find ur silly
"I am gett'g. thin - The Public be damn." night.
What's any children? Mr. AL-A.-M.-Riemer
