Dear Miss Torber..

I surely need not
tell you that I am only too
happy to hear from you and
from Mrs. Cunningham. Let
ters to you as you think best.

I am greatly interested
in reading the letters. and
I am glad of any chance for
communication with you.

It seems a long long
time since we have met. I

always think of you as one
of my real friends. and
your letter makes me feel
I have been right in doing so.

I hope we can have that
anniversary & fete. I only
wish it might be up here. in
this dear spot which John &
Martha & I so love. There would
be no opera - but much would
make up for that. & perhaps
you would sleep in one of my
beds! Let home with Annie's
summer & maybe the women
might hold a meeting too.

Mr Fulez are preparing.

It should & see them both so

far below par. But John's
improvement is almost
miraculous, and I hope
Mother has taken herself
in hand soon enough to pre-
sent a serious treat soon.

I'm keeping the copies
of the letters - they are so
characteristic - if you want
them back please tell me.

All good been as your
book - as in all you do - I shall
certainly look forward to
with the greatest pleasure
anticipation.

Could we stand another

was! It seems too terrible
to contemplate. The peace
of their place makes it all
seem impossible.

Every good wish to you.

Very sincerely,

James F. Cleveland Preston
(Mrs J. J.)
