Mr. J. C. Penney
Green Cove Springs
Florida

Dear Mr. Penney:

Thank you for your letter of March 3 from Green Cove Springs. I do appreciate your kindness.

My schedule has been more or less hectic for I am new to Florida and my itinerary changes in most unexpected ways. Nothing, however, shall interfere with my going to Green Cove Springs the last of this month if that is preferable to you.

My next sure address willbe College Arms Hotel, Deland, where I must stay for four or five days to do a little writing. From there I shall go up the coast through Daytona to St. Augustine, and after that can suit my movements to your convenience.

I am much interested in what you are trying to do with your farms and industries. It is in such developments, as I see it, that the true future of Florida lies.

Thanking you again for your kindness, believe me, my dear Mr. Penney,

Very sincerely yours
