Miss Ida M. Tarbell

132 East 19th St, N. Y.

My dear Miss Tarbell:

I am in receipt of your welcome favor of the 10th inst. in which you think you can furnish me an introduction by October. Such will be ample time, and I am so grateful and so grateful that you can aid the enterprise in the interest of adding to Mr. Lincoln's "Complete Works" thus enhancing his everlasting memories.

I will visit New York the very last of March or the first week in April and will take all the

letters. I will send you notice when to anticipate my visit, and upon my arrival in the city, will make haste to place before you the letters for your consideration.

I fully appreciate the pleasure of meeting you, for it was your first articles on Spinoza that awakened my interest to collect Spinoza literature.

With sincere esteem,

I am

Cordially yours,

Gilbert A. Tracy.
