Miss Ida M. Tarbell,
Tucson Arizona
My dear Miss Tarbell,

I wish to thank you heartily for your reply to my letter and to assure you that it is not my intention to annoy you with my correspondence.

I have shown my attorney your letter and he still wishes me to see you in person if at all possible. He told me to inquire as to your route to New York, thinking if you could happen to pass as near as Kansas City, I could meet you there (This is my first experience with a lawyer and I find they can be self-willed!)

Of all the prominent people in this great country of yours, he has selected yourself to be the recipient of my information. It is a subject, I am sure, in which you are greatly interested. It does not concern prohibition, by the way. I will not take much of your time for an interview, probably

one half hour. Any future time you may wish to put on the matter will rest with yourself.

However if it is impossible for you to meet me on your trip to New York, kindly advise me and Mr. Donohue, who is a very able jurist, probably sixty years of age, will guide me further. I think you will be surprised. Thank you Miss Tarbell.

Very Sincerely
Mrs. Jos. Kinkler Jr
