April 27, 1926.

Mr. D. Walter Morton,
Green Cove Springs,
Florida.

Dear Mr. Morton:

I did not have time before I left Jacksonville to thank you for your letter of April 22nd. The newspapers sent under separate cover, came just as I was leaving for my train.

Will you not ask your Secretary to send me the copy of the application blank and also the plan which you enclose with your personal letter to those who make inquiries. They are not inclosed in your letter, as you intended, and I very much want these papers.

I am having a very interesting time here with Mr. Mead's office, I take it for granted that you know of his work. They are trying to bring Congress to the point of applying to the settlement of the reclamation projects some of the sound principles of colonization with which the Penny-Gwinn corporation is experimenting.

Thanking you in advance, my dear Mr. Morton, for the copies of the documents which I want, and assuring you of my great interest in your work at Green Cove Springs, believe me,

Very sincerely yours,
