MARTHA BERRY

Dear Miss Tarbell:-

The Highlanders and the pictures must have reached you by this time. If you do not receive them, please wire me because I would not have them lost for anything. Colonel Roosevelt's speech is in the 1919 March Highlander.

We had a wonderful Commencement! The thirty boys decided to graduate in overalls. Seven of the boys have seen active service overseas and one lost his leg in the battle of Argonne Forest.

The Alumni Banquet was a great success. Many of the old boys and girls came back. One girl came and brought her two babies. I think seeing the old boys and girls rested me more than anything and gave me fresh courage. I think that is the best way for me to gain refreshment.

I enjoyed your visit so much and shall long remember it. I do hope that you can get someone to help you with the story of Berry. I shall be glad to take care of any expense incurred. Only today I had a call for a book or the story of the Berry Schools. We are having such requests all the time. They say we must have a book to meet the needs of visitors and friends.

If there is anything else I can do, please write me and I shall be only too glad to send anything you want.

Appreciating your kindness,

Sincerely yours,

Miss Ida M. Tarbell,
132 East 19th St.,
New York City.
