Miss Mary Clemmer Tracy,
344 Van Houten Ave.,
Passaic, N.J.

My dear Miss Tracy:

Some four years ago you and I had a little correspondence about your father and his Lincoln work. I told you then that I wanted to do a sketch of him, and I still do. My immediate reason for writing you, however, is to know what has become of his Lincoln collection. Is it accessible to the public?

If it is still in Putnam, would it be possible for me to go over it? I should be glad to drive from my Connecticut farm some time this fall and spend two or three days in Putnam. It seems to me that in doing that I might get the material I want for the sketch of your father. I shall be glad to hear from you at your convenience.

Sincerely yours,
