

October 12, 1939

Dear Mr. Ridge:

The package of letters about Harriet Linn's life and activities has reached me. I am too busy at the moment to do anything with them, but as soon as I have a little leisure I will take them up and report what it seems to me can be made out of them. As soon as I have done this I will talk with you.

Is this satisfactory?

Mr. W. N. Ridge
