J. Keiley
Pullman Company
Chicago, Ill.

dear Mr. Keiley:

Thank you for your letter of June 15,

with enclosures.

I don't wonder that you are exasperated by the letters. I have had quite a lively correspondence myself and so has the Delineator. I don't know what can be done about it, if anything; but I shall be glad to talk the matter over with you. I cannot, for the life of me, see how anyone reading what I wrote would suppose that I meant that this was the chronic condition of Pullman cars. Aren't people wonderful! At all events, I shall hope to see you in New York.

Sincerely yours
