October 5, 1918.

Miss Ida Tarbell,
c/o Woman's Committee,
Council of National Defense,
Washington, D. C.

Dear Miss Tarbell:-

I presume you are aware of the ravishes of Spanish influenza in the East, and nearly all of the assemblies have been called off. One of these, the State Teacher's Association, of Vermont, which was to have been held at Burlington, on which you were booked, has been postponed until November 6, 7 and 8, and you are wanted there on the afternoon of November 8. Will you be good enough, therefore, to write us, saying that this is possible with your other plans.

We shall keep you in mind on all matters of this kind. Have you gotten definite instructions from our Syracuse office? I thought I would start this information and get it to them, so in writing, if you would kindly answer this here and send carbon copy to our Syracuse office, 314 First National Bank Bldg., I would appreciate it very much.

Very truly yours,

Arthur C. Coit
President.
