In view of authoritative information from the Board of Trustees, the Board of Directors of the Alumni Association passed the following resolution: "That the secretary be authorized to call for nominations for two trustees for the term expiring January, 1930, in addition to the number called for in the Call for Nominations dated January 15 and published in The Campus of February 11."

The revised call reads:

In pursuance of the plan for the selection of Alumni Trustees, a call is now issued for the nomination of candidates to be voted on at the election to be held June 15, 1925.

Two for four years from January, 1926, to make the full quota allowed by the Charter and By-Laws.

One for three years to fill the vacancy caused by the election of Miss Ida M. Tarbell to the general trustees.

One for two years to fill the vacancy caused by the election of J. R. Mills to the general trustees.

One for two years to fill the vacancy caused by the election of A. A. Culbertson to the general trustees.

BISHOP SMITH TO SPEAK AT STONE CHURCH SUNDAY

ALLEGHENY ALUMNUS TO FEATURE COLLEGE NIGHT PROGRAM

"Stone Church and Allegheny College" is the theme of the service for Sunday evening, March 8, of the Centennial Exercises of Stone Church and the dedication of Thoburn Chapel to be held at the Stone Church. President-Emeritus Crawford will preside and the address of the evening will be given by Bishop Harry Lester Smith, of Helena, Montana.

Bishop Smith was graduated from Allegheny in '04. His energy, resourcefulness, and power as a speaker soon gave him a prominent place in the Methodist ministry. He served churches at Bellevue, Pa., Delaware Avenue Church in Buffalo, and Central Church, Detroit. From this last place he was elected bishop in 1920 and assigned to Bangalore, India. At the General Conference of 1924 he was transferred to the Helena area. He is remembered by those who were in college with him for his untiring energy, his unfailing good humor, his qualities of leadership, as well as high scholarship and hearty support of all college activities. He was manager of one of the famous Allegheny basketball teams and a tireless rooter at all athletic contests. Bishop Smith is one of the famous trio of Allegheny bishops, the other two being Bishop Locke of Minneapolis and Bishop Mitchell of Manilla.

At this service the combined glee clubs will sing.

It is the request of the faculty that all students attend these services, especially the one in the evening of March 8.

PHILO-FRANKLIN CONTEST POSTPONED UNTIL APRIL

PAGEANT AND FRESHMEN DEBATES MAKE CHANGE NECESSARY

Owing to the fact that the centennial pageant of the Stone Church is to be presented tonight and tomorrow evening, the date of the annual Philo-Franklin Forum contest, which was originally scheduled for tomorrow night, has been postponed to Thursday, April 16. It was necessary to set the date after the Easter vacation, because of other forensic activities which take place during March.

Subjects for the orations are chosen by the contestants, and the contest is open to all members of the Philo-Franklin Forum. The five men who so far have entered the contest are John M. Pratt, '25, E. Alxander Hill, '26, Clarence F. Avey, '27, Edwin J. McKay, '27, and Joseph Lopushansky, '28.

News has been received of the death of the wife of Frank E. Baker, '05, principal of the Milwaukee State Normal School, on February 14, at Milwaukee. Mrs. Baker was quite well known in Meadville during her residence in Edinboro, while Mr. Baker was principal of the Edinboro State Normal School. Interment was near Troy, N. Y.

BLUE AND GOLD DEFEATS ALUMNI QUINTET, 25-24

GRADUATE TEAM FEATURES GAME WITH BRILLIANT SHOOTING

In a game which was replete with sensational shots, Allegheny won from the Alumni Saturday, February 28, in the last minute of play by the score of 25-24. It was largely due to the work of Joey Thompson, diminutive forward, that the varsity kept in the running. He was substituted for Yengst at the beginning of the second half and in this period scored four field goals—his last coming at the end of the game with the Alumni, one point ahead. The work of Cibula and Rhodes at guards was exceptional. In fact, if it had not been for the deadly shooting of the Alumni from the center of the floor they would have been left far behind.

The game started with the Alumni shooting the ball in from all angles. The varsity was unable to get started until the second half. The first period ended 12-9 with the varsity on the short end. During the last half the crowd was kept in a constant uproar. First one team and then the other would score and the difference never

SOLDIER AND LECTURER TO SPEAK HERE MARCH 11

TOM SKEYHILL TO COME HERE AS SECOND NUMBER OF Y COURSE

Tom Skeyhill, famous traveler, lecturer, and student of world affairs, will visit the College Wednesday, March 11, as the second number of the Y. M. C. A. Lecture Course. He will probably address the student body and town people in Ford Memorial Chapel, at a time to be announced in next week's Campus.

This young Australian went through the Hell of the recent war at the Dardanelles and came out of the conflict stone-blind. For two years he lived in unfathomable darkness a thousand times worse than the darkness of night, and suddenly he recovered his sight through the skill of a Washington specialist. During these two years of blindness, Skeyhill was not inactive, but "carried on" in war service work on the platform, and became a famous speaker.

With the restlessness of the soldier, Skeyhill returned to Europe in the winter of 1920 to visit Russia and study its chaos. He was refused a passport at New York City by the then Soviet Ambassador Martens, but after "running the lines" to get in, he visited the principal cities of Russia on a forged passport.

He studied Bolshevism first hand. He talked with the leaders of the present regime, and the old school as well. With his characteristic soldier spirit, he got just what he went after and brought home the subject matter for his lecture, "Soviet Russia Today," which won for him new fame as a lecturer.

In the fall of 1922 Mr. Skeyhill again visited Europe, gathering in the latest facts on conditions which he compiled and gave in a new lecture, "The New Renaissance of European Civilization."

The young lecturer is bringing to Allegheny a first hand knowledge of European and Asiatic problems which are so vital today. This major theme is a great spiritual message for the youth of the world, calling upon them to rise up and throw down the old war mongers and the reactionaries who are imperiling this civilization.

CHRISTIAN CITIZENSHIP IS TOPIC AT WOMEN'S BIBLE CLASS ON SUNDAY

"Imagine what a college community would be like if for one day every one were to practice true Christian Citizenship," was the keynote of Mrs. Emig's message to the College Women's Bible Class for March 1. Using Paul's message to the world, Mrs. Emig showed that in order to get this Christian citizenship, reverence and respect for oneself, and respect for one's neighbor, were essential. Every chance to strengthen the character should be taken and virtue should always be substituted for evil.

Next Sunday the class will hold its meeting in Ford Chapel instead of at Stone Church.

FAMOUS PASTOR TO BE VISITOR MARCH 17-18-19

DR. HENRY CRANE RECEIVES RECOMMENDATION FROM FORMER PROFESSOR

Dr. Henry Crane, pastor of the Central Methodist Church of Malden, Mass., is coming to Allegheny Tuesday, March 17, under the auspices of the Y. M. and Y. W. C. A., to speak to the student body and be interviewed by individuals. He will remain here until Friday, March 20.

Preparations are being made for his arrival by the holding of prayer groups in each fraternity house every morning this week. Next week meetings will be held each morning in the Y. M. C. A. rooms in Cochran Hall.

The primary purpose of Dr. Crane's visit here is to meet and talk to the students, both as a group and as individuals. He has had unlimited experience in all phases of life.

Dr. C. F. Littell, associate professor in the history department here last year, and professor of Political Science at Cornell College at the present time, said of Dr. Crane in a recent letter: "I want to congratulate you at the College for the wonderful treat that is coming to you from Henry Crane. He visited us for a week in December and he gripped the student body in wonderful fashion. I do not think he is second to Sherwood Eddy himself, and he has a very pleasant personality. The best work of all that he did here was with his interviews with the men, and he was busy day and night."

Doctor Crane will not confine his interviews to the men only during his visit here, but will be glad to meet and talk to the young women of the College as well.

DEBATE TEAM TO MEET WOOSTER AND OBERLIN

VARSITY DEBATERS TO PARTICIPATE IN TRIANGULAR MEETS ON MARCH 14

With one affirmative and one negative victory to its credit, Allegheny's debating team enters its second debate, a triangular meet, with Oberlin and Wooster Colleges on Thursday evening, March 14. Oberlin's negative team comes to Allegheny; Allegheny's negative team travels to Wooster, and Wooster's negative debates at Oberlin.

The question will be the same one on which Allegheny defeated Western Reserve so decisively, "Resolved, That the United States should ratify the Geneva Protocol for the pacific settlement of international disputes." In former triangular debates in which Oberlin and Wooster have participated this year, the affirmative side of this question has won in every instance.

In triangular debates with these two schools during the past six years, Allegheny teams have always made a good showing. With the two victories over Western Reserve to its credit the Allegheny teams stand a very good chance to add two more to their list.

No judges have yet been selected; they will, however, probably be announced in next week's issue of The Campus.

Glee Club Opens Activities By Concert at Conneaut Lake

With a concert at Conneaut Lake tonight, the Men's Glee Club resumes activities for the second semester. Many more concerts are on the program between now and Easter.

Next Sunday evening the Men's Club will sing at the Old Stone Church. This is a part of the program being conducted by the church in observance of its centennial anniversary. Combined with the Men's Club at this concert will be the Women's Glee Club who will join with the men in several numbers. Each club will also sing several numbers individually. Both groups have been practicing on the program for this concert for the past three weeks.

Prayer circles in each fraternity house and Cochran Hall are to take the place of the regular Y. M. C. A. meeting this week.

BLUE AND GOLD AGAIN LOSES TO CRIMSON IN CLOSE CONTEST

Final Score Is 31-25—Early Lead of Grove City Disastrous For Alleghe

Losing out again through failure to stop the first period attack of the Crimson team, Allegheny dropped its second contest of the year to Grove City when the two teams met on the Grove City floor, Friday, February 27. The final score was 31-25. The flashy playing of Fleming and Stevens during the first five minutes of the game put the Blue and Gold far in arrears, and although they outplayed the Grovers in the second half, Coach Baker's men were unable to overcome the early lead.

It seemed that the game would end in an easy victory for Grove City when the first half was finished, for Allegheny had gained only six points while the Crimson had amassed three times that many, giving them a comfortable lead of 18-6.

But with the exception of the brilliant playing of Rose, who scored several baskets in rapid succession, Grove City was completely outplayed during all of the last half, and the Allegheny score soon mounted to a point dangerously near that of their opponents.

Cibula, Ross, and Yengst started the last period with some pretty offensive work which netted each a foul goal, and a foul by Judd ran the Allegheny total up to thirteen, only six points behind Grove City, who had succeeded in getting only one free throw while the speedy Blue and Gold offensive was underway. The teams then played on even terms for about a quarter, but, although Allegheny drew close several times, they were never able to tie up the game, with the result that Grove City still had a six-point lead when the final whistle blew.

Yengst, who entered the game at the beginning of the second half, played well, displaying a clever floor game, and Ross led the scoring with four field goals. For Grove City, Fleming, Stephens, and Rose, as usual, led the attack.

The score:

Allegheny 25.		Grove City 31
Ross	F	Stephens
Thompson	F	Fleming
Judd	C	Sweet
Rhodes	G	Rose
Cibula	G	Pilette

Substitutions: Allegheny—Yengst for Thompson; Grove City—Fay for Sweet.

Field goals: Ross 4, Judd 2, Cibula 2, Rhodes, Yengst, Rose 4, Fleming 3, Stephens 2, Pilette 2, Sweet. Fouls: Allegheny 5, Grove City 7.

Time of Periods: Two twenty minute halves.

Referee, Bolster.

CHAPEL SPEAKER DISCUSSES NECESSARY CHARACTERISTICS

J. W. ELLIOTT SPEAKS TO STUDENTS ON REQUISITES OF EDUCATION

Rev. J. W. Elliott, general secretary of the state student educational division of the Baptist church, spoke to the students at the Chapel exercises on Saturday, February 28, on the knowledge, power, and control that students in college should have. Reverend Elliott is traveling about the state aiding the young people's societies of the Baptist church, helping those who are preparing for the ministry, and talking to the students of various colleges in an effort to uplift the moral standards.

Reverend Elliott began by saying that students usually come to college to receive three things: First, they come to acquire the knowledge of a subject; second, they come to get power behind the knowledge, and, third, they come to seek a control on life after they have acquired knowledge and power. He related several incidents to show that although people had knowledge and power of a subject, they were helpless without the controlling force behind the knowledge and power to help them in their life's problems and temptations. He ended by saying that people usually had enthusiasm and power, and that control could easily be obtained by linking knowledge with Jesus Christ so that they would do the right thing at the right time.

KAPPA PHI KAPPA HOLDS INITIATION AND BANQUET

PROMINENT ALUMNUS EDUCATOR ADDRESSES PROFESSIONAL EDUCATION FRATERNITY

Twelve new members were initiated into Kappa Phi Kappa, professional educational fraternity, last Friday and Saturday. Following the initiation a banquet was given at the Lafayette Hotel for the heads of the various departments, their wives, and the lady friends of the members. Dr. F. S. Breed, '98, of the University of Chicago, gave the address.

Those initiated are Richard L. Beyer, '26, L. L. Blodgett, '26, C. H. Gensen, Floyd Peters, '26, Maurice Kolpien, '26, M. A. Mook, '25, R. L. Kingensmith, '23, and Herbert Baum, '25. and H. D. Leberman, '22, and Principal L. C. Dundon, '22, the latter two of Meadville High School. Dr. C. F. Ross and Dr. W. A. Elliott were initiated as alumni members.

DEAN WREN STALEY AND DR. F. G. HENKE ATTEND EDUCATION CONVENTION

Dean Wren Staley and Dr. F. G. Henke spent the first three days of last week at a convention of the National Education Association, held at Cincinnati, Ohio. Approximately 12,000 people attended the convention. An interesting feature was an Allegheny breakfast, which was attended by about fifteen Allegnenians. Miss Staley was enrolled in the Department of Deans of Women and Dr. Henke attended the Department of Superintendence.

LIBRARY RECEIVES GIFT FROM COLLEGE TRUSTEE

W. S. TWINING MAKES PRESENT OF OIL PAINTINGS AND BUSTS

Two valuable oil paintings and two busts were received last week by the College Library, the gift of William S. Twining of Philadelphia, Pa. Mr. Twining is an alumni trustee of the College.

The one painting, Autumn, is a landscape scene of intrinsic beauty; the other, The Quarry, is a very vivid representation of the type of quarry which one found at the time of the painting. These paintings are two of Mr. C. H. Shearer's most skillful work, both appearing in 1886.

The two busts, Jeanne D'Arc and Beatrice, are by Professor G. Besji.

The new gifts will be placed in the main rooms of the library as soon as suitable places are found for them.

Freshmen Debaters to Meet Ohio Wesleyan and Penn State

Two debates have been arranged for the Allegheny freshmen team, the first with the Ohio Wesleyan freshmen, on Thursday, March 26, and the second with the Penn State freshmen, on Tuesday, March 31. The Allegheny debaters will defend the affirmative side of both debates, on the question: "Resolved, That capital punishment should be abolished."

It is probable that one expert judge will officiate instead of the customary three at each debate. Both the Ohio Wesleyan and Penn State teams will be met at home.

The debaters have read widely on the question and are practicing frequently for the coming meets. With several weeks left for further preparation, some good material will be ready for presentation.

ALLEGHENY AND THE STONE CHURCH CENTENNIAL

Because of the close connection between Allegheny and the Stone Church during the past ninety-two years, the centennial celebration that the church is holding this week is of special significance to the students and alumni of the College. Ever since 1833, when the College came under the direction of the Methodist Church, have these two institutions worked hand-in-hand for Christian education.

One of the important features of the program, the dedication of Thoburn Chapel, named in memory of Allegheny's prominent alumnus and Methodism's famous bishop, forms another bond between the church and the College. Bishop James M. Thoburn was a member of the class of 1857 and a loyal Alleghenian until his death, a few years ago.

Several prominent alumni, many students, and faculty members play important parts in the program for the week. Alleghenians are playing conspicuous parts in the staging of the pageant, which is probably the outstanding event of the celebration. Next Sunday is turned over to the College, a significant recognition of Allegheny's part in the history of the Old Stone Church.

At this time we wish the Stone Church the greatest success for its centennial celebration, and, also, urge all students to take a real interest in it, for the church is almost as much a part of Allegheny life as Old Bentley itself.

CHAPEL AGAIN

Last semester The Campus pointed out, through these columns, that the ordinary chapel services were uninteresting and did not constitute a very vital part of the College program. And with a view to improving the form of service, The Campus proposed that certain changes be made in accordance with a plan suggested by an alumnus and former faculty member. The suggestion elicited an immediate response, and for a short time the exercises were greatly improved. Soon, however, they slipped back into the ordinary, lifeless routine of more or less perfunctory speeches of varying quality, and now they are no different from before.

Last week an alumnus who has achieved prominence in the field of education visited the College, and attended Chapel. He was very unfavorably impressed with the exercises, and he proposes another change. Instead of having the faculty conduct all the services, he would have the students take part also. He suggested that classes from the several departments might give a demonstration of some particularly interesting phase of their work, or that the extra-curricular clubs might furnish some instructive and interesting programs. For instance, the History and Political Science Club could occasionally conduct a valuable discussion of current political problems; other clubs could likewise present something from their own particular field of activity.

Certainly the question merits more serious consideration than it has received, and these suggestions coming from alumni should not be disregarded.

WOMEN ORGANIZE INTER-FRATERNITY BASKETBALL LEAGUE

A Women's Inter-fraternity Basketball Tournament is about to be enacted with a silver flower basket as the championship trophy. The captains for the various teams have been chosen, and several practices have already been held. A freshmen team has also been organized, which will meet the Sextette from the Odd Fellow's Home on Friday, March 6. The strong freshman aggregation has already won out in two games with the Sophomores and the Alpha Chi Omegas respectively.

It is desired that all girls who can and will play basketball report for practice with the various fraternities on Wednesdays at 3:45.

PHILADELPHIA ALUMNI PLAN BANQUET TO BE GIVEN EARLY IN MAY

Philadelphia's next Allegheny alumni banquet is scheduled for early in May. Dr. Ernest Hall, '13, of Drexel Institute, as the president of the organization, and Dr. C. A. Copeland, '11, as secretary-treasurer, are formulating definite plans for a bigger and better banquet than has been held in the past. No announcement of the guest speaker from Allegheny has as yet been made.

Miss Edna C. McCabe, '19, received the degree of Master of Arts from Columbia University in February of this year. Miss McCabe is at present an instructor of French in Westminster College, New Wilmington, Pa.

ALUMNUS STOPS IN MEADVILLE ON WAY TO BAPTIST CONVENTION

Dr. Fred E. Stockton, '04, of Grand Forks, North Dakota, a former Meadville resident, visited his father, C. J. Stockton, the last week in January. Dr. Stockton was on his way to the North Baptist Convention at Washington, D. C., where he made the presentation speech for an oil portrait of Elijah Stites Terry, the first Baptist and also the first Protestant missionary in Dakota Territory. He was a religious pioneer whose work and influence have been recognized as of historical value. Dr. Stockton was chosen to present the memorial to Mr. Terry in Immanuel Baptist Church. Dr. Stockton was a delegate to the Foreign Missions Convention held in Washington the last of January. Bishop H. L. Smith, '04, of Helena, Montana, was also present at this convention.

CHRISTIAN SERVICE IS TOPIC OF DISCUSSION AT OXFORD CLUB

Christian service in fields other than the ministry was the topic of discussion at the regular meeting of the Oxford Club held in the French Seminar room of the Library last Thursday evening. Prof. L. D. McLean and Miss Vera Richards were the principal speakers.

BOWLING RESULTS

Results of last week's games are as follows:

Phi Kappa Psi won three games from Beta Upsilon.

Faculty won three games from Sigma Alpha Epsilon.

Phi Alpha Kappa won three games from Phi Delta Theta.

TRACK MEN PRACTICE FOR COMING CONTEST

MID-WINTER MEET TO BE HELD MARCH 20 AND 21

Pre-season track training is now being conducted in preparation for the annual mid-winter meet which is to be held during the latter part of March. A fairly large group of candidates report to Coach Hammett each afternoon for instruction and practice.

Finals in the Shot Put, Pole Vault, High Jump, Springboard Jump, Hurdles, and Potato Race, will be held on the afternoons of March 20 and 21, at which time the champion basketball teams of Buffalo, Cleveland, Erie and Pittsburgh will be here for the fifth Annual Tri-State Inter-City Basketball Championships.

The preliminary in the 880 yard run will be held on Monday, March 9. On the following Friday, the preliminary of the 440 yard race will be held.

Two good trips have been arranged for the track team this season, one at Pittsburgh with Carnegie Tech, the other at Rochester, N. Y., with the University of Rochester. Allegheny nosed out Rochester in a track meet held on the Buffalo field by the margin of a single point, two years ago. Rochester is stronger than ever this year, and at the present time the prospect of a winning Blue and Gold team is unusually bright.

Men's Bible Class Discusses Religion and Social Classes

At the weekly meeting of the Men's Bible Class, held last Sunday, March 1, in the Oratory of Ford Memorial Chapel, Dr. C. A. Darling presented as the subject for discussion a comparison between the classes that were attracted to Jesus in His time, and the classes that are attracted to the church today.

Dr. Darling first showed how the poorer classes were attracted to Jesus in His time. The higher class were more or less disappointed in Jesus because He failed to provide a great earthly kingdom in which they would live an easy life and have Jesus as their king. Doctor Darling then said that today the attraction seems to be the opposite, and especially in America among the Protestant churches. The higher and middle classes are attracted to the churches, and the poorer class of people who are unfortunate and in need know little or nothing concerning the life of Jesus and His teachings. Doctor Darling went on to ask whether it was the fault of the churches that this distinction was made or whether it was for some other reason.

MANY ALLEGHENIANS ATTEND EDUCATION MEETING IN CINCINNATI

DRAMATIC CLUBS COMBINE AND ELECT OFFICERS FOR THE YEAR

For the purpose of reviving an interest in dramatics at Allegheny a joint meeting of the Duzer Du Dramatic Club and the Klee-o-Kleet Dramatic Club was held during the past week.

The two clubs decided to combine their organizations; a constitution was adopted and a committee was appointed to select a suitable name for the new club. The following officers were elected: J. Wesley Morrissey, president; Reba Jeannerat, vice president; M. Lawrence Judd, treasurer; and Virginia DeBolt, secretary.

A committee was alos appointed to select a play suitable for the club which can yet be produced this year. In the future the club will try to produce one play each semester.

ALLEGHENY PASSERS TO MEET THIEL AND JUNIATA TEAMS

McClurg Out For Season—Waynesburg to Play Here March 11

Allegheny's quintet will play half of their remaining games during the remainder of this week, meeting Thiel at Greenville on Friday night and Juniata on the local floor Saturday evening.

After a successful start in this season's floor campaign, the Thiel five has had a very disastrous season. The team consisted of almost the same personnel as their successful aggregation of last year, men who were individually rated as first class players. However, as the season got well under way, the quintet had some hard luck and started in on a losing streak. Christman, star forward and considered to be one of the best floormen in this district, left school to play professional ball. Thus matters went from bad to worse for the Greenville outfit until at the present time they are enjoying a losing streak which already numbers up to twelve consecutive defeats.

The Allegheny team has also had its share of hard luck this season. With Wolf dropped from school after the mid-term exams, and with McClurg out for the remainder of the season due to an injured knee, the Blue and Gold five is not nearly as strong as at the start of the year. However, with Rhodes and Thompson coming through in fine style, Allegheny should have little to fear when they line up against Thiel on Friday. Earlier in the season Allegheny overwhelmed Thiel on the local floor with a 32-10 victory.

On the following night, Saturday, Juniata will provide the opposition for the Meadville team. This season the Juniata team has had a fairly good record. Last year this team took the Blue and Gold passers by surprise in the home game and when the first half ended were leading by a margin of nine points. The Allegheny team overcame this lead with difficulty and won the game in the last few minutes of play. Next to the Grove City game, this one was considered the most spectacular contest of last season. The probable result of this game is difficult to judge due to the fact that both teams have an entirely different set of teams on their schedules.

On next Wednesday, March 11, Waynesburg's fast quintet will make their appearance on the local floor. The Yellow Jackets have one of the best teams in this part of the state, and are sure to give Coach Baker's men a strenuous battle. Waynesburg at present is among the leaders in the race for the Tri-State Conference title.

JUNIORS AND SOPHOMORES WIN IN CLASS CONTESTS

BOTH TEAMS UPSET DOPE BY BEATING FROSH AND SENIORS

In the fifth round of the Inter-Class Basketball Tournament, played Saturday, February 28, the Juniors and Sophomores, both of whom were predicted to lose their games, upset all the dope and came through with victories over the Freshmen, who had not yet lost a game, and the Seniors. The score of the second game, between the Juniors and Freshmen, was 19-16, in favor of the upperclassmen, and that of the first game was 28-13, with the Sophomores on the long end.

OIL CITY SWIMMERS TAKE OVER ALLEGHENY

HILL STARS FOR BLUE AND GOLD —SCORE IS 32½ TO 26½

The Oil City Y. M. C. A. swimmers defeated Allegheny at Oil City last Wednesday night, 32½ to 26½, in a meet which was much more closely contested than the score would indicate. Oil City was especially strong in the dashes, perhaps due to the fact that Curtis, Allegheny's sprint swimmer, is suffering with a broken ankle and could not swim at Oil City.

Allegheny seemed to have things her own way in the breast stroke, the diving and the plunge. The last event of the meet, the 220 yard free style, was cancelled due to the tired condition of the Oil City men. Allegheny has two men who specialize in this event and who could probably have taken enough points in this to make the score much closer. Hipwell was the star of the Oil City team and high point man of the meet. Hill starred for Allegheny.

Summary:

Relay—first, Oil City (Shoemaker, Whitehill, Vickers, Hipwell); time, 1 min. 25 seconds.

40 yd. Breast stroke—first, Hill (A.), second, Greenwood (A.), third, Vickers (O. C.); time, 31 seconds.

Plunge—first, Merrill (A.), second, Stick (O. C.), third, tie, Hill (A.) and Vickers (O. C.); distance, 58 feet.

100 yd. free style—first, Hipwell (O. C.), second, Vickers (O. C.), third, Hill (A.); time, 1 min. 32-5 seconds.

40 yd. free style—first, Hipwell (O. C.), second, Vickers (O. C.), third, Taft (A.); time, 22 seconds.

Diving—first, Slocum (A.), second, tie, Hartman (A.) and Kistler (O. C.).

40 yd. back stroke—first, Hipwell (O. C.), second, Hill (A.), third, Slocum (A.); time, 28 seconds.

220 yd. free style—no swim.

Total points: Oil City Y. M. C. A., 32½; Allegheny, 26½.

FIRST ROUND OF VOLLEY BALL MATCHES PLAYED

PHI DELTS, PHI ALPHA KAPPAS, AND NON-FRATERNITY ARE WINNERS

Despite the fact that none of the teams had practiced beforehand and that many of the players had never before participated in a real volley-ball game, the first matches of the inter-fraternity volley ball tournament, played Thursday, February 26, in the College gymnasium, proved interesting throughout. Three games were played, and one was called off because the two scheduled teams failed to appear.

In the first match of the evening, Phi Delta Theta defeated Beta Upsilon by a 21-6 score. The winners displayed considerable ability and were never in danger after the first few minutes of play. Sigma Alpha Epsilon started out well in the second game against Phi Alpha Kappa, and appeared to be easy victors, but the latter team came from behind and won, 21-6, the same score as the first match.

Phi Gamma Delta and Delta Tau Delta were scheduled to play in the third match, but the game was postponed when both teams failed to put in their appearance. It will be played off as a preliminary in the second round. The Non-Fraternity team defeated Phi Kappa Psi in the last contest by a 21-8 score. Alpha Chi Rho drew a bye, and will meet one of the above-named winners in the finals. The second round, which decided the championship, was played last night.

Four Double-Barreled Reason
Why You Should Buy Life Insurance

FIRST:
(a) You have the advantage of the younger rate. The rate at age 20 is about one-half that of age 40. It does not increase after you have started.
(b) Money without health cannot buy insurance. If health is yours now, capitalize it at once.

SECOND:
(a) If you are not married, insurance will be absolutely necessary when you become a benedict.
(b) You create an estate immediately with the first payment.

THIRD:
(a) Insurance helps you to form the habit of saving, thus strengthening your character. Thrift makes for success.
(b) Insurance will make you independent in old age when 11 out of 13 men have to live on charity.

FOURTH:
