New York City.

My dear Miss Tarbell:-

Your letter relative to the publication of Lincoln material is before me. I appreciate your interest in assisting me to try and find a suitable market for the same.

The Mc Clure's suggestion appeals to me,and I would thank you for calling to their attention the Kentucky findings. If Collier's would care for a three thousand word paper,in case Mc Clure's is not interested,it might not be to my disadvantage to present a discussion,and I am sure that it would be to their advantage to publish at least one document which I have found,befor any other paper should put it in print.

Before taking any further step in submitting material,I shall wait to learn the outcome of your interview with Mr.Mc Clure.

Most sincerely yours,

Louis A. Warren

P.S. I have ordered the Standard Printing Co.of Louisville to forward your order for the "Louisville Lincoln Loop" booklets . They are now ready for distribution.
