NEW YORK

Sept. 2, 1909.

Dear Miss Tarbell:-

Here is the paper I have drawn for Doubleday Page & Co., McClure & Co. et al. to sign - Also copy of letter drafted to them ready to send - Do you think of anything more? I judge from the fact that M.Y. & Co. have paid Doubleday that they have obtained the books, sheets, and plates -

Bayden is sending you the draft contract with M.Y. & Co. which I mailed you yesterday -

I am off to argue a matter at Oneida tomorrow and will be back Tuesday morning when I hope to hear from you -

Sincerely

Selden Bacon -

Miss Ida M. Tarbell,
