

TAYLOR SOCIETY

A SOCIETY TO PROMOTE THE SCIENCE AND THE
ART OF ADMINISTRATION AND OF MANAGEMENT

29 WEST 30TH STREET
NEW YORK

April nineteen
1 9 2 2

Dear Miss Tarbell;

Mr. Person is absent from the city and has asked me to look up the matter of your subscription to the Membership Campaign, and advise you in the matter. I am enclosing a copy of the pledge which you signed, which you will note covers two years.

Mr. Person regretted very much your inability to attend the Philadelphia meeting. The general consensus of opinion seems to be that it was one of the best, if not the best meeting the Society has held.

Sincerely yours,

Bessie M. Taylor

Secretary to
Managing Director.

Ida M. Tarbell,
120 East 19th St.,
New York City.
