MISS SARAH A. TARBELL

BETHEL, CONN.

R. D. 1 Dec. 14th 1940

Dear Miss Rowley! - Please
forgive my long delay in writing
to you - I was so interested to learn
that Bobo received so many
nice cards for his birthday -
I heard - Oh such a grand
birthday - heaps of flowers, letters
etc, also the nurses Post-office
made a Fuss - marching in
and singing "Happy Birthday" to
him with a cake - I was afraid
all the excitement, being Election
too, would be too much for
him, but the flood of mail
like so settling up and trying
his legs a bit and expects to
come to his house next -

MISS SARAH A. TARBELL
BETHEL, CONN.
R. D. 1

Aunt — Oh Lovelies Place
Committee room on first
floor; library, kitchen and
bath, so no stairs to
climb — I am sending you
a very recent photograph
of Ida, taken on Tuesday,
Dr Jones she said to give
you one — I am very glad
to hear — I regret to say
I she wanted the one you
have returned or not — Rather
do it unless you have your
own — I do not know the
photographer but she may —

Cordially,
Sarah Tarbell
