FINAL TITLE ANNOUNCED FOR POLY SCI CONTEST

SUBJECT FOR McNEES PRIZE IS "OBLIGATIONS FOR POLITICAL PARTY MEMBERSHIP"

"The Obligations of Political Party Membership" is the final title selected by Sterling G. McNeess, '09, for the Political Science Prize Essay Contest of which he is sponsor.

The contest is open to all students of Allegheny. The best two thousand word essay on the above subject will receive the twenty-five dollar prize offered to the Political Science Department by May 13.

The rules governing the contest are as follows:

- 1. The contest is open to all students of Allegheny College.
2. Judges—To be selected later.
3. Title: "The Obligation of Political Party Membership."
4. Prize: \$25.00.
5. Papers Due: Wednesday, May 13, 1925.
6. General Problem: Is a voter under obligation to vote for the candidates of his political party, in whose primary he has participated, whether or no the ticket was the one he wished to support at the primary? If not obligated, may he vote another party ticket, or should he refrain from voting? In any case, WHY?

General Rules: 1. Papers should be about two thousand words in length, though there is no absolute limit to length. 2. Papers should be typewritten or neatly handwritten upon paper 8 1/2 by 11 inches in size. 3. Each paper must be signed with a nom-de-plume. The name of the

NEW COLLEGE CATALOGUE CONTAINS FEW CHANGES

ANNUAL REGISTER IS READY FOR DISTRIBUTION AT REGISTRAR'S OFFICE

Announcing very few changes and no new courses except in the Public Speaking Department, the new College Catalogue for the year 1925 is off of the press and is ready for distribution at the Registrar's Office.

As announced by Dr. J. R. Schultz, who had charge of the publication, "This year's catalogue is unusually normal." Because of the death of the late President Hixson and the consequent vacancy of the President's chair, no major changes are to be made until that office has been filled.

The two new courses in Public Speaking are to be known as Public Speaking III and Public Speaking IV. Public Speaking III is to be a two hour course throughout the year, and will consist of interpretive reading. Public Speaking IV will also be a two hour course throughout the year. This will be a course in dramatic art. Several short plays will probably be presented by the class in conjunction with this course.

This catalogue does not mention the senior thesis as a requirement for graduation. This is in accordance with the vote of the faculty last fall to abolish this requirement, because very little good was derived from it.

The music fee of fifty cents a semester is also noted in the book. This fee is paid as a part of the registration bill each semester and is the result of the desire of the student body, expressed last spring, to maintain the glee clubs and band by general assessment. A fee of \$15.00 has been placed on the course in Practice Teaching. This is to partially cover the transportation to Edinboro Normal School of those taking this course.

FRATERNITIES NOMINATE CANDIDATES FOR SENATE

DATE OF GENERAL ELECTION NOT DECIDED—TO BE HELD SOON

Nominations for new officers of the Men's Student Senate were made at a meeting of each fraternity on Monday, May 4. The general election will probably be held next week, although no definite regulations have been decided upon as yet.

Each fraternity has placed three candidates on the ballot for office. At the election students will vote for one nominee out of each fraternity group. An announcement will be made later as to the date set for the election.

The following are those named from their respective fraternities: W. E. Doide, H. E. Milliken, and C. T. Severn, Phi Kappa Psi; E. C. Dehne, C. A. Dahl, and Karl Riemer, Phi Gamma Delta; R. K. Evans, H. H. Hobaugh, and W. L. Davis, Delta Tau Delta; E. A. Hill, J. H. Blower, and A. H. Bartlett, Phi Delta Theta; E. A. Humeaton, J. V. Hanlon, and H. P. Taylor, Sigma Alpha Epsilon; H. L. Morrison, F. A. Parnell, and J. L. Reynolds, Alpha Chi Rho; R. O. Barber, W. M. Babcock, and T. S. Bogardus, Beta Upsilon. Phi Alpha Kappa has not nominated its candidates at this time.

LARGE AUDIENCE HEARS READING OF SHAW'S PLAY, "ST. JOAN"

Mrs. Bertha Kuntz-Baker gave a reading of Bernard Shaw's play, "St. Joan," in Ford Chapel last Monday evening, May 4, at eight o'clock. A large audience was in attendance and before reading the play Mrs. Kuntz-Baker made some introductory statements concerning the drama in general, many of which are made to appeal to the eye, but some of them, including "St. Joan," are made to appeal to the mind and to the spirit.

Then she pictured the conditions in France at the time of the play. "St. Joan" portrays the life of Joan d'Arc when she led the French armies against the English, and at the time of her trial and execution, after having been captured by the English. The appearance of Mrs. Kuntz-Baker was made possible by the Sturtevant Memorial Foundation.

Mr. and Mrs. Milo M. Mook, ex-'25, of Fairport, Ill., announce the birth of a son, Reed Nelson, on April 27.

MEN'S GLEE CLUB GIVES ANNUAL HOME CONCERT

MEN SINGERS FINISH SUCCESSFUL SEASON LAST NIGHT IN CHAPEL

Before a fair-sized audience of College students and townspeople last night in Ford Memorial Chapel the Men's Glee Club of Allegheny gave their annual home concert.

This concert marked the end of the 1924-25 season, which has been one of the most successful in recent years for the club. Eight concerts have been given in the following places: Fredonia, N. Y., Warren, Corry, Pleasantville, Oil City, Franklin, Conneautville, and Saegertown, Pa. The success of this year's club is due to the untiring efforts of Prof. Lee Hess Barnes coupled with the perseverance of the men composing the club.

In the concert last night each number called forth hearty applause. The solo numbers by Mr. Baker, Mr. Poister, and Mr. Behrhorst, together with readings by C. B. Hartman and the selections by the Quartet, were the most popular ones with the audience. The program rendered is as follows.

PRESENTATION OF PLAY POSTPONED UNTIL FALL

COMBINED DRAMATIC CLUBS DECIDE TO GIVE UP PLANS FOR ACTIVITY THIS SPRING

Owing to a limited period of time and the fact that students are now busily engaged in various activities, it has been decided to postpone the play which was to be given this spring by the combined dramatic clubs, Duzer Du and Klee-o-Kleet, until next fall.

The original plan was to present the play some time before the spring examinations, but as it is only a few weeks until that date and with baseball and spring parties taking up the greater part of the students' leisure hours, the committee concluded that the remaining time for tryouts and preparation would be inadequate.

However, the clubs are making arrangements now for the presentation of a play next fall. A number of plays have been looked over carefully, and it is probable that "Intimate Strangers," a three-act comedy by Booth Tarkington which was selected to be presented this spring, will be given. Tryouts will be held shortly after the opening of the fall term and work will commence at once.

Mrs. Leslie Peck (Ruth Smith, ex-'25), with her daughter Nancy Ann, is visiting her parents in Meadville for a short time.

ALLEGHENY TRACK MEN DEFEAT TECH IN CLOSE CONTEST, 66-60

Result Disputed by Losers Who Claim Nine Points For Hammer Throw

Breaking even in the track events and scoring a margin of six points in the field events, the Allegheny College track team won a closely contested victory over Carnegie Tech at Pittsburgh, Saturday, May 2. Tech claims the victory, also, adding to her total the points scored in the hammer throw, in which event Allegheny had no men entered, as the terms of the contract did not include it.

On October 13 the following letter, carbon copy of which is posted on the bulletin board at Bentley, was sent to the Tech management: "Mr. Maxwell Scrimgeour, Mgr. Track, Carnegie Tech. "Dear Mr. Scrimgeour: "I am in receipt of your letter of

IDA TARBELL PUBLISHES HISTORY OF THE LIFE OF JUDGE GARY

Miss Ida Tarbell, '80, has written a biography of Judge Elbert H. Gary, chairman of the board of the United States Steel Corporation, which is carried as the feature number of this month's McClure's magazine. Literary circles have discussed Miss Tarbell's work widely and those who had the opportunity to read the manuscripts predicted that it would be as powerful as her history of the Standard Oil Company.

The biography of Judge Gary is being published in installments in McClure's Magazine. The first one deals with the first nineteen years of his life.

"If agreeable to you I suggest that the events and their order be made a part of the contract, as usual, as a guide to the coaches in preparing their men.

"We have been in the habit of using the order recommended by the National Collegiate Ass'n, as follows:

"100 yard dash, mile run, 220 yard dash, high hurdles, 440 yard run, two mile run, low hurdles, 880 yard run; the field events to be conducted simultaneously, as follows: pole vault, shot, discus, high jump, javelin, broad jump. "Hoping this may be satisfactory to you also, and asking to be advised if any changes are desired, I am

Sincerely yours, "C. E. HAMMETT."

Attention is called to the last sentence in this letter.

In reply, Tech wrote that the N. C. A. order of events was satisfactory, and would be included in the contract when forwarded. NO SUGGESTION THAT THE HAMMER THROW BE INCLUDED WAS EVER RECEIVED BY THE ALLEGHENY MANAGEMENT. (Continued on page 4)

MUCH INTEREST SHOWN IN ALLIGATOR PRIZE CONTEST

ALL COPY AND ALL CARTOONS FRIDAY AFTERNOON

Keen competition is being experienced by students who have entered the prize contest being conducted by the "Allegheny Alligator." Before the closing of the contest at 1:15 Friday afternoon, the Editor expects many new entrants and much new material, which will make the winners even more difficult to decide. A prize of five dollars is being offered for the best column of copy and for the best cartoon submitted by students who are not members of the "Alligator" staff.

This contest will do much in making the "Moving Up" number of the "Alligator" even a bigger success than the opening issue. Already many clever ideas have been brought to light and many new humorists are being discovered on the campus. The fear that there was not sufficient ability of this type in Allegheny to make a publication of this variety a success has definitely been banished by this contest.

Every one interested in becoming a member of the "Alligator" staff is invited to attend the meeting in the Oratory of Ford Chapel at 1:15 p. m., Friday.

JOURNALISM FRATERNITY NAMES TWELVE PLEDGES

PI DELTA EPSILON SELECTS EDITORIAL AND MANAGERIAL COMPETITORS

Pi Delta Epsilon, national honorary journalism fraternity, elected twelve men who will be formally pledged and initiated into full membership before May 10.

Two years' work on some collegiate publication is the requirement for membership in this fraternity. Each of the twelve pledges has completed the necessary work and has proven satisfactory on the Allegheny publications.

The following men were elected: J. B. Gordon, '26, Campus; E. A. Hill, '26, Kaldron, Alligator, and Managerial competitor; G. L. Reid, '26, Campus and Literary Monthly; R. Beyer, '26, Campus; M. Kolpien, '26, Campus and Kaldron; E. G. Flint, '27, Campus and Kaldron; L. A. Graf, '27, Campus, Kaldron, and Alligator; R. J. Helmstadter, '27, Campus and Kaldron; K. P. Williams, '27, Campus; J. H. Gibson, '27, Campus; E. J. McKay, '27, Kaldron; and T. S. Borrell, '27, Managerial competitor.

The fraternity elects new members semi-annually, holding an initiation in the spring and in the fall.

PUBLICATIONS BOARD SELECTS NEW CAMPUS AND LIT EDITORS

E. C. Dehne to Head Campus—R. K. Evans Chosen Literary Monthly Editor

Two meetings of the Publications Board, the first Wednesday evening, April 29, and the second, Thursday afternoon, April 30, resulted in the formulation of new rules and by-laws for the government of Allegheny publications and in the selection of new editors for both the Campus and the Literary Monthly for the coming year. Edgar C. Dehne, '26, was chosen as Editor-in-Chief of the Campus in recognition of his three years of faithful work on the staff of that weekly, one year as an athletic reporter, one year as a news reporter, and his third year as editor of the News Department.

Edwin J. Schruers, '26, was named Managing Editor of the same paper, and G. Alfred Palmer, '26, was made an Assistant Editor. Both of these men have served three years on the Campus staff and have been active in

the preparation and development of publications here.

Robert K. Evans, '26, was selected as the new Editor of the Literary Monthly. Evans has worked hard on the staff of the Monthly, being of great assistance to the graduating Editor, William A. Risher.

The new Campus staff, full announcement of which will be made in the next issue of this paper, will assume charge of the weekly beginning with the issue of May 13. The election of Kaldron Editor and the various managers will probably be made in the near future.

Election to the editorship of each of the three publications is decided by the Publications Board on the basis of competition. The relative merits of the candidates who have completed

PLANS NEARLY COMPLETED FOR ANNUAL ORATORICAL CONTEST

Intercollegiate Event to Take Place in Ford Chapel Friday Evening

Plans have practically been completed for the contest of the Intercollegiate Civic Oratorical League, which is to be held in Ford Memorial Chapel Friday evening, May 8. Of the eight colleges and universities which have entered in the contest, all but one have made known the names of their entrants, and all but two have filed their speakers' subjects with Dr. S. S. Swartley, who has charge of the preliminary arrangements.

The speakers and their subjects are as follows: Washington and Jefferson College, P. V. Marion, "America and International Peace"; Wooster, Elmer E. Volkel, "The Figure in the Tent"; Oberlin, Charles W. Jones, "The New Social Concord"; Colgate, Harold B. Stein, "The Political Religion of the Nation"; Ohio Wesleyan, Henry Friedman, "Modern Barrabas"; and Allegheny, Charles E. Hammett, Jr., "Heri-

tage." The University of Pittsburgh has named George W. Davis as its representative, but has made no announcement as to his subject. Western Reserve has sent in no word at all concerning either its speaker or his subject, although it is understood that that school will be entered in the contest.

Dr. Harry Burton Boyd, of the Park Presbyterian Church of Erie, Emmett L. Bennett of Cleveland, a specialist in municipal administration, and Harry Smith, Assistant District Attorney of Allegheny County, will be the judges of the contest, over which Dr. C. F. Ross, Acting President of Allegheny College, will preside.

Keen competition is sure to be shown in the contest, as each of the men who are to speak has been chosen as the leading orator of his respective institution.

### A NEW STAFF TO ASSUME CONTROL

Beginning with the issue of May 13, one week from today, The Campus will pass into the hands of a new staff headed by Edgar C. Dehne, '26, as Editor-in-Chief. The Managing Editor for the coming year is Edwin J. Schruers, '26, and the Assistant Editor is G. Alfred Palmer, '26. The other positions on the staff will be announced within the next week.

### STUDENT PARTICIPATION IN PRIZE CONTESTS

The capable and active student at Allegheny is given abundant encouragement, through the numerous prizes which are given each year, to demonstrate his ability and be rewarded for his efforts. Aside from the Alumni prizes which are offered for general attainments in scholarship and activities, there are a number of contests held each year which vary enough in scope to challenge the interest of almost any student.

Yet only a comparatively small proportion of the students participate in these contests, and there are frequent duplications in the entrants in different contests. In other words, interest in these events is confined to a few, and the great majority of students do not take part in them. Since the purpose of contests is to stir up general interest in the activities which they represent, and not simply to reward a few individuals, they fail if a large number of students do not participate.

### WHAT THE CAMPUS HAS PROPOSED

From time to time The Campus has under the present staff proposed through its editorial column a number of changes that might with profit be considered by the Administration, students, and alumni. Perhaps not all of them are practicable. Some of them doubtless are unwise. Yet the suggestions were made with the hope that they might possibly contribute to Allegheny's progress.

In order that our readers may once again be given opportunity to think about some of the suggestions that their College paper has made, we take this opportunity to list a few of the things that The Campus has advocated during the incumbency of the present staff.

It has proposed several ways of changing the form and content of the required daily chapel services so as to vitalize their influence. It has suggested the establishment of a Myford Memorial Scholarship Foundation to help athletes who maintain a high scholastic average. An editorial printed a week ago dwelt on the advisability of a more thorough training in English grammar for our freshmen. Another editorial outlined a plan for an effective system to secure publicity for Allegheny in the metropolitan newspapers. The bright days of spring brought forth two athletic editorials, one on the possibility of a college baseball team and another on the pressing necessity for more college tennis courts. The spark of activity on the part of the combined dramatic clubs reflected itself in a plea for the revival of histrionic activity at Allegheny. One editorial called upon student opinion to re-create conditions favorable for a restoration of the honor system. And we have even gone enough against established tradition to propose that Commencement exercises be held downtown in some auditorium large enough to accommodate at least half of the many people who come to Meadville to witness the graduation exercises.

The staff entertains no youthful illusions that all the ideas suggested in this hastily written recapitulatory editorial will soon become facts accomplished, but it does hope that re-mentioning some of the proposed changes will cause a few more passing moments of thought to be given to them.

### AN EDITOR'S SWAN SONG

Editorials in the first person singular are not sanctioned by approved news paper usage; yet I venture this offense against the custom of the broadsheet in order that I may better express my acknowledgement of the great pleasure and intense satisfaction that the editorship of The Campus has given me. It has opened before me a new vision of what Allegheny is. The experience of supervising the publication of a paper that goes to every graduate of the College taught me as nothing else could that our Alma Mater is far more than a collection of twelve buildings on a campus of sixteen acres. Letters, more than an hundred in number, from interested alumni in all parts of the country have provoked more than one hour of sober thought about the real mission of Allegheny. Reading copy of news articles ranging in subject from the dinner of the Phi Beta Kappa society to the progress of the inter-class basketball tournament has brought to me an appreciation of more phases of college life than two dozen readings of "The Plastic Age" could do. Friendly conversations with faculty members on problems of Campus policy have revealed to me more of the personality of my professors than a book full of lecture notes. Association with the members of the staff has helped in the cultivation of many a happy college friendship.

If The Campus during the past year has given to its readers an accurate portrayal of what is happening at Allegheny and has, through its editorials and printed correspondence, given students, alumni, and friends the feeling that Allegheny stands for all that is best in collegiate training, I hand over the duties of editorship to my successor with the satisfaction that The Campus has not been a failure during the twelve months just passed.

RALPH H. DEMMLER, '25.

The alumni, including the graduating class, will have their annual banquet that afternoon at 1:00. The fraternity alumni dinners, at 6:00 p. m., will conclude the program.

## SCHEDULE OF SPRING EXAMS IS ANNOUNCED BY OFFICE

All Senior Exams Must Be Completed by Tuesday, June 8—Report Conflicts

The schedule for the spring examinations, with the customary rules and regulations, has recently been announced by the College office. There are unavoidably a few conflicts in the schedule as compiled which should be reported to the Registrar's office before Friday, May 15, in order that all arrangements may be made in due time. The official copy will be printed in the May 20 issue of the Campus.

Examinations in one hour subjects will be limited to one and one-half hours; in two hour subjects to two hours; in three hour subjects to two and one-half hours; and in four hour subjects to three hours.

When a student has been absent from class, for any cause, one-seventh

the total number of recitations or more, a supplementary examination must be taken in the subject. Supplementary examinations will be announced at the last recitation, and are to be given at the close of the examination. Members of the athletic and glee clubs are allowed four absences above such fraction each term to fill engagements.

All seniors must have completed their examinations by Tuesday evening, June 9. Those of the graduating class who have examinations scheduled after that date must make arrangements with their instructors for an earlier examination.

three years' work on the editions are discussed and the election is by secret ballot.

The Publications Board, as the governing body of all Allegheny Publications, consists of Professors C. A. Darling, L. D. McClean, W. F. Woodring, with F. E. Reed, General Manager of Publications, C. C. Taylor, Jr., Editor of the Kaldron, R. H. Demmler, Editor of the Campus, and W. A. Risher, Editor of the Literary Monthly, as the student representatives. Each member of the Board is entitled to a vote in the selection of the new editors and managers. Due to the absence of C. C. Taylor, Professor Darling did not vote, thus preventing the possibility of a tie. The newly elected editors will not be given a place on the Board until the beginning of the next school year, while the retiring editors will remain as members until Commencement.

## Men's Bible Class Continues Talk on Wealth and Property

Led by Doctor Darling, the Men's Bible Class met in Ford Chapel last Sunday morning, May 3, and continued the discussion of two weeks ago concerning the acquisition and the disposition of wealth.

One of the ways by which wealth is acquired, is service to men, and it is perfectly just that one should receive returns for his service. But the question of how much arises. Shall it be given according to the worth of the service to society, according to the need of the person rendering the service, and shall there be a difference made between the service rendered by men and that rendered by women? Communism unsuccessfully attempted to solve these problems.

Another question which arises is: Is there a limit to the returns allowed? In answering this question, the government, hence, society, has placed the limit at six per cent as the rate of income. Unless communism prevails, society must guarantee a certain return for service in order to make progress.

Then the question of graft arises. When a person makes a profit at the expense of human life, he is condemned. Of late, medical men have been charging what their patients can afford to pay. Carrying this principle into government, the income tax is the best possible tax because by it, those pay who are able to do so.

Dates at the University of Oklahoma are to be regulated by the power plant whistle. One long blast at 10:20 each night, and on Friday nights 11:20, will notify students that it is time for farewells to be taken. The final whistle ten minutes later will be two short blasts, will mark the actual time of departure.

In spite of rain storms so furious that at times the coach had difficulty in seeing his men, five boatloads of California varsity crew-men work out every day.

## THETA UPSILON HOLDS SPRING PARTY AT SAEGERTOWN INN

On Saturday, May 2, Eta Chapter of Theta Upsilon entertained with a dinner dance at Saegertown Inn. The ball room was beautifully decorated with sweet peas in pastel shades. Music was furnished by the Red and Black Orchestra of Erie. The out of town guests were the Misses Elizabeth King of Ashtabula, O., Beatrice Mulhan of Cleveland, O., and Helen Prior of Erie, Judge Frederic Miller of Columbus, O., K. C. Cotton, H. E. McCartney, Jack Clark, and Robert Murphy of Pittsburgh, and Robert Nye of Ashtabula. The chaperones were Dr. and Mrs. Lee D. McClean and Professor and Mrs. Arthur Emig.

## FULL CHAPTER PARTY HELD BY SIGMA ALPHA EPSILON

Sigma Alpha Epsilon held a full chapter party at the house last Friday evening, May 1. The house was decorated in spring colors, and blended so as to give a rainbow effect. Music was furnished by Gage's Collegians. The chaperones were Professor and Mrs. Hill and Mr. and Mrs. S. S. Townsend. Guests at the party were Fred Trace, Louis Miller, Wesley Morrissey, Louis Nunn, Fred Gisewhite, Gerald Prather, and Messrs. Snyder, Hyslop, and Lacoock, from Carnegie Tech.

## Exhibit of Indian Souvenirs On Display in Library Case

A number of souvenirs from India have been placed on display in the main room of the College Library. The articles are the property of Miss Gertrude E. Richards, '25, who was a missionary in Northern India. Miss Richards returned to this country a few years ago, and she is now completing her college work.

Among the articles are several which deserve special mention. A tray inlaid with ivory is a wonderful example of skilled handwork. The ivory is inlaid in shesham wood; each piece being cut by hand and laid in the place cut out for it. There is also a beautiful handbag made of hand twisted silver thread fastened into design by cotton threads. A small idol, which represents "Kali" one of the vilest of Hindu goddesses, is included in the exhibit. The presence of such an idol in a humble home is supposed to bring good luck and keep away evil spirits. Two other articles are a piece of stamped cloth, and a stamp used in printing designs. The manner of stamping the designs on the cloth is a very simple process. A very ordinary piece of material is wet and stretched out on a dry surface and then stamped in design with a hand made instrument.

A small paper weight made of white marble with an inlaid flower design is a miniature representation of the stones of which the Taj Mahal at Agra is made. Other souvenirs in the display are a pair of shoes such as are worn by the better class of Indians to festivals, a heavy brass candlestick, a stone necklace from Kashmir with a hand made silver chain, a brass jug such as is used by the people to carry holy water from the Ganges, and a New Testament. The testament is in the Urdu language written in the Persian characters. The majority of the text books in the schools of North India are written in this character.

## CHURCH COUNCIL OFFERS PRIZE FOR RELIGIOUS DRAMA

A prize of \$500 is offered for a "religious play of social significance," by the Federal Council of Churches. The winning manuscript will be published in a volume of religious drama now in preparation and may be produced before a representative conference next Autumn.

The suggestion is made by the Council that the play deal with such themes as industrial, racial, or international relations. The contest is in charge of the Committee on Educational and Religious Drama, of which Miss Elizabeth Baker is secretary. She may be reached at 105 East Twentysecond St., New York City.

DePauw University has edited a humorous publication which is called the "Yellow Crab."

Princeton University has resumed its old custom, out of use for twenty years, of holding classes in the afternoon.

At the University of Colorado dances, no smoking by men is allowed, no wax may be used on the floor, and no refreshments are permitted to be served.

If the plan of one of the instructors at Ohio State University works out, students there will grade their own examination papers.

## MRS. LING TELLS WOMEN'S BIBLE CLASS OF MISSIONARY WORK

Mrs. Ling taught the College Women's Bible Class last Sunday. Having recently attended a convention of the Women's Foreign Missionary Society which was held in Linesville, Mrs. Ling gave a review of the work accomplished there. She dwelt especially on the talk given by Miss Helen Murray, '10, who is doing Missionary work in Mexico and South America. Miss Murray was sent into South America to inspect the mission schools there. The schools at Montevideo were found to be the best of any in that country.

The work in South America is particularly difficult, because the people love beauty, and if the churches are not beautiful within and without, the people can see no good in the religion taught there. Most of the work is done among atheists and agnostics, and this fact is another difficult point. The higher classes as well as the low are reached by the missionaries, because through reaching the higher classes more advancement can be made. The women and girls of the higher classes have an aversion to housework of any kind, and the missions are doing much to overcome this dislike by teaching the women Domestic Science.

Miss Murray, however, is particularly interested in Mexico. Her great desire is to establish a rural home outside of Mexico City, where she will train girls with one or two years academic work in applied education, such as caring for the sick. Mrs. Murray is trying to work out her plan for this home while she is in the North.

During the past week Dr. and Mrs. C. F. Ross, Dr. and Mrs. S. S. Swartley, Dr. and Mrs. H. W. Church, Dean Wren Staley, Miss Gardner, Miss Wilbrand, and Miss Rowley visited Cleveland, at which time they saw several operas presented by the Metropolitan Opera Company of New York.

**DELTS AND PHI GAMS WIN—ONLY TWO GAMES PLAYED DURING WEEK**

On account of the unfavorable weather conditions of the last week, there was little baseball played. This delay will necessitate the playing off of the postponed games some time in the future.

Tuesday Delta Tau Delta defeated S. A. E. in a very interesting game by the score of 11 to 9. The score was tied several times, and the heavy hitting of both teams featured the contest.

Wednesday Phi Gamma Delta trounced Beta Upsilon in a very lopsided contest, 14 to 6. The only exciting feature of the game was the home-run fever that incited the Phi Gams to clout five home runs, all of which went to deep left field.

**FRATERNITY TRACK MEET TO BE HELD ON SATURDAY**

**ALL MEN OF COLLEGE ELIGIBLE—CLOSE COMPETITION LIKELY**

Strong competition will mark the Annual Inter-Fraternity Track Meet which will be held Saturday, May 9, at 2 o'clock at Montgomery Field. All the men of the College are eligible to compete, and with such men as Williams, Jones, Blanchard, Rea, Danner, Bentley, and Machintosh entered in the track events, and with Judd, Parnell, Cibula, Sample, Tornatore, and Hartman in the field events, the meet should be the best since 1923 when Delta Tau Delta won by a margin of one-fourth of a point. If enough men are entered, preliminaries will be run on Friday, May 8, at 4 o'clock. The winning group will be awarded the Hammerslag Cup for one year.

The following rules have been adopted by the Student Senate:  
1. All College men are eligible.  
2. Any man may enter the relay, and in addition either three running events, or three field events, or two running and two field events.  
3. Points: 5, 3, 2, 1.  
All entries must be handed in to Coach Hammett before 6 p. m. on Thursday, May 7.

**BLUE AND GOLD NETMEN MEET PITT TOMORROW**

**LAST SATURDAY'S MATCH CALLED OFF ACCOUNT OF RAIN—TOURNAMENT ALSO SUFFERS**

Rain and cold weather having necessitated the postponement of the tennis match with Pitt scheduled for last Saturday, the opening of the Allegheny net season has been deferred until tomorrow, when the belated engagement with Pitt will be played. The match will be staged on the Phi Delt and Phi Gam courts.

The recent inclement weather has also temporarily stopped progress in the elimination tournament by which at least two of the varsity teams are to be selected. Judd, Hough, Miller, and Weyand have all reached the third round, while Behrhorst has come through to the semi-finals. Flint and Allen are also to be heard from, although neither have at this writing reached the third round.

Captain Piper and Bair are the only Blue and Gold netmen who are sure to take part in the Pitt match tomorrow. McClurg will play if his knee is in shape. The remaining members of the team will be decided by the tournament.

At the present time Allegheny seems to be developing a fairly strong team. Although it will be on the whole inexperienced, it will include considerable talent. The team will have to be good to stand any chance with Pitt. In Silverman, Linton, and Cable, the Smoky City Team possesses three of the classiest netmen in Western Pennsylvania.

On Saturday, Allegheny meets W. and J. at Meadville. The Presidents also have a veteran combination. The remainder of the schedule includes home and home matches with Westminster and Duquesne, and return matches with Pitt and W. and J.

Mrs. Harold S. Laird (Velma McKinney, '15) and her husband, Rev. Mr. Laird, who are in charge of the First Presbyterian Church of Louisville, Pa., are enjoying their work in their new charge. This church has two missionaries in the foreign field.

(Continued from page 1)  
MENT, EITHER AT THAT TIME OR DURING THE SIX MONTHS WHICH ELAPSED BEFORE THE MEET.

In accordance with the above agreement, Allegheny did not coach men for the hammer throw. There was no hammer event in the dual meet with Tech last year and there is none in any meet on this year's Allegheny schedule as that event has been generally discarded in favor of the javelin in all meets except those between the big universities, and general intercollegiate in which several colleges meet in competition.

Allegheny athletes were astounded to learn, when the meet was half over, that they were expected to compete in the hammer throw. They declined to do so on the ground that they were not trained for it because it was not in the original agreement. Tech, however, insisted, put three men in the ring, and added the points to her score.

Allegheny claims that she won the meet because the Blue and Gold scored 66 points, to 60 for the Tartans, IN THE FOURTEEN EVENTS MUTUALLY AGREED UPON. This claim she submits with confidence to all disinterested persons.

Judd, with 20 points to his credit, Williams, with 11, and Parnell, with 10, were Allegheny's high point men. Judd scored one first and five seconds, Williams scored two firsts and a second, and Parnell place first in the shot and discus. A two-day's rain had slowed the track up to a considerable extent, and no particularly fast time was made, except in the mile run, when Blanchard, of Allegheny, broke the track record for that event. Jones came through with an easy victory in the two-mile, and Danner, freshman and, placed second in both the 100 and 220 yard dashes.

**Track Events**  
100 yard dash—Won by Williams, Allegheny; Danner, Allegheny, second; Bohn, Carnegie, third. Time, :11.

Half-mile—Won by McKinney, Carnegie; Rea, Allegheny, second; Bier, Carnegie, third. Time, 2:07 3-5.

One mile—Won by Blanchard, Allegheny; Bright, Carnegie, second; McIntosh, Allegheny, third. Time, 4:42 3-5.  
Two miles—Won by Jones, Allegheny; Bright, Carnegie, second; Bentley, Allegheny, third. Time, 10:32 2-5.

Why do you set up a surplus instead of using the money for dividends as soon as it is earned? Why do you carry a reserve for depreciation on your buildings and machinery? That this is pretty good business was shown recently when the Westinghouse Company was able to take a loss of only one dollar when the Soviet government confiscated the Russian factory.  
Ever think of your ability as your most valuable piece of property? And isn't it wise to start a depreciation account for it?  
The Standard Life Insurance Company sets up the full amount of the reserve on payment of the first premiums. In thirty years or so the old machine will have earned a rest, you cash in and the earning power goes on unchanged. And in the meantime haven't your parents or the person who is putting up the cash for your education a right to some such surplus in case you were unable to complete your plans.  
You don't need a consular report or an elaborate market investigation to O. K. this. Get that name on the dotted line.
