Miss Ida M. Tarbell,
New York.

Dear Madam:

In connection with your inquiries on the tariff. I would suggest that you look into the matter of sugar. And for a concrete example would offer the information that American sugar is bought by the dealer in Nacozari, Sonora, Mexico, (75 miles from the border) at a lower price, (by approximately 2¢ per pound), than by the dealer in Douglas (on the border). This merely as a suggestion -

Yours Truly
Frederick T. Wright
