Dear Miss Tarbell:-

I called you up but you were not there. Liberty would like to get a new picture of you. They say the only photograph they have has appeared several times. If you have a recent picture they would like you to send it to them. If you haven't, they would be glad if you would drop into their office and let their photographer take a picture of you. The man who writes ~~as~~ is Otto Kurth who is in their Art Department and if you go there, I would ask for him.

Yours sincerely,

Paul R. Reynolds
