Miss Ida M. Tarbell,
New York City, New York.

Dear Miss Tarbell:

We frequently have an inquiry as to whether you are available for a lecture engagement in this territory. I think if we would set aside a short period of time for the season of 1933-34, that we would be able to get a few good engagements for you.

This is the season of the year when we are making our arrangements for the future. We shall be pleased to hear from you and to have your reaction to this suggestion.

Sincerely yours,

THE EMERSON BUREAU
