

ANOTHER DEFEAT FOR GOLD AND BLUE NINE

Game Lost by Numerous Errors During First Inning.

For the third time on the home field the baseball team met defeat—this time at the hands of W. and J. Enough scores were made by the down-staters in the first inning to win the game. Six runs were chalked up for W. and J. by a combination of timely batting and bad fielding. After the first inning the game settled down to a hard fight, but W. and J.'s advantage was too great and though the home team struggled hard, they were unable to overtake their opponents.

The team work of Allegheny was in evidence slightly more than in the last game. Several times a teammate was advanced by a good sacrifice. Seven errors were made and six of these were made by the infield. Brookmire himself was the greatest offender in this department of the game and made three of the seven errors himself. This was somewhat offset by the good game which he pitched. Seven men were struck out by him and but four bases on balls were given whereas his much-famed opponent in the pitcher's box, Younkens, was able to strike out but five and issued six bases on balls.

Allegheny was unable to score until the sixth inning when she earned two runs. Her other three runs came in the ninth inning when with two men down the team suddenly found their batting eyes and made three of their five hits. It is safe to say that had the team gone into the game with the same spirit which they showed in this last inning it might have been a different story.

W. and J. put up a good game from start to finish. Their team work, fielding, batting and base-running, were all good. Younkens although rather wild was very stingy with his hits. He granted the home team but five and no man was able to get more than one of these. Not a hit was scored off his delivery until the sixth inning and not until then did a man get past second. Heyman's work with his bat featured. He landed on the ball for a triple and a two-bagger. The score by innings follows:

First Inning.

W. and J.—Moser, the first man up, hit safely to center and reached second. Spiegel walked. Campman's error of Boville's grounder moved them all up a base. Cruikshank lined one to center, scoring Moser and Spiegel, while Boville reached third and Cruikshank second on the throw-in. Lydic was retired on a long fly to center and Heyman fanned. Goodwin drew a pass and again the bases were loaded. Schwab hit to Brookmire who fumbled the ball and then threw wild to first, permitting Boville and Cruikshank to score and advancing Goodwin to third and Schwab to second. Younkens hit to center scored both. Moser ended the inning by fanning. Six runs, three hits, three errors.

Allegheny.—Richard drew a pass. C. Gilbert went out on a fly to left. Robinson was retired in the same way and by quick throwing Richard was doubled at first as he had taken too long a lead. Heyman to Cruikshank. No runs, no hits, no errors.

Second Inning.

W. and J.—Spiegel was retired on a fly to Robinson. Boville was out when he was hit by the ball which he had batted. Cruikshank was retired on a grounder, Brookmire to Campman. No runs, no hits, no errors.

Allegheny.—The side was retired in order. Campman went out on a grounder, Moser to Cruikshank. Emery and E. Gilbert went out on flies to right. No runs, no hits, no errors.

Third Inning.

W. and J.—Lydic fanned, but Heyman landed on one for two bases. He was sacrificed to third by Goodwin who grounded out. Emery to Campman. He scored on Schwab's safety to center. Schwab stole second but died there as Younkens, the next man up, made a weak bunt which Mellon field-

ed to Campman for the third out. One run, two hits, no errors.

Allegheny.—Mellon's fly was caught by Moser at third. Shenefelt walked and stole second. Brookmire flied out to center and Richard rolled out, Goodwin to Cruikshank. No runs, no errors, no hits.

Fourth Inning.

W. and J.—The side went out in order. Moser fanned for the second time. Spiegel hit to Shenefelt who threw him out at first. Boville also fanned. No runs, no hits, no errors.

Allegheny.—C. Gilbert walked but was thrown out trying to steal. Robinson and Campman were retired on flies, the one on a fly to center and the other to left. No runs, no hits, no errors.

Fifth Inning.

W. and J.—Cruikshank went out on a fly to right. Lydic singled through second and was scored on Heyman's triple. Heyman was left on third for Goodwin went out on a fly to Robinson and Schwab on one to center. One run, two hits, no errors.

Allegheny.—In this inning Allegheny earned her first runs. Emery walked and was sacrificed to second by E. Gilbert. Mellon hit safely through third and when Heyman in left failed to stop the ball he went on to third and Emery scored. Mellon came in for another tally when Shenefelt sacrificed, Lydic to Cruikshank. Brookmire worked Younkens for a pass, but was left stranded on third when Richard struck out. Two runs, one hit, one error.

Sixth Inning.

W. and J.—Younkens flied out to Richard. Moser drew a pass and was

SAVONAROLA LECTURE GIVEN BY DR. CRAWFORD

Best Address Given Here in Recent Years—Short Review.

President Crawford delivered his lecture, "Savonarola," in Stone Church last Tuesday evening before a small but thoroughly appreciative audience of students and townspeople in the most attractive address that has been offered the student body this year. The lecture was under the auspices of the college Y. M. and Y. W. C. A., managed by the Young Men's Bible Class of the Stone Church, for the benefit of the summer conference fund of the two associations. It was given by Dr. Crawford under special arrangement for this purpose.

The lecture was given in a masterly and artistic manner and at the same time so plainly and pleasingly that it was easy to see why it combines in itself an authoritative treatment of this specific phase of history and one of the most pleasing and popular lectures of the present lecture program.

Dr. Crawford dealt first in a general way with the existing conditions of the fifteenth century in southern Europe just before the appearance of the monk, Savonarola, who has to have such a marked influence and power in Florence and all Italy for the last quarter of the century. Then narrowing his subject, he gave a short account of the monk's early life and the circumstances that led to his becoming a servant of the church, his education, and his final preparation for his life work.

Following this came the main theme of the lecture—his period of power and influence in Italy, of the sins of the church, the condition of the country under the yoke of a tyrannical foreign king and of the subsequent dependency of all Florence on the words and advice of this humble churchman. For years Savonarola directed all the activities of Florence and through that city of all Italy by his interpretation of the Bible and his fearless attacks on the evils of the land from the pulpit of the great Duomo Cathedral of Florence.

The close of the lecture—the arrest and accusations against Savonarola and his final condemnation to be burnt at the stake were very graphically told and marked the lecture as a whole in the minds of the listeners as a thing worth remembering.

ALPHA CHI RHO WAS INSTALLED SATURDAY

Active Men and Alumni Are Initiated. Fine Banquet.

One of the most important events of the college year occurred last Saturday, May the thirtieth, when Alpha Chi Rho entered Allegheny and installed its thirteenth chapter, Phi Iota, in the local fraternity of Theta Delta Psi. This is the sixth national men's fraternity with a chapter at this college and is a significant recognition not only of the high standing of Theta Delta Psi as a local fraternity, but also of Allegheny College as a school of high standing, for the fraternity is one of the most conservative of all those of eastern colleges. This is clearly seen by the fact that this is the first chapter west of the Allegheny mountains.

This national fraternity was first petitioned by Theta Delta Psi four years ago, but so conservative was the body that the Allegheny representative was unsuccessful at four different fraternity conventions. It was not until this year when a new and stronger petition was made that a representative of the fraternity was sent to look over existing conditions at Allegheny. As a direct result of his report to the National Council word was received by the local during the last Easter vacation that their petition had been received favorably and a chapter of the national fraternity would be installed at Allegheny during the latter part of May.

Alpha Chi Rho was founded in 1895 at Trinity College, Hartford, Conn., by the Rev. O. P. Zeigler, a Trinity graduate, class of 1872. He started the idea of a fraternity among a group of young men, friends of his son, who are recognized as the national founders: Carl C. Zeigler, H. T. Sherrill, W. A. Eardeley, and W. H. Rouse. During the nineteen years of its existence the fraternity has entered only the best colleges of the east and numbers on its chapter roll the leading institutions of the country. The colleges that have chapters of this fraternity are Trinity, Brooklyn Polytechnic, Wesleyan, Yale, Columbia, Pennsylvania, Lafayette, Dickinson, Cornell, Syracuse, Washington, and Lee, and Virginia.

The fraternity is governed by a National Convention which meets annually, and by a National Council of five members which has full executive power between the sessions of the Convention. The officers are a national president, VanCourt Carwithen, a vice-president, F. P. Kalkhoff, a secretary, D. R. Fox, and two councilors, Harold Hellyer and Alfred H. Wagg. These five men make up the National Council and send out a travelling secretary to look after the interests of the fraternity in the active chapters. The graduates of each chapter or Phi are grouped together in districts and their government carried on by a specially appointed committee. In addition to this there are graduate clubs in Hartford, Washington, New York, and Philadelphia.

Theta Delta Psi was founded at Allegheny in 1904 by John P. Giblyn, R. Parker Andrews, and George H. Rowley. Approximately seventy-five men have been graduated from Allegheny as members of the local fraternity, and there is an active membership of twenty-eight. Thirty-three of these, eight being alumni, were initiated into Alpha Chi Rho last Saturday in the presence of twenty-four visitors, among them all the national officers, and representatives from nine different colleges, Trinity, Wesleyan, Yale, Brooklyn, Polytech, Columbia, Penn., Lafayette, Dickinson, and Cornell. The institution ceremonies took place during the day and in the evening the initiation banquet was served. The toast list included: Toastmaster, George H. Rowley, and speeches from VanCourt Carwithen, president; C. F. Shields, of the local chapter; James L. Robinson, ex-president; W. A. Godsave, of the local chapter, and C. H. Hayes, another ex-president of the fraternity.

TENNIS TEAM EASILY DEFEATS GROVE CITY

Local Men Make Clean Sweep in Interesting Match.

That tennis is rapidly gaining in popularity as a college sport was made evident by the crowd that greeted the home team on its first appearance on the Allegheny courts on last Tuesday. It is hoped that this interest will continue to manifest itself on Tuesday, June 2nd, when Wooster University, of Ohio, will be the opponents of the Allegheny team. The fact that both the meets participated in so far have resulted in clean sweeps for the home team surely warrants hearty support from the college.

Grove City, which was defeated so decisively last Tuesday, proved fairly easy for Allegheny. Not a single set was lost in the entire afternoon's play the final score being 6 to 0. Grove City had already played two other schools before coming to Meadville, tying with Geneva College 3 to 3, and losing to Carnegie Institute of Technology 4 to 2. This fact seems to indicate that Allegheny is, this year, represented by a team that would rank well up in the collegiate tennis circles of Western Pennsylvania.

The tournament with Grove City started promptly at two o'clock, singles matches being played on three of the fraternity courts. Cox easily defeated his man, Durstan, in straight sets, the scores being 6-2, 6-2. While he was doing this Bright was defeating his opponent, Turner, almost as easily, the final score in this match being 6-3, 6-3. H. F. Brownell, playing on the Phi Psi court, was having an easy time with McCamey, running his score up to five to one in his first set. McCamey then took a surprising spurt and worked up to a score of 5-4 but Brownell then took the next game for the set 6-4. He also took the next set easily 6-2. W. A. Brownell defeated Byers with little difficulty 6-2, 6-2.

Both of the doubles matches proved easy for Allegheny as Cox and Bright took over Durstan and Turner in straight sets 6-3, 6-3; and Brownell and Brownell defeated Byers and McCamey 6-0, 6-3. Although none of the Allegheny team was forced to work hard for his match the ease with which Grove City and Ohio Wesleyan have been defeated seems to indicate that the team is unusually strong and well-balanced.

D. G. DUNBAR, '15, NEW EDITOR OF KALDRON

Shaner, '15, Elected Manager—Board To Be Announced Soon.

The Kaldron Electoral Board tie was voted off at the Assembly meeting of the student body in Chapel last Friday morning by order of the College Council. The first group in which the tie occurred was revoted on as a whole and P. W. Johnston, '14, was declared elected. The other members of the group were J. G. Lane, '15, and W. H. Fegely, '14. The entire electoral board consisting of P. W. Johnston, '14, H. K. Brooks, '15, O. J. Graham, '15, Miss Ruth Browning, '14, and Miss Louise Gould, '15, met Friday afternoon and elected Donald G. Dunbar, '15, as editor of the Kaldron for next year and G. A. Shaner, '15, as manager.

Next year's Kaldron, appearing as it will during the Centennial celebration, will be by far the most important number of this distinctive college volume to appear in years, and the college as a whole is fortunate in placing the care of the volume in competent hands. Mr. Dunbar has had experience on the present Kaldron board and has also served during the past year on the Literary Monthly editorial staff. He will draw up his editorial board and present the names to the electoral board who will pass on his selection before the names are announced, which will probably be sometime this week.

MOVING-UP DAY TO BE CELEBRATED TOMORROW

Chapel Rally Results in Great Enthusiasm—Big Parade.

The regular assembly morning of Chapel was given over last Friday to a Moving-Up Day rally, after the voting on the electoral board tie. Senior President Fegely presided and spoke in behalf of the Seniors saying they would be out in full force with something distinctively original and wanted the other classes to follow their example. He then called on G. A. Ricker, president of the Junior class, who responded for his class. He said if the Seniors would promise to be out and do the best they could he would assure them that the Juniors would be on hand prepared to furnish the other three-fourths of the parade.

A. F. Munhall, of the Sophomore class, said that while his class was not so well prepared with natural clowns and funny men as the Juniors, still the Sophomores would be ready to make their best showing and that would be a mighty good showing, too. H. D. Emery spoke for the Freshmen, and said that the underclass had not been caught unprepared for their plans were already made to show their full numbers and greatest originality in the parade.

The various class speakers who will give the chapel seats to the next lower class and in turn receive the proffered seats are, for the Seniors, Miss Gertrude Reed; for the Juniors, J. G. Lane and O. J. Graham; for the Sophomores, E. J. Ling and Miss Elizabeth Best; for the Freshmen, R. F. Kahle. After the Chapel exercises the regular Moving-Up Day parade will start front in front of the Chapel and move down North Main street through the center of town and back to the hill again.

For the past two years the general interest and spirit in Moving-Up Day and its attendant celebrations has somewhat waned and the meeting Friday morning was mainly to stir up enthusiasm on the part of the students to carry out this college custom in full measure this year. This is one of the few truly student affairs of the college year and has been a holiday ever since the idea was first started. Last year by a vote of the students it was chosen as a holiday in preference to Founder's Day and was carried out as such. Every class, organization, or bunch is allowed to plan any distinctively original stunt to perform in the student parade, the idea being to put on the most original and at the same time most distinctively college performance possible. The greatest rivalry exists between different parties in the parade each striving to show the best costume and greatest amount of ingenuity in general plan and make-up. It is to be hoped that the 1914 parade will take on a great deal of the enthusiasm and spirit of former parades so that this student day will not be deemed useless by the faculty and done away with as such.

Dr. and Mrs. Robert S. Breed, of Geneva, N. Y., sailed last Friday for a six weeks' tour in Switzerland. Dr. Breed has been invited to read a paper before an international bacteriology convention meeting in Switzerland this summer and after the convention he and Mrs. Breed plan to meet Dr. and Mrs. O. P. Akers and spend the remainder of the time they are abroad in company with them, traveling together, and returning to America about the middle or last of July.

JUNE 2, 1914.

An event of unusual interest and importance occurred during the past week in the installation of a new fraternity at Chi Rho. Allegheny. The members of the new chapter of Alpha Chi Rho certainly deserve hearty congratulations for the honor which has been conferred upon them by so conservative and honorable an organization. Their consistent work during the past few years has made them worthy of this recognition and has won the admiration of their fellow-students.

By the overwhelming adoption of the honor system Allegheny students have made an advance of great importance. Budget System. But there are still many other reforms that might well be instituted in the college. Among these the adoption of a budget system appears the most feasible at present. And what does a budget system mean? It means that all the students unite to bear the burden of the various college publications and organizations. The only natural result of such a policy is a new interest in many college events which are now disregarded. And from the financial viewpoint such a system has proved a decided success in many colleges and means a saving of money. Do not oppose a budget system until you have made a thorough investigation of its merit.

KALDRON WILL BE BETTER THAN EVER

Manager H. K. Brooks, '15, of this year's Kaldron Board, feels certain that the 1914 book is the best one made up in several years. For this assurance he advances several reasons. The Kaldron for this year is larger than it has ever been before, containing two hundred and fifty pages. And in addition to this reason there is one other bit of evidence which would conclusively prove to any neutral or opposite minded individual the excellence of the annual because there are a hundred more cuts and etchings in this Kaldron than in any other year-book in Allegheny. There are pictures of every team and sub team this year; there are cuts from the "College Circus" held last fall, and from every other important event that has happened this year.

The 1914 Kaldron is dedicated to the memory of Professor William T. Dutton, the late professor of Engineering and Mathematics, and contains his photograph. This picture was taken last summer when Professor Dutton was feeling very well and apparently in the best of health.

Unlike most other Kaldrons this one will not be full of mistakes and typographical errors due to carelessness or negligence. And because of the increased degree of excellency, the Kaldron Board is expecting an increased demand and have ordered four hundred and fifty volumes, which is fifty more than any other order. The cuts and cartoons are in charge of E. W. Hickman, '16, who has made some excellent sketches and cartoons.

He has used the Coles-Phillips method in black and white shaded cartooning. The editor of the Kaldron, Pierpont H. Nichols, '14, has worked hard and long to have the Kaldron a success and has put his very best efforts in its composition. He has had much assistance in this work by C. Sidney Burwell, '14, together with the associate editors, Mary Sansom, '14, Rose Platt, '15, Arlene McKinney, '15, C. B. Sweetland, '14, and D. G. Dunbar, '15. The manager expects the Kaldron to be published by Moving-Up Day.

JUNIORS WIN CUP

Freshmen Take Second Place in Interclass Meet.

For the third consecutive year the Centenials carried off the laurels in inter-class track in the meet held on the Athletic Field last Friday. The Freshman class sprang a surprise when they pushed the Juniors so hard for first honors. They had been regarded by most as a contestant for third or fourth rather than first place, and it was expected that the Seniors would be the Juniors' closest rivals. The final result of the meet in points won was as follows: Juniors 55 2-3, Freshmen 51, Seniors 28, Sophmores 24 1-3.

As was expected Fahr and C. Dotterrer were the big individual point winners. Fahr by getting first in the 120 yard high hurdles, the 220 yard dash and the 220 yard hurdles, by tying with McKay and Long for first in the high jump, by getting third in the shot put and broad jump, and fourth in the hammer throw piled up 23 points for his class. Dotterrer won his first place in the three weight events and so carried 15 points. Thomas with first in the 100 yard dash, second in the 220, third in the discus, and second in the broad jump won 13 points. For the Freshmen Powell and Drake were large point winners and aided greatly in the good showing which their class made.

The first event run off was the mile. From the start first place lay between Ling and Metcalf. For the first three laps both men ran easily but in the last lap they took on a great burst of speed and finished with a fine sprint, Ling winning out by a very few inches.

In the quarter Drake won out handily over his nearest rival, Hughes. Thomas won the 100 yard dash in fine style and ran the race in 10 1-5 seconds. In the two mile three out of the four places went to Freshmen. Powell won first, and was followed by Curtis, Metcalf and Kahle. In the relay the Freshmen was the only class to enter a team. "Chuck" Dotterrer had it all his way in the weights. The pole vault went at the low height of 8 feet, 6 inches to Powell. Wells did not enter in the class meet but tried in vain to beat his old record of 11 feet 3 inches. The high jump also went low as most of the contestants had already been in several events. McKay won the broad over Thomas by a jump of 20 feet 2 1-4 inches.

The events with their winners are printed below:

Mile—First, Ling; second, Metcalf; third, Kahle; fourth, Bailey. Time—5 minutes, 15 seconds.

Quarter Mile—First, Drake; second, Hughes; third, Long; fourth, Putney. Time—56 seconds.

100-Yard Dash—First, Thomas; second, Drake; third, Brownell; fourth, Hughes. Time—10 1-5 seconds.

120 Hurdles—First, Fahr; second, McKay; third, Long; fourth, Hughes. Time—16 3-5 seconds.

Half Mile—First, McKinney; second, Ellis; third, Metcalf; fourth, Putney. Time—2 minutes, 8 seconds.

220-Yard Dash—First, Fahr; second, Thomas; third, Drake; fourth, Hughes. Time—23 1-5 seconds.

Two Mile—First, Powell; second, Curtis; third, Metcalf; fourth, Kahle. Time—11 minutes, 29 seconds.

220 Hurdles—First, Fahr; second, Long; third, Drake; fourth, Hughes. Time—29 1-5 seconds.

Relay—First, Freshmen. Time—3 minutes, 46 seconds.

Hammer Throw—First, C. Dotterrer; second, M. Dotterrer; third, Doane; fourth, Fahr. Distance—105 1-2 feet.

Discus—First, C. Dotterrer; second, M. Dotterrer; third, Thomas; fourth, Graham. Distance—117 feet.

Shot Put—First, C. Dotterrer; second, M. Dotterrer; third, Fahr; fourth, Graham. Distance—41 feet, 10 1-2 inches.

Pole Vault—First, Powell; second, Peckham; third, Tarr; fourth, Metcalf. Height—8 feet, 6 inches.

High Jump—First, McKay, Long, and Fahr tied; fourth, Ling. Height—5 feet, 2 1-2 inches.

Broad Jump—First, McKay; second, Thomas; third, Fahr; fourth, Long. Distance—20 feet, 2 1-4 inches.

Total Points—Juniors, 55 2-3; Freshmen, 51; Seniors, 28; Sophmores, 24 1-3.

PLAY A SUCCESS.

The German play, Friedrich's comedy, "Ganschen von Buchanan," presented by the German Club under the direction of Professor Dewey in the Chapel last evening proved to be a decided success. The plot of the play was very interesting and at the same time easy enough in construction and the language of the play simple enough that it could be readily followed by the audience without a thorough knowledge of German. Especial credit is due Professor Dewey for the excellent manner in which the play was conducted and for the splendid training the members of the cast showed in their acting of the play.

The cast of the play was:
Der Baron—B. R. Beisel, '14.
Die Baroness—Miss Thelma Weisenborn, '14.
Von Fink—C. M. Miller, Jr., '17.
Agnes—Miss Ruth Lively, '15.
Silberling—Louis Pappenhagen, '15.
Jakob—Clair Sweetland, '14.
between acts R. H. Downing, '15, sang a German song which was well received by the audience.

SUCCESSFUL CONCERT.

The College Glee Club wound up their season with the most successful concert of the year at Oil City last Thursday evening under the direction of the Grace Methodist Church. Some unfortunate circumstances had combined to form a rather discouraging year for the club and it was with a rather apprehensive and spiritless air that this last concert was undertaken. But to the surprise of all the members the concert was very well received by a large audience in the Carnegie Library and the numbers of the club repeatedly encored. Mr. L. L. Lord of Meadville accompanied the club as 'cello soloist and proved to be one of the most attractive numbers of the evening. The readings of Joe Hutchinson, '15, came in for a large share of praise and the duet of G. D. Rose, '14, and T. F. Smith, '15, "The Battle Eve," was very well received. The final number, "Firelight Faces," proved to be the feature of the evening. It was the first time the club had an opportunity to use drop curtains with the numbers and when the curtains were lifted the scene of the men grouped around the fireplace lighted with an electric bulb was enthusiastically applauded.

COMMENCEMENT.

The program for the ninety-ninth annual commencement of this college, to be held June 14 to 17, announces several events of more than ordinary value and interest. The week opens with the Baccalaureate sermon by President Crawford in the Stone Church, Sunday morning, June 14, followed by the college love feast and address by Bishop Thoburn Sunday afternoon and the annual sermon before the Christian associations Sunday evening, to be given by Reverend George P. Eckman, of New York City, editor of the New York Christian Advocate.

Monday at two o'clock occurs the Senior farewell, to buildings which has already been announced in this paper. Monday evening at seven thirty, the annual Phi Beta Kappa address will be given in the Chapel by Professor James A. James, Ph.D., followed by the President's reception at nine o'clock in Cochran Hall.

Tuesday morning is the time set for the trustees' meeting and in the afternoon on the campus in front of Bentley will be held the Class day exercises. At four Clarence Eddy, one of the best known and most successful organists of Cleveland will give a recital in the Chapel. In the evening the Glee Club will give a concert in the Chapel.

Wednesday at nine thirty the academic procession starts from Bentley and at ten the formal Commencement exercises will be held in the Chapel. At one will be held the alumni dinner in Cochran and at six o'clock the annual fraternity banquets will close the week.

Miss Marian Graham of Wilkesburg, Pa., has been spending a few days at the Hall, the guest of Miss Ethel Gealy, '15.

Mr. and Mrs. H. E. Gates and daughter, Miss Claire Gates, and Mr. and Mrs. M. S. Gates, of Oil City, spent Memorial Day with Miss Helen Gates, '16.

Friday evening the Kappa chapter of the Alpha Gamma Delta sorority held their annual spring party at Saegertown Inn. Dr. Snively and Mrs. Snively were chaperones.

Among the week-end guests at the Hall was Miss Mabel Campbell, of Kittanning, guest of her sister, Miss Ruth Nelson of McKeesport, Pa., the guest of her sister, Miss Lillian Nelson, '15.

The following young women were initiated into the Klee-O-Kleet dramatic society last Monday evening: Helen Adams, Daphne Harper, Marian Whipple, Alice Hawkey, Leone Rial, Faye Neale, Anna McKenna and Elizabeth Best.

On Monday afternoon an informal meeting of the cabinets of the Y. W. C. A. and Y. M. C. A. was held in the library. Talks were given by the Presidents and heads of the committees concerning their work. Refreshments were served.

The Misses Marian Carroll, '14, Mary Sansom, '14, Faye Neale, '16, Rachel Cleveland, '17, Dorothy Dashiell, '15, Marguerite Beatty, '16, Lillian Fetzer, '17, Mrs. Fetzer, and Miss Laura Sturdevant, of Linesville, were dinner guests at the Phi Delta Theta House on Sunday.

The Sunday evening meeting of the Y. W. C. A. was held in the "open air." Miss Mildred Richey, '17, was the leader, and she took as her subject, "The College Women as a Neighbor." Several of the other girls gave helpful talks. Miss Julia Brooke, '17, played a mandolin solo.

In the third of the series of interfraternity baseball games Theta Delta Psi defeated Sigma Alpha Epsilon by the score of 7-5. The batteries were Hoffman and G. Mellon for the Theta Dels and Bell, Harper and Van Slyke for the Sigs. C. Gilbert hit two home runs during the game.

The last union meeting of the Y. M.

and Y. W. C. A. was held in the Chapel last Wednesday evening. Dr. Smith, who was leader, gave a very interesting talk on Modern Apostles. John Wesley, Dwight L. Moody, and "Billy" Sunday were chosen for discussion as modern apostles by Dr. Smith.

The fifth annual reception of the Delta Tau Delta fraternity was held at the chapter house, Thursday evening. The guest list numbered sixty. The beautiful house was decorated in an artistic manner with the fraternity colors and the porches and lawn were daintily lighted by electricity in unique designs.

The annual Junior-Senior hatchet burial will be held at Oakwood Park, Saturday afternoon and evening, June thirteen. This is the last joint meeting of the two upper classes before the graduation of the Seniors and marks the final declaration of peace and friendship between the two classes who have been at constant rivalry and strife during their college course.

Recently the following headlines appeared in a Poughkeepsie daily, "Collegian Urges Government to Impose Tax on Unmarried Men." The article went on to state that Dr. C. M. Coburn, of Allegheny College, believes that it is sound ethics for all unmarried men over twenty-five years of age to be taxed by the government. According to the Poughkeepsie paper this money should be used to keep up old ladies' homes.

Frederick Palmer, ex-'93, who was American war correspondent in the Philippines, in Macedonia, in the Balkan uprising and the Russo-Japanese war, is now in Mexico. During the winter he has been writing articles for the Cosmopolitan but at present he is engaged in writing a series of articles on Mexico for Everybody's Magazine. In the June, 1914 number a triple article by this Alleghenian appears. A number of other articles pertaining to the Mexican situation are to follow.

The Modern Problems Club met for dinner and business session in Cochran Hall last Tuesday evening and elected officers and new members for the coming year. The officers are: President, H. S. Taylor, '15, Vice-President, O. J. Graham, '15, Secretary, M. A. Dotterer, '15, and Treasurer, J. G. Klingensmith, '16. The new members elected were: J. G. Klingensmith, '16, W. A. Ellis, '16, R.

E. Hoffman, '16, L. H. McKay, '16, H. V. Harper, '16, E. W. Hickman, '16, A. F. Munhall, '16, H. D. Nicklin, '16, David McKinley, '15, C. H. Heath, '15, and W. A. Brownell, '16.

SHOWER FOR MISS SANSON.

Le Petit Salon had decidedly its most delightful meeting of the year on Monday afternoon, May 25, at the home of Miss Irene Davenport, on Liberty street. The business meeting was taken up with the election of officers for 1914-1915, with the following results: President, Miss Lucile Lippitt, '15; vice-president, Mr. R. H. Downing, '15; secretary, Miss Irene Davenport, '15; treasurer, Mr. Harry Nicklin, '16. The entertainment, in charge of Miss Rose Platt, '15, was a shower in honor of Miss Mary Sansom. Everything in kitchen utensils, from a pancake turner to a fly-swatter, was found present accompanied by its name in French and perhaps a limerick in French. Miss Sansom acknowledged her thanks "en francais" with a short speech. Elaborate refreshments were served by Miss Davenport, the hostess.

INDUSTRIAL COLLECTION.

The Atlantic Refining Company of Franklin has recently presented to the geological department of the college six bottles of oil illustrating the various stages in the refining process. This gift was secured through the efforts of Lester Witherup, ex-'15, who is a chemist for the company. The possession of the gift makes a valuable addition to the industrial collection which has been started recently.

Student interest in the collections of this department was started by William Millward, '09, in his gift of a large collection of fossils from the country rock and glacial drift. This was materially augmented by Walter Small, '11, with a collection of some rare invertebrate and plant fossils from Montana. William Dalzell, '13, contributed materials illustrating the manufacture of glass, and Mr. Milton Duff, son-in-law of Dr. Coburn, presented for the American Steel Company, specimens illustrating the manufacture of steel wire. More recently, La Marr Ritchie, '16, gave some very fine specimens of peacock coal and crystals of sulphur.

The interest of the students, alumni and friends of the college in the collections is very encouraging and can not be too highly commended and appreciated.

UNIVERSITY OF PITTSBURGH THE SCHOOL OF MEDICINE

The School of Medicine of the University of Pittsburgh offers two courses of instruction—one the regular four-year all medical course leading to the degree of M. D., for which the entrance requirements are two years of recognized college work, including courses in Chemistry (Inorganic and Organic), Physics, Biology, and German or French, in addition to the four-year high school course; the other the six-year combined medical and college course leading to the degrees of B. S. and M. D., for which the entrance requirements are the four-year high school course or its equivalent.

The School now occupies a thoroughly equipped laboratory building on the University campus. The Medical School is in affiliation with two general and five special hospitals representing a combined bed capacity of over fourteen hundred beds. Clinical work is given to small sections of the class in these affiliated hospitals. The required work including residence in a Maternity Hospital with board and room furnished.

Twenty-ninth Annual Session begins September 28th, 1914.

ANOTHER DEFEAT FOR GOLD AND BLUE NINE

(Continued from page 1.)

advanced to second when Boville hit safely to center after Spiegel had flied out to E. Gilbert. Cruikshank went out on a grounder, Emery to Campman. No runs, one hit, no errors.

Allegheny.—C. Gilbert was thrown out at first by Schwab when he tried to bunt. Robinson fanned. Campman singled through third. He was advanced to second and Emery was given a life at first base when Moser at third muffed Emery's pop-fly. Both men were left on bases for E. Gilbert flied out to right. No runs, one hit, one error.

Seventh Inning

W. and J.—Lydie was thrown out at first by Mellon. Heyman walked, attempted to steal second, and was safe when Emery muffed Mellon's throw to catch him. A wild pitch by Brookmire gave him third and he scored when Schwab hit safely to center after Goodwin fanned. Campman made the third out on Schwab at first when he caught him sound asleep on the old hidden ball trick. One run, one hit, two errors.

Allegheny.—Mellon was retired on a fly to center. Shenefelt reached first on Cruikshank's error, but was put out on the next play on a "fielder's choice." Brookmire hit to Younkens, the pitcher, who threw to second for a force on Shenefelt. Goodwin flied to complete the double play by catching Brookmire at first but over-threw the base and Brookmire went on to second. Richard's out on a fly to center retired the side. No runs, no hits, one error.

Eighth Inning

W. and J.—Younkens rolled out, Emery to Campman. Moser hit the ball for the circuit. Spiegel reached first on Richard's muff of his fly. He went to second on a passed ball. Boville hit to Brookmire who fumbled the ball and threw wild. Spiegel scored and Boville stopped at second. Cruikshank and Lydie went out on flies to Richard and Robinson. Two runs, one hit, two errors.

Allegheny.—Spiegel and Boville collided in center field with the result that C. Gilbert reached first. He stole second and went on to third when Campman sacrificed him, after Robinson struck out. Emery's strike out retired the side. No runs, no hits, one error.

Ninth Inning

W. and J.—Heyman hit to Richard for the first out. Goodwin's grounder

was flied by Brookmire to Campman for the second out. Schwab hit safely through third. Younkens' fly was caught by E. Gilbert in center. No runs, one hit, no errors.

Allegheny.—E. Gilbert and Mellon fanned. Shenefelt walked, stole second and came home on Brookmire's hit to right. Brookmire went on to second on the throw-in and advanced to third on Richard's hit to center. C. Gilbert's hit to left brought in Brookmire and put Richard on third. Richard stole home and Gilbert took third. Robinson's strike out ended the game.

TRACK SEASON.

The track season just closed, although it consisted of but two meets, and of these the dual meet with Tech was lost, cannot be considered anything but successful. It is to be regretted that a larger schedule could not be secured. The material for a team was excellent and the work of Coach Hammett in developing the individual members was of the highest order. Only five men won A's during the season, two of these doing so for the first time. The men were: Captain Dotterrer, '14, Wells, '14, Fahr, '15, Brownell, '15, McKay, '16. Three members of the team, C. Dotterrer, Wells and Zelwis, will be lost by graduation and their loss will be keenly felt. However, it is very probable that Doran will be in school again next year, and with the further development of the other men, a star team should represent the school. One feature of this season's work was the number of college records broken. Captain Dotterrer has been a star performer in this respect. Not only has he broken school records, but he has set distances in the weights for Western Pennsylvania. He put the shot 42 feet 11 3/4 inches and hurled the discus 127 feet. Fahr, '15, has two records to his credit, the high hurdles at 16 2-5 seconds and the low hurdles at 28 1-5 seconds. Wells, '14, holds the pole vault record at 11 feet 3 inches.

Allegheny vs. Tech.
Carnegie Tech defeated Allegheny at Montgomery Field on May 2, by the score of 66-60. The work of Hazeltime was a feature. Four college records were broken: Fahr lowered the 120-yard high hurdles and the 220-yard low hurdles to 16 2-5 seconds and 28 1-5 seconds, respectively; Captain Dotterrer put the shot 42 feet 11 3/4 inches, thus breaking the record for Western Pennsylvania; Wells raised his own record in the pole vault to 11 feet.

University of Pittsburgh Meet.
On May 24 fourth place was secured in the Intercollegiate Meet at Pittsburgh, fifteen and a half points being scored. The work of Captain Dotterrer was particularly noteworthy. In the discus throw, he broke the Western Pennsylvania record with a heave of 127 feet. He also took first place in the shot put. Wells raised his own record to eleven feet three inches. The team consisted of: C. Dotterrer, '14, Wells, '14, Fahr, '15, Long, '15, Drake, '17, Ellis, '17.

On Tuesday afternoon the Senior men entertained at a tea, in honor of the Senior girls in the parlors of Cochran Hall. Messrs. Robinson and Burwell poured.

On Friday evening the Freshmen of Kappa Kappa Gamma entertained the chapter at the home of Miss Eleanor Gill, '17.
