COMBINED GLEE CLUBS PLEASE AUDIENCE WITH CANTATA

"Ancient Mariner" Well Rendered by Musical Organizations

With skill equal to that displayed in their separate home concerts the combined Men's and Girl's Glee Clubs produced effectively the difficult cantata of the "Ancient Mariner" last evening in Ford Memorial Chapel.

By far the most outstanding feature of the cantata was the baritone solos of Mr. John Roberts. He is one of the foremost baritones of the city of Pittsburgh and soloist in the Third Presbyterian Church. His capable execution of the baritone parts of the concert was in no small degree responsible for its success.

Miss Dorothy Mussler, soprano; Miss Harriet Humphrey, soprano; Miss Eleanor Van Scoten, alto; and Mr. T. Sheridan Baker, tenor were the soloists of the evening. Miss Mussler sang her part in her usual fine style. Miss Humphrey had several solos with extremely high pitch, but she sang them with wonderful control and high quality of voice. Her voice has a very high range and is quite clear. Her singing will be invaluable to the Girl's Glee Club the remainder of the time she is at Allegheny, since a soprano with her qualities is unusual in the college glee clubs. Although the alto solos were difficult, Miss Van Scoten's training and preparation enabled her to sing her numbers very credibly. Mr. Baker exhibited his customary fine work in handling the tenor solo parts of the concert.

The chorus parts of the cantata portrayed the story of the "Ancient Mariner." The singing showed the results of careful preparation and practice. The clubs have been rehearsing separately and collectively for the past six weeks under the personal direction of Professor Lee Hess Barnes of the College of Music. A large part of the success of the cantata is due to his efforts in preparing the two clubs for the concert.

Y. W. C. A. INSTALLS NEXT YEAR'S EXECUTIVES

WOMEN'S ORGANIZATION MAKES PLANS FOR BIG YEAR

With the installation of thirteen new officers, the Y. W. C. A. held a very impressive service last week. The work of the past year has proven so successful and has played so important a part in the lives of the young women of the college, that the new president could only express the hope that the officers of the new year might be as faithful in the fulfillment of their duties.

The following officers were installed: Helen Fry, President; Ruth Ling, Vice President; Florence Sheehan, Secretary; Anna Rightmire, Treasurer; Grace Hilderbrand, Undergraduate Field Representative; and the following Chairmen of Committees, Katherine Morrow, Devotional; Irene Colbert, Social; Edith Briggs, Music and Conference; Virginia Debolt, World Fellowship; Marion Spangler, Bible Study; Naomi Reissacher, Social Service; Helen Hatch, Association News; Elizabeth Laffer, Town Representative.

LEO ROSS WILL CAPTAIN NEXT YEAR'S FLOOR TEAM

FIVE MEN GIVEN LETTERS FOR PAST SEASON

The Athletic Board, at its meeting on Tuesday evening, May 1, awarded basketball letters to Captain Miller, Wise, Ross, Brownell and Braun, the men who composed the team which won many additional laurels for Allegheny during the floor season just ended.

In addition, several other matters of importance were taken up by the Board. It was deemed inadvisable for Allegheny to enter the Tri-State Basketball League at the present time, (Continued on page 2.)

SUZANNE KEENER APPEARS HERE NEXT TUESDAY

FAMOUS SOPRANO WILL GIVE LAST NUMBER OF CON- CERT COURSE

For the last number for the year of the Allegheny College concert series, Miss Suzanne Keener, coloratura soprano for the Metropolitan Opera Company, will sing at Ford Memorial Chapel next Tuesday evening, May 15. Miss Keener, one of the most beautiful women on the concert stage today, has a charming stage presence and a captivating personality. Her voice is a pure coloratura of exceptional range, color, and flexibility, with remarkable high notes and facility in executing runs, trills, and staccati.

Although Miss Keener is but a recent acquisition to the Metropolitan Opera company of New York City, her success during the past season in recitals and programs with such celebrated artists as Ruffo, Gigli, and De Luca makes her a virtual prima donna. Her performances have received most complimentary comment from leading critics.

At this concert the program for the series to be given next year will be announced.

J. O. RUSSELL SPEAKS AT Y. M. C. A. TONIGHT

POPULAR ALUMNUS TO ADDRESS LAST MEETING OF THE YEAR

James O. Russell, '21, will speak in the last meeting of the Y. M. C. A., which will be held in the oratory of the chapel this evening at seven o'clock. The delegates who attended the State officers' convention at Gettysburg will give brief reports of the sessions.

Jimmie, as he is popularly known, was actively engaged in Y. M. C. A. work while in college, being president of the association in his senior year. He was interested in many activities during his four years at Allegheny including editorship of the Kaldron. In his capacity as president of the Y. M. C. A. his Christian ardor coupled with his personality and ability enabled him to accomplish much for the organization.

During the past year he has been teaching at Avalon High School and has recently accepted a charge in New York City. He is an earnest and forceful speaker, and in his informal and sincere manner will have a practical message for the men of the college.

ALLEGHENY RUNNERS DEFEAT ALFRED IN DUAL MEET

New York Man Breaks Allegheny Two Mile Record

Although encountering much greater opposition than last week, Allegheny's track team scored a spectacular 86-39 win over the Alfred team Saturday. Every event on the afternoon's schedule was fought between Allegheny and Alfred men, rather than Alleghenians alone, as was true of the meet with Thiel. This was particularly evidenced in the dashes and distance events. The field events were won more easily by Coach Hammett's men.

Allegheny secured all places in the 100 yard dash, but otherwise honors

were shared with Alfred. The mile was won by Navin, one of the best distance men in this part of the country. He also succeeded in winning the two mile in exceptional time after a great battle in which Bliss, Bogardus and Beyer played thrilling parts. Parnell won the shot put and Miller divided first honors in the pole vault with Judd. Dunnire, closely followed by Scudder of Alfred, took the 220, while McConnell, Alfred's super-athlete, secured first in the 120 hurdles. Wimmer won the 440 easily, and the same may be said of Ellsworth in the 220 low hurdles. The half mile, won by Witter of Alfred, saw the fastest time in that event on the home track in 15 years. It was a great race and the winner was forced to his utmost to beat Captain Wimmer. Piper continued his sensational work with the javelin, and Brownell again won the broad jump.

A few words should be said about Fritz McConnell. He was the highest individual point-getter and placed in 7 of the 9 events in which he entered. His admirable sportsmanship was in evidence throughout the meet.

The summary follows:
100 yd. dash—Ellsworth, Allegheny; Taylor, Allegheny; Miller, Allegheny. Time, 10 seconds.
Mile—Navin, Alfred; Mackintosh, Allegheny; Little, Allegheny. Time, 4:47.8.
Shot Put—Parnell, Allegheny; Judd, Allegheny; McConnell, Alfred. Distance, 39:5.5.
Pole Vault—Judd and Miller, of Allegheny, tied; Lyon, Height, 10 ft.
220 yd. dash—Dunnire, Allegheny; Scudder, Alfred; Steenken, Allegheny. Time 24.6 seconds.

EUGENE HARTZELL'S WINS PRIZE IN SONG CONTEST

"HARK ALLEGHENY!" IS TITLE OF WINNING SONG

Eugene Hartzell, '25, was the fortunate competitor in the student song contest, which was decided by ballot at chapel last Thursday morning. By the terms of the contest a prize of twenty-five dollars was awarded for his contribution, which forms a happy addition to Allegheny's too few songs. "Hark Allegheny! School so true, Thy sons and daughters homage do, Thy God-given beauty and halls of fame Inspire each one to love thy name."

Chorus
On the hill stands Allegheny, reaching to the sky,
Makes a life that lives for each one, Makes one do or die.
Every loyal son and daughter
Lauds thee o'er and o'er—
We'll be true to Allegheny,
True for ever more.
There were in all four pieces submitted: To Allegheny—Eugene Hartzell, '25; Farewell Allegheny—M. L. Gearhardt, '23; Allegheny—David Goodwin, '25; and Our Own Team—John Himebaugh, '23. These four songs will be published in the new Allegheny song book which is being compiled this year, and both students and alumni are still urged to contribute to the work.

Rev. A. H. Gordon Delivers May Vesper Address

Pastor of Buffalo Church Gives Sermon to Large Audience

With the Reverend Arthur H. Gordon, D. D., Pastor of the Delaware Avenue Baptist Church of Buffalo, as preacher, Vesper services for May were held last Sunday afternoon in Ford Memorial Chapel.

Taking as his text the first verse of Romans 12: "I beseech you therefore, brethren, by the mercies of God that ye present your bodies a living sacrifice, holy, acceptable unto God which is your reasonable service," Dr. Gordon expounded Paul's exhortation to the Romans and its practical application to life.

Paul's message was not merely an exposition of doctrine, but was an appeal to his people to allow their spiritual life to break forth from its shell of inertia.

Paul did not rely on his own personality only; he called on all to remember God's loving approach through Christ and his patience and liberal gifts. Jesus had come to establish a new regime of compassion which is the reverse of other faiths, requiring laborious rituals to win the mercy of God.

The fact that Paul asked that the body be yielded as a "living sacrifice"

is significant, for the body is the spirit's vehicle of self-expression. Religion begins in the spirit but is made effective through the agency of the body. God himself came to the world through the medium of the flesh that He might make His power effective and His love apparent. "True religion is a starting point, not a goal," said Dr. Gordon. Therefore, after its inception, faith needs an obedient body to become actively operative. God's saving enterprise demands an actual living approach.

Dr. Gordon made the observation that people seldom are willing to tire themselves in the service of God, although they are willing to fatigue their powers in pursuits which are petty and of ephemeral importance. God wants more than a mere expression of good will and acquiescence. He wants all our present capacities and powers.

God has a right to demand our whole-hearted service in payment for the mercies which he has shown us. Dr. Gordon concluded with the appeal, "I beseech you, therefore, brethren that ye present your bodies a living sacrifice unto God."

MEN'S GLEE CLUB PLANS DOWN TOWN CONCERT

ARRANGEMENTS BEING MADE FOR RECITAL IN ACADEMY THEATRE ON MAY 24

Allegheny Glee Club this year is initiating what is expected to become an annual event in the club's program. It is going to present one of its regular concerts on Thursday, May 24, in the Academy theatre, down town. The musicale will begin at 8:30 following a short motion picture program. The price for the concert will be fifty cents. This new plan of giving a concert down town has been started in order to create better spirit between the townspeople and the college. This gives the people of the town a chance to get acquainted with what the college is doing in Glee Club work. If the concert is a success this year, there is no doubt but that this plan will be followed every year. The club will be at its best for they have had sufficient time to perfect all their presentations.

DR. W. H. CRAWFORD IS IN MEADVILLE FOR VISIT

ALLEGHENY'S FORMER PRESIDENT COMPLETES TRIP THROUGH SOUTH

Dr. William H. Crawford, president emeritus of Allegheny College, and Mrs. Crawford, who spent the winter at Miami, Florida, arrived in Meadville Tuesday, May 1, having made the entire trip from the South of about 1700 miles by automobile.

Leaving Miami April 1, they stopped at Atlanta, Georgia, where they were living when Dr. Crawford was elected president of Allegheny College, and where he delivered the commencement address at the Gammon Theological Seminary during their stop this spring.

The remainder of the 1100 miles of the journey was made with some stops for visiting, Washington, D. C., being among the numerous cities through which they passed.

A very pleasant winter was spent at Miami where Dr. Crawford was lecturing and writing, and both he and Mrs. Crawford are in the best of health.

With today's issue of the Campus the present staff will cease to have active charge of the paper, and the newly elected staff will take up its activities. The present administration wishes to take this opportunity of formally introducing the new Editor-in-Chief of the Campus, Mr. Charles W. Havice, to the student body. Mr. Havice has been connected with the Campus since his entrance into Allegheny and has proved himself thoroughly competent to handle his new work. Mr. Havice will be ably assisted in his work by Mr. Courtney M. Dale, Assistant Editor, and Mr. Theodore A. Siedle, as Managing Editor. The remainder of the staff has been chosen with the greatest care, and it is believed that the Editors of the Departments and reporters of the new staff will take up their work with a zeal that has never before been shown. The arrangement of the staff will remain the same as that maintained during the past year.

It is with regret that the present staff closes its work on the Campus. The members of the 1922-23 staff demonstrated a fine spirit of co-operation throughout the year, and as a result of this cooperation the work has proceeded smoothly during the past months.

The Campus offers to the new staff many opportunities for the coming year, and the retiring administration of the Campus extends to the new Editor and assistants its heartiest congratulations and many wishes for a successful year.

Allegheny's spring athletic program is one of the best that has been seen here for many years. Many events feature the various branches of sport. During the past week Allegheny representatives have participated in three tennis matches, an intercollegiate track meet and swimming meet. Throughout the remainder of the school year Allegheny's teams will compete in many events. Although the three matches played by the tennis team last week were lost, yet it must be remembered that the teams met were the hardest of the schedule and that the Allegheny team had very little practice before entering these matches. The Alfred track meet last Saturday demonstrated the fact that Allegheny enters a track squad of high calibre into the coming dual meets. The many events on the athletic program for spring is evidence of the fact that Allegheny is rapidly coming to the front in intercollegiate athletics.

On the coming Saturday Allegheny's eighth annual Interscholastic track meet will be held on Montgomery Field. This is one of the biggest events of the athletic program and much interest is being shown toward the coming event. About fifteen high schools of western Pennsylvania will be entered in Saturday's races. This will mean that the college will be host to nearly one hundred and fifty high school athletes over the coming week-end. This meet has heretofore been one of the most successful events held at Allegheny during the year because of the many schools that are represented. The cooperation of the student body is needed to "put this meet across"—everybody at the field on Saturday and give the visiting athletes "a loud hand."

The lack of interest in the oratorical events of the College calendar was evidenced by the poor attendance at the Philo-Franklin contest last Thursday evening. In fact the attendance could hardly be called an audience—there were perhaps twenty persons occupying the lower floor of the Chapel. This lack of interest in forensic programs has shown itself at the intercollegiate debates this year—a seemingly deplorable fact for a college of liberal arts. The men competing in the contest last week had put a great deal of time upon the speeches which they delivered.

To speak before an auditorium full of empty seats is almost an impossible task. Perhaps the balmy spring evening was greatly responsible for the poor turn-out—however, the fact remains that such activities should be supported by a college student body.

DOES YOUR FRIEND WEAR A RING?

If he does, has it ever occurred to you that he may have concealed in it a supply of poison for use in combating his fiercest enemies? At any rate, you would have been justified in such an assumption four centuries ago.

One way of ridding one's self of troublesome characters, we are told, was to hand them a key in the shape of a finger ring and then ask them to unlock a certain chest or cabinet. When a slight pressure was exerted upon the ring there was released a minute needle which pricked the holder of the ring and injected a fatal poison. Others reserved the poison for their own use in case suicide seemed the only solution—as in the case of the great Hannibal.

All rings with compartments in them, however, were not designed to serve such dire purposes for, it is said, they sometimes contained cosmetics—the prototype of the modern vanity case only much more convenient. Other rings contained relics or pictures, an interesting example of the latter being the case of the loyal friends of Charles I, who secretly cherished his likeness in their rings in defiance of the Roundheads.

The advantage of wearing the key upon the finger in the form of a ring is of course obvious, particularly when it guarded chests of precious stones and metals since this seemed to be the easiest way to prevent both loss and theft of the key. Still another use for the ring was that of personal protection. One ring, we are told, rendered its wearer invisible by his simply turning it about on his finger so that the setting rested against the palm of his hand.

And what could be a more convenient adaptation of the modern outfit board than the finger ring? Possibly one of your own ancestors was among those to use their rings to divine the future. A simple process was to lower the ring on a slender thread over a table bearing the letters of the alphabet which, when joined by the ring spelled the desired answer. To contribute to the solemnity of the occasion, the holder of the ring was attired in linen only and a circle shaved round his head.

WESLEYAN MAN MADE KNIGHT OF POLAR STAR

Adolph B. Benson, a graduate of Wesleyan University and a present member of the faculty of Yale University, has been made Knight of the Polar Star by the King of Sweden in recognition of his services in the field of education and literature.

Professor Benson is a recognized authority on Scandinavian literature and has translated the works of leading Scandinavian writers into English. Ira Nelson Morris, former minister to Sweden from the United States, made the presentation.

Hamilton Holt, editor of New York, also received the decoration.

COLLEGE GIRLS IN SPAIN

A group of Goucher College coeds, accompanied by Dr. Pastoriza Flores, assistant professor of romance languages at Goucher, will spend July and August in Spain, touring the country and studying at the College of the Pyrenees, Barcelona.

In recent years the study of Spanish has gained more and more prominence in the curricula of American colleges. It is one of the most popular courses at Goucher. Most of the girls taking the trip are advanced students. They will study Spanish conversation while in Spain.

Dr. Flores is of Spanish-American descent and a native of Ecuador. She has the distinction of being the first woman in Ecuador to receive a college degree of any kind.

ALLEGHENY SWIMMERS AGAIN DEFEAT THIEL

Taking all first and seconds except in the fancy dives, the Blue and Gold swimming team again swamped the Thiel natators in the Greenville tank on Saturday night, the final score being 46-13. Thiel offered no competition at all except in the fancy dives, in which their men showed the advantage of diving from a good board. Although not exceptional, the times were all good. Captain Wright and Hill of Allegheny were the high scorers. A scant two dozen spectators watched the events.

ANNUAL HIGH SCHOOL TRACK MEET TO BE HELD SATURDAY

Many Athletes Will Compete in Interscholastic Journey

One of the feature events on Allegheny's spring sport schedule is booked for Saturday afternoon when the Eighth Annual Interscholastic Track and Field Meet will be run off on Montgomery Field. The meet this season should be one of the best ever held here as the entry list is composed of the best high school track squads in this section of the country.

Invitations have been sent to all the leading high schools within a radius of one hundred miles. About twelve or fifteen of these schools send teams to this meet. Last year's champions, the crack South High of Youngstown, will again bring a classy squad as will Rayen High of the same city. Two Erie schools, Central and Academy, who finished second and third respectively last year, will again send their track teams to participate in Allegheny's big meet. East High of Erie with a stronger team than ever before is another entry. Ashtabula Harbor High that has furnished Allegheny with some of its best athletes will again be represented. Among the new schools that have never before appeared here are Warren and Oil City. There will be several other entries which will round out the list.

Prizes will be awarded to the athletes that finish first, second, and third in the events. Gold, silver, and bronze medals will be given to the men that finish in these respective positions. The highest individual scorer will receive a silver loving cup. However, the principal prize, the one that all of the teams are set on winning is the handsome championship plaque that goes to the squad counting the greatest total of points. These prizes are now on display in the window of the Red Cross Drug Store.

One of the features of this meet will be the eliminating of the crowds from

the field while the contests are in progress. This will enable everyone in the stands to witness the events without any trouble. Even the visiting athletes will not be allowed to roam around the field while other events are being run off. To assure this advantage, several town policemen and ten marshals will be present to maintain order. The officials of the meet will be picked from the Varsity track team. In order that every spectator can watch the meet intelligently and keep his own score, neat score cards and entry lists will be available.

BLUE AND GOLD NETMEN LOSE THREE MATCHES

WEST VIRGINIA, WASH. & JEFF., AND CARNEGIE TECH ARE VICTORS ON LOCAL COURTS LAST WEEK

Not fully prepared because of the lack of conditioning weather, the Blue and Gold racquet squad suffered three consecutive defeats at the hands of West Virginia, W. & J., and Carnegie Tech, the cream of collegiate court artists in the tri-state district, on Thursday, Friday and Saturday of last week.

The Allegheny quartet displayed a brand of volleys and lobs against the Mountaineers that was hard to beat, but the condition of their opponents, made possible by a more southern location, proved a little too much for the Blue and Gold racquet swingers and they went down to a 4 to 2 defeat. The match between "Chick" Cochran, local ace, and Steel, West Virginia's clever back-hand master, was the best during the entire three days of play. Cochran's steady brilliancy enabled him to subdue his worthy opponent in straight sets, 6-4 and 6-3, much to the delight of the fans who showed admirable spirit by turning out in large numbers for all the tournaments. Captain Clark added the second point to Allegheny's win column when he set Jones, the Mountaineers' number 2 man, down 6-3, 6-2.

Tired from the grueling match of the previous afternoon, Allegheny accepted defeat from the W. & J. racquetters. The score, again 4 to 2, tells nothing of the excellent tennis displayed. Athletic enthusiasts divided their time Saturday afternoon between the track meet and the Tech tournament. The scientific netmen from Pittsburgh are widely recognized as one of the best court aggregations in collegiate circles and they demonstrated their ability by beating the local team, thoroughly fatigued after two successive days of speedy tennis under a scorching mid-summer sun, 5 to 1. Cochran and McQuiston outgeneraled Marshall and Keil, thereby acquiring Allegheny's only point of the match, and incidentally the first doubles victory registered by the Blue and Gold team this season. The battle waged by McQuiston against Hausasen proved the bright spot of the day's play.

Matches, day by day:
West Virginia Tournament—Thursday.

Cochran, A., defeated Steel W. Va., 6-4, 6-3.

Clark, A., defeated Jones, W. Va., 6-3, 6-2.

Riley, W. Va., defeated McQuiston, A., 6-0, 6-3.

W. & J. Tournament—Friday.

TRACK CINDERS

Ted Corbett, who set the Allegheny two-mile record recently shattered by Nemo Bliss in 1921, captured the National Junior Indoor title for the double century run when he broke the tape in the Georgetown-Pitt meet. His exceptional time, 9 minutes 15 seconds, sets up a new mark for long distance men to shoot at.

West, the stellar Negro athlete from W. & J., out-pointed all competitors at the annual Penn Meet and won the coveted Pentathlon. This coveted title marks West as the peer of all track and field athletes of the year. With the exception of throwing the discus the Negro outclassed the field.

Anglers, the Illinois Javelin thrower, set a new world's record when he bettered his own mark by a foot at the Drake meet. The new record is 203 feet 9¾ inches.

ROSS CAPTAIN-ELECT

(Continued from page 1.)
and Camp Porter, Conneaut, Ohio, was decided upon as the probable pre-season football training camp for next year's "Hurricane." A committee composed of Graduate Manager Townsend, Paul Clark and Vernon Wise was appointed to consider the revision of the present rules governing the requirements for winning athletic letters.

On Wednesday evening the letter men mentioned above held a short meeting for the purpose of choosing a successor to Captain Miller, who graduates this year. Leo Ross, who played such a heady and consistent game at forward last season, was chosen. With such a man as pilot of next year's team Allegheny may look forward to great things from the 1923-24 team.
