Dear Miss Tarbell:

I am wondering if you have a carbon copy of the outline of the series which you sent me a copy. If you have, I should appreciate it very much if you would let me have it. I want to have several copies.

I talked to several of the men at the Convention last week, and they are all very much interested in the proposed series. I think we will have no trouble in putting it over in a big way.

Yours faithfully,

P. C. Eastment
Vice-President.
