TRUSTEES ASSEMBLE IN SEMI-ANNUAL MEETING

IMPORTANT BUSINESS TRANSACTED BY COLLEGE GOVERNING BOARD

Twenty-nine members of the Board of Trustees of Allegheny College met at the Fort Pitt Hotel in Pittsburgh last Thursday, January 15, to transact the usual business accumulating over the semi-annual period, and to consider action relative to a successor to the late President Fred W. Hixson.

This meeting was the largest mid-winter meeting ever held by the board. The principal action of the meeting revolved about the selection of a new executive and resulted in the appointment of a committee of nine, of which Mr. Arthur Thompson is chairman, to select and recommend a successor to president Hixson. This committee will make its report at the next meeting of the trustees to be held sometime in June. Until that time Dr. C. F. Ross will act as president of the College.

Of much less importance but of nearly equal interest to the students is the authorization by the trustees to divide the first floor of Ruter Hall into four classrooms. This will relieve to a great degree the lack of recitation rooms which is very noticeable at the present time.

MISSIONARY FROM INDIA ADDRESSES Y MEETING

REV. C. M. STUNTZ SPEAKS ON "FOUR NEEDS OF THE MISSIONARY FIELD"

Rev. C. M. Stuntz, of India, gave an address on "The Four Needs in the Foreign Missionary Field" at the Y. M. C. A. meeting held in Cochran Hill last Wednesday evening, January 14.

The first need which Rev. Stuntz mentioned was a physical need. He told of the deplorable conditions existing in eastern countries which are due to the fact that there is only one doctor for every one and one-half million people. The Bubonic or Black Plague, spread by rats, which is so common in eastern countries, could easily be stamped out in a few years but for the superstition concerning the transmigration of souls. The people of India believe that the souls of their ancestors are now living in the form of rats and so do not allow the rats to be killed. Another very common and terrible disease of India and other foreign countries is tuberculosis, but this disease is somewhat in check now owing to the erection of several tuberculosis sanitariums.

The second need is an educational need. All the schools existing in non-Christian nations were founded by the missionaries. Japan and China are good examples of what education will do for a nation in a few years.

The last two needs of the non-Christian world are economic and spiritual needs. Of these two needs the spiritual is the greater, for it will show men the path of helpfulness and brotherly love which Christ always followed.

ACHIEVEMENT IS TOPIC AT MEN'S BIBLE CLASS

ORGANIZATION ELECTS OFFICERS FOR THE SECOND SEMESTER

"Achievements" was the topic that Dr. C. A. Darling presented for discussion to the Men's Bible Class, held last Sunday, January 18, in the oratory of Ford Memorial Chapel. Dr. Darling said that we should all strive toward some goal that pertains to our life at college, and when that goal was in sight, we should set it a little ahead, and thus keep beyond our immediate attainment.

Before Dr. Darling spoke, a short business meeting was held and the officers for the ensuing term were elected. Mr. Frank W. Mason was elected president, Mr. Clarence Avey, secretary, and Mr. Edgar C. Dehne was re-elected treasurer. It was also decided that no meetings would be held during the exams and that the next class would meet the first Sunday after the beginning of the second semester.

ALBERT ROBIN SPEAKS ON ANATOLE FRANCE

LE PETIT SALON HEARS ADDRESS ON FAMOUS FRENCH AUTHOR

Albert Robin, speaking under the auspices of Le Petit Salon, addressed about a hundred students in Ford Memorial Chapel, on the evening of Friday, January 16, on the subject, "Anatole France." M. Robin is an instructor in the Romance Language Department of Pennsylvania State College. The entire program for the evening was given in French.

After being introduced by Prof. Richard Mezzotero, M. Robin dwelt at some length on his introduction. He expressed his appreciation at being able to be at Allegheny and especially for being the guest of Le Petit Salon, for which organization he had the warmest praise.

He began his address proper with a biography of Anatole France, who was probably the greatest literary character of the last two decades. The speaker spent some time upon the boyhood of the famous author and critic. France came from a fine family, received a good education, and developed a great love for books. At an early age he showed evidences of the philosophical mind that later made him famous.

France's personal habits and characteristics were also given a large part in the lecture. He cared little for the opinion of the world, and this fact was manifested by his attire and the condition of his study. Books and other works of art were the only things that interested him particularly.

M. Robin then mentioned some of the more important of France's works, remarking upon the simple and direct style and the intense love of nature shown in them.

The lecture throughout was illustrated with anecdotes and amusing incidents. M. Robin had a very pleasing appearance and an equally likeable voice and manner of address.

Prior to the lecture Miss Marian Whieldon and Miss Elinor Van Scoten sang a duet, "Le Coeur de ma Mie," by Dalcrosse. They were accompanied by Dr. H. W. Church. Then, Mr. David Behrhorst played two violin solos, "Adagio Pathetique," by Godard, and "Meditation de Thais," by Massenet. Mr. Theodore Poister played the piano accompaniments.

DAVIES SIGNS CONTRACT TO COACH 1925 ELEVEN

MENTOR OF SUCCESSFUL SEASON OF 1924 CONTRACTS TO CONTINUE WORK HERE

Thomas J. Davies, who was head football coach during the past season, will have charge of Allegheny's destinies on the gridiron in 1925, it was announced by Graduate Manager S. S. Townsend on Friday. Davies affixed his name to a contract after the executive committee of the Board of Trustees had ratified the action of the Athletic Council in recommending the selection of Davies for another year.

Coach Davies, in his first year at Allegheny, turned out a successful team, winning six games and losing two. His new contract is for one year.

Men's Glee Club to Resume Activities Second Semester

Soon after the beginning of the second semester the Men's Glee Club will resume activities with a concert in Erie, Pa., under the auspices of the Junior Class of Erie Central High School.

Although a definite date has not as yet been set, plans have been made for the entertainment of the club while it is in Erie. The Allegheny Alumni Club of Erie are cooperating with the school to make the affair a big success. After the concert the Glee Club will be the guests of honor at a dance to be held in the Erie Community House.

A trip through the central and eastern parts of Pennsylvania during the Easter Recess is being arranged and will probably be the biggest tour an Allegheny club has made in many years.

ALLEGHENY PLAYS BRILLIANTLY TO DOWN MOUNTAINEERS, 24-14

Superlative Defensive Work Marks Blue and Gold Play Saturday

A crowd that almost packed the gymnasium saw the Allegheny College basketball team win its fourth game in five starts Saturday night when it trimmed West Virginia University by a 24-14 score. It was the second time this season that the Mountaineers were forced to bow to Coach Dick Baker's fast outfit. As a result, Allegheny now maintains an undisputed lead in the race for tri-state honors.

Allegheny outplayed the visitors throughout the entire game. The Blue and Gold got off to a good start, established a fairly comfortable lead, and held it throughout the contest. West Virginia threatened only once during the game and that was in the second half when they hacked a few points from Allegheny's lead. Allegheny rallied, however, and was not in danger in the remaining moments of play.

The Mountaineers were badly outplayed during the initial period. The Allegheny defense worked splendidly and held the visitors to only two field goals. Graham scored both of these. At half time Coach Baker's squad was on the long end of a 13-4 score.

Hawley, the lanky West Virginia center, played well in the last period and counted four field goals. It was his work that prevented his team from being utterly routed by Allegheny. Ross and McClurg carried the brunt of the Blue and Gold's attack during this period and registered a couple of baskets apiece. Wolf and Cibula played a game that was almost perfect.

A good passing attack and superlative defensive work were Allegheny's great assets during the biggest part of the game. Excellent team work was shown by the winners until the last few minutes of play when it became somewhat erratic.

West Virginia played for the breaks but failed to get them. The Mountaineers were wild in shooting and their passing was broken up time after time. Allegheny's defensive play was brilliant. In spite of their close guarding only four fouls were called on them. West Virginia failed to make

WESTMINSTER TO APPEAR HERE ON FEBRUARY 10

ALLEGHENY SUFFERS SEVERE LOSS IN INJURY TO CAPT. JUDD

Unless a game is scheduled to replace the Waynesburg contest, which was to have been played in Meadville on February 6, the Blue and Gold basketball team will not get into action again, after the lull caused by the semester examinations, until the fast-going Westminster College outfit appears on the local floor, Tuesday, February 10. The Waynesburg game has been moved back on the schedule to March 12, and Graduate Manager Townsend is endeavoring to secure some other team to play here on February 6 in place of the Yellow Jackets.

Westminster, with Hetra, Cleary, Logan and Pahle, forming the nucleus of the team, boasts of one of the strongest basketball squads she has ever had. The Blue and White opened its season with a 25-23 victory over the Princeton Tigers, who were on a trip through Western Pennsylvania during the Christmas holidays. Princeton is recognized as one of the leaders among the big eastern teams, and Westminster has reason to be proud of her victory.

Since then the Blue and White has been causing considerable stir in Western Pennsylvania basketball circles. After the Princeton game they gained an even break on a four-day trip during which they played several crack independent teams. Included in the list were the Butler Y team and the St. Mary's Cadets, of Erie.

The Waynesburg Yellow Jackets, who have been setting a fast pace since have been setting a fast pace since Katy Easterday took over the coaching duties, fell before Westminster last Thursday.

Hetra, Cleary and Logan, veterans, with Pahle and Burnett, new men, form what many critics believe to be one of the best offensive teams in this part of the state. Hetra and Cleary are especially hard to stop, the former ranking as one of the best forwards ever turned out at the New Wilmington school.

Allegheny's chances for victory in the coming games were considerably lessened last Sunday when M. L. Judd, captain and star center, fell on the icy sidewalk and suffered a dislocated shoulder. Judd has been playing a stellar game, and his loss will be keenly felt.

DR. F. P. GRAVES WILL BE FOUNDERS' DAY SPEAKER, APRIL 24

During the past week announcement has been made by the office that Dr. F. P. Graves will give the Sturtevant Lecture at Allegheny on Founders' Day, April 24.

Dr. Graves is one of the leading educators of the country and at present is Commissioner of Education of the State of New York. He is an exceedingly good speaker, and his past addresses to Allegheny students have been very enthusiastically received.

VARSITY DEBATE TEAM IS FINALLY SELECTED

TEAMS TO MEET WESTERN RESERVE IN DUAL DEBATE FEBRUARY 19

The final trial for the varsity debating team held in Ford Memorial Chapel on Thursday, January 15, resulted in the selection of the following men: J. B. Gordon, E. J. Schruers, R. W. Leeper, C. E. Hammett, A. H. Bartlett, and R. H. Demmler as speakers, and R. J. Corbett and LeRoy Greenwood as alternates.

A dual debate is to be held on February 19, with Western Reserve. It is the desire of Western Reserve to have one expert judge, instead of three judges as usually preside, to give the decision. As yet, no action has been taken by Allegheny in regard to this matter. The negative teams of each college will travel in this debate.

MISSIONARY ADDRESSES STUDENT BODY IN CHAPEL

C. M. STUNTZ SPEAKS ON VALUE OF MISSION WORK, WEDNESDAY, JANUARY 14

At the Chapel exercises, Wednesday morning, January 14, Mr. C. M. Stuntz, Secretary of the Board of Foreign Missions of the Methodist Church, spoke to the students on mission service. Mr. Stuntz has just recently returned from his mission work in India, and he is making a tour of colleges in an effort to establish better moral conditions among the students, and to help those who intend to follow mission work as a life occupation.

In his talk, he told the students that the people in India believed in Christianity because of the service that Jesus rendered during His period on earth. He said that service is the basis of success, and that they look to Jesus because of His life of service to His fellowmen.

In conclusion Dr. Stuntz stated that this world is slowly becoming a unit, and that we can not get away from the fact that bridging of gulfs by steamships and airplanes is bringing the people of different nations closer together and that the people of the world must have one thing in common, which should be Christianity.

Mrs. Charles E. Callerd (Hazel Ross, '16) of Irvington, N. Y. spent the holidays with her parents at Parnassus, Pa.

PROF. H. W. CHURCH EDITS ANOTHER FRENCH NOVEL

LOTI'S "MON FRERE YVES" IS FOURTH NOVEL EDITED BY LOCAL PROFESSOR

"Mon Frere Yves," a novel by Piere Loti, and edited by Dr. Henry Ward Church, Professor of Romance Languages at Allegheny, has recently come from the presses of the publishers. Dr. Church has edited this book with introduction, notes, exercises, and vocabulary, with especial regard for the colleges of the United States, because it is the first time that this book has been prepared for the American student. Although it was only published in December, 1924, it has had a large and favorable reception. The classes in French V, at Allegheny, are now using the book, and French III will use it later.

Pierre Loti, who died in 1923, was one of the most prominent of the modern French writers, and "Mon Frere Yves" is one of his finest works. The publishers say of it, "It is representative of the themes typical with Loti; the sea and sailors, the rainy coasts and grey hamlets of Brittany, and a primitive, unsophisticated hero—the sort that Loti best understood and depicted—with over all a tinge of brooding melancholy for the mutability of things." Loti's power of sea writing has often been compared with that of Conrad, for both wrote of distant ports and of all the phases of the sea, with its dangers, its toil, and its lure. In no other work does Loti show better his understanding of the sturdy, simple Breton.

The book is admirably suited for school use, because of its episodic character, which permits its abridgement without the loss of any of the essentials of the story.

"Mon Frere Yves" is the fourth book that Dr. Church has edited, one appearing for each of the last four consecutive years. Dr. Church is now working on a fifth book which he hopes to have published late in 1925. The publishers of "Mon Frere Yves" are the Henry Holt Company, of Chicago and New York.

NOTED COLORED SPEAKER TO ADDRESS STUDENTS

DR. W. E. B. DUBOIS IS ONE OF GREATEST LIVING NEGROES OF TODAY

Through the efforts of Samuel Warren, '25, president of the local branch of the National Association for the Advancement of Colored People, Allegheny students will have an opportunity to hear Dr. W. E. B. DuBois, one of the foremost colored men of the present day at chapel services on February 12.

Dr. DuBois is a graduate of Harvard. After studying a few years at the University of Berlin he returned to this country and was Professor of Economics at the University of Atlanta until 1910. In 1910 he took the position as Director of Publicity of the National Association for the Advancement of Colored People.

In this capacity he has traveled extensively and held many Pan-African congresses. Throughout the world Dr. DuBois has gained the reputation as a great scholar, fearless orator and famous author. Last year on a trip through Africa he represented the United States at the inauguration of the President-King of Liberia.

Dr. DuBois will be in Meadville on February 12 and 13 and will give two features in the Grace Methodist Church. The occasion which brings him to Meadville is the observation of the Lincoln Day Emancipation Celebration by the local branch of the National Association for the Advancement of Colored People.

ALLEGHENY BEATS GENEVA IN HARD FOUGHT CONTEST

SPECTACULAR LAST QUARTER RALLY GIVES BLUE AND GOLD 21-19 VICTORY

Advancing another step on the path toward tri-state laurels, Allegheny by a great last quarter finish defeated Geneva last night in one of the fastest and most spectacular games ever seen on the local court. The score was 21-19. Allegheny trailed the Covenanters by a five point margin until the last few minutes of play, when they forged ahead mainly through the brilliant work of Joe Wolf.

Geneva was ahead 16 to 11 when the last quarter opened. Field goals by McClurg and Ross and a foul by McClurg tied the score. Hamilton tossed in a foul, putting the Covenanters in the lead. A beautiful field goal by Wolf brought the crowd to its feet and gave Allegheny an 18-17 margin. Fouls by Lippe, Wolf, and Rubenstein evened the count once more at 19-19. With less than a minute to go, Wolf sent the crowd wild when he dropped in another pretty shot from beyond the foul line, winning the game.

The loss of Captain Judd, who is laid up with a dislocated shoulder, weakened Coach Baker's combination considerably. Cibula, who was shifted from guard to center, was far less effective at the pivot position.

Geneva exhibited the fastest attack that has been seen at Meadville this season. At the end of the first quarter they had run up an 8-4 score and by the end of the half they were leading 16-10.

THE GREAT INDOOR SPORT—EXAMINATIONS

The semi-annual Phi Beta Kappa rushing season, the convocation where many are called but few are chosen, is to begin tomorrow. Each day now for two weeks the gymnasium will resound not with the lusty shouts of enthusiastic rooters, but with the mental groans of students in angulsh. From now until the thirtieth of the month the members of the faculty will cease to teach and will don a figurative police badge as a symbol of their membership on the anti-cribbing vigilance committee.

Consciences are already crying out in remorse for evenings spent in congenial conversation instead of conscientious concentration. There is no one who would not now recall the countless hours passed in chasing rainbows and building air castles and use them in conjugating verbs and memorizing formulae.

Still we have the definite consoling words of our faculty that if we've studied hard, we don't have to worry. If you get discouraged, think of that.

MAKING REGISTRATION SNAPPY

Within two weeks will begin the semi-annual registration debacle, with its long lines of impatient students, with Bentley crowded to capacity, and with the usual last-minute scurrying for professors' signatures. With conditions during this period as they are, the students require about a week after the resumption of classes to recover from the hours spent in doing work that could be accomplished in a few minutes.

In this issue of the Campus there is a list of the rules and requests made by the office concerning registration. If these recommendations are followed, if the only students in Bentley are the ones who have business there, and if all work cards are in by January 30, registration would not only take less time, but also be more agreeable and the work of but a few minutes.

THE JUNIOR PROM

January 30, the last day of mid-semester exams, has been selected by the Junior Class as the date for the annual Junior Prom. This function is beyond doubt the outstanding social event of the college year. Coming as it does immediately after a strenuous week of exams, it will provide a pleasant let down from the grind of study. No student in college should miss it. For the Senior it is the last formal social event of college days; for the Junior it is a class function never to be forgotten; the Sophomore anticipates it as his first social function as an upper-classman; and for the Freshman, it is the first all-college social event.

The Prom Committee reports that the sale of tickets has not been up to expectations. Final arrangements cannot be made until some idea can be had of the number expecting to attend.

The price is not beyond reach when consideration is taken of the high quality of music, favors, refreshments, and programs provided.

The Prom is a worth while investment. Think it over—and reserve your ticket today.

KEEP THE FRESHMEN FROM TEARING UP SOD

The hazing of freshmen this year has been of so gentle and harmless a nature that the sophomores cannot justly be charged with undue roughness. Such little pleasantries as have been indulged in from time to time can hardly be called hazing; nevertheless the upperclassmen made a mistake last week when they compelled the freshmen to slide down one of the slopes into the ravine.

School children had been using the bank for coasting and had packed the snow into a thin glaze of ice which afforded little protection to the sod from the shoes of the frosh. As a consequence the roots of the grass were exposed and will be killed by frost. Next spring the grass will not grow, and there will be a bare streak where there ought to be grass.. At best, it is difficult for the caretakers to keep the steep slopes of the ravine well covered with grass, and any injury done to the sod increases the difficulty of their task and makes the banks unsightly. If the freshmen are to be taken onto the campus, they should be taken to a level place where the snow is not already trampled down.

ANNA MACKANIC, EX-'27, DIES AT HER HOME FOLLOWING LONG ILLNESS

Miss Anna Mackanic, ex-'27, died of tuberculosis Tuesday, January 13, at six o'clock, at her home in McKeesport, at the age of 18 years. Miss Mackanic was graduated from the McKeesport High School in the class of '23 and entered the freshman class at Allegheny in the fall of the same year. Miss Mackanic was a member of the Alpha Chi Omega sorority. In the spring she was required to leave on account of ill health. During her entire illness she never gave up her hope of returning to Allegheny. The Misses Alice Dorworth and Margaret Rankin attended the funeral services which were held Friday, January 16.

Illinois Wesleyan University celebrated the seventy-fifth anniversary of its establishment on December 18. Speakers on this occasion were former governor Joseph W. Fifer of the class of 1868 and Bishop L. Waldorf. Illinois Wesleyan is now the fourth largest school in Illinois.

UNUSUAL CHARACTER VISITS FRATERNITY HOUSES ON THE HILL

"Scotty," the expert rope manipulator, has been visiting the fraternity houses on the hill and displaying his skill. A second Houdini, he challenges anyone to tie him up in such a manner that he will be unable to free himself within three minutes. Another one of his tricks is the breaking of a pencil with a dollar bill. "Scotty," who is 21 years old, has been making his living by this means ever since he has been able to walk. He has no home, but travels continuously, making a specialty of entertaining fraternities.

By the terms of the will of the late President Samuel Plantz, Lawrence College is the recipient of the large Plantz library. Dr. Plantz bequeathed his collection subject to the right of his widow, Mrs. Belle Person Plantz, and his two daughters, Mrs. A. C. Remley and Mrs. Harry Gochnaur, to select 100 volumes each.

PHI DELTA THETA WINS INTERFRATERNITY SWIM

BETA UPSILON TAKES SECOND PLACE—PROMISING TALENT EXHIBITED

Leading their nearest rivals by 22 points, Phi Delta Theta easily won the annual inter-fraternity swimming meet staged last Saturday afternoon in the College tank. This victory gives the Phi Delts temporary possession of the 10-inch silver trophy presented by James S. Masson & Son for the meet. This trophy is to become the permanent possession of the fraternity winning it twice. When it arrives, it will be on display in the registrar's office.

Alex Hill was largely responsible for the Phi Delt victory, himself scoring 23 points. The final scores were: Phi Delta Theta, 42; Beta Upsilon, 20; Phi Kappa Psi, 16; and Sigma Alpha Epsilon, 11. Individual high point men were: Hill, 23; Greenwood, 13; and Slocum, 9. Much promising material was discovered in the meet. Several new sprint swimmers made excellent showing in the dashes.

The officials of the meet were: Clerk of Course, Prof. Gilmer; Timers, N. W. Kerr and Carl Gilbert; Starter, Coach C. E. Hammett.

Four Double-Barreled Reason
Why You Should Buy Life Insurance

FIRST:
(a) You have the advantage of the younger rate. The rate at age 20 is about one-half that of age 40. It does not increase after you have started.
(b) Money without health cannot buy Insurance. If health is yours now, capitalize it at once.

SECOND:
(a) If you are not married, Insurance will be absolutely necessary when you become a benedict.
(b) You create an estate immediately with the first payment.

THIRD:
(a) Insurance helps you to form the habit of saving, thus strengthening your character. Thrift makes for success.
(b) Insurance will make you independent in old age when 11 out of 13 men have to live on charity.

FOURTH:
(a) It is a conservative investment. Insurance Companies cannot speculate, and they are absolutely safe financial institutions.
(b) Men in the higher walks of life favor it. Every member of the late President Harding's Cabinet has recently advised young men to insure while young.

All Legal Reserve Life Insurance Companies are good but none can surpass in strength and friendly service.

THIEL FALLS BEFORE ALLEGHENY ATTACK

GREENVILLE QUINTET ROUTED 32-10 IN GAME LAST WEDNESDAY

Displaying an unusual amount of speed, skill, and endurance, Allegheny defeated Thiel in a rather one-sided basketball game on Wednesday night on the home floor, 32 to 10.

The close game which was expected failed to materialize, and Coach Baker was given the opportunity to try out his second string players. Although Allegheny's offense looked strong, the team's almost perfect defense was more conspicuous. Offensively, Allegheny's speed carried the ball toward its basket without great difficulty, while on the defense, as soon as the possession of the ball was lost, the Blue and Gold quintet would form its five-man defense before the Lutherans had decided where to pass the ball.

Thiel scored the first point of the contest, a foul by Douds giving them the lead. A few scrimmages later, Allegheny went into the lead when Judd made two free throws count. They were never headed during the entire contest. A foul by Nickerson tied the score.

After some four minutes of scrimmage, Judd sunk a field goal from a difficult angle and Allegheny opened up a real offensive. Cibula and McClurg scored two-pointers, McClurg added a foul and Ross a goal before Thiel again broke the ice around its basket. Christman's foul brought the score to 11-3. McClurg added a field goal, Cibula a foul, and Wolfe and Cibula goals to bring the score to 18. Zundel's field goal a minute or two before the end of the half made the score 18-5.

The second half was a duplicate of the first, Allegheny finding little difficulty in finding the basket. With about ten minutes of play remaining, Coach Baker commenced substituting and before the end of the game, the entire second team was on the floor. Thiel also sent in a number of subs in an attempt to curb Allegheny's offense.

The game was remarkably free from rough play in spite of the intense rivalry of the two schools. Christman was the outstanding player for Thiel, while the entire Allegheny team played stellar basketball. Cibula and Wolf were the stars of the game.

The Lineup:

Allegheny, 32.		Thiel, 10.
Ross	R. F.	Christman
McClurg	L. F.	Zundel
Judd (C)	C.	Douds
Cibula	R. G.	Bell (C)
Wolf	L. G.	Nickerson

Substitutions: Allegheny — Thompson for Ross, Yengst for McClurg, Hartman for Judd, Rhodes for Wolf, Phillips for Cibula. Thiel — Dufford for Zundel, Sadler for Douds, Metz for Bell, Sullivan for Nickerson, McGarvey for Sullivan.

Field goals: McClurg 5, Judd 3, Ross 2, Cibula 2, Wolf, Christman, Douds, Nickerson, Metz,

Foul goals: Allegheny, 6 out of 12; Thiel, 4 out of 14.

Referee, Bolster.

JUNIORS AND FRESHMEN WIN IN CLASS GAMES

YEARLINGS LOSE TO JUNIORS, 40-22—FROSH BEAT SENIORS 19-18

Saturday, January 17, marked the opening of the 1925 Interclass Basketball Tournament. Two spirited games were played.

Juniors 40—Sophomores 22

Playing the first game, the juniors defeated the sophomores, last year's champs, by a 40-22 score. The first half was fairly close, ending 16-11 in favor of the juniors, but with Anderson shooting field goals from all angles, the last period was a walk-away for the upperclassmen.

Piling up 24 points to their opponents' 11, the juniors completely outclassed the sophs in the second half. Anderson scored field goals with monotonous regularity, while Parnell and Hanlon helped along with pretty shots. Vigrass, with two field goals, and Kinnunen and Hubbell, with one each, were the only sophs who succeeded in scoring field goals during the last half.

The lineup:

Juniors, 40.		Sophomores, 22.
Smith	F.	Stewart
Anderson	F.	Vigrass
Parnell	C.	Hubbell
Dolde	G.	Salberg
Hanlon	G.	Fiscus

Field goals: Anderson 8, Parnell 3, Dolde 2, Hanlon 3, Riemer, Vigrass 4, Kinnunen, Hubbell. Fouls: Juniors, 6 out of 20; Sophomores, 8 out of 15.

Substitutions: Riemer for Smith, Kinnunen for Hubbell, Dahl for Hanlon, Hanlon for Riemer, Forgie for Stewart, Pyle for Fiscus, Hubbell for Kinnunen.

Referee: Fuller.

Freshmen 19—Seniors 28

In a much closer, though less interesting game, the team of the Class of 1928 defeated the Seniors by one point, the deciding score coming when Cosman threw a foul goal after the final whistle had blown. This game was much slower than the first, and neither team displayed much ambition until after the last quarter.

Fuller's foul, coming after three minutes of play, was the first point of the game. Brace tossed in a long shot shortly afterward, and Allen scored a foul, but Wasser's two field goals in rapid succession put the Seniors in the lead. The quarter ended 5-3.

Fuller's two field goals were all the points scored by the last year men during the second quarter, but the Freshmen came through with six points to tie the score at 9-all as the half ended.

Even less scoring was done in the third quarter. The Seniors got one field goal, and the Freshmen scored a field goal and a foul.

Both teams displayed real basketball ability in the last quarter, and the finish was a thrilling one. The Seniors were leading 16-14, with about two minutes left to play, but Brace and Lundgren turned in field goals which put the first-year men in the lead, 18-16. It seemed an extra point would be necessary to decide the winner, but a foul was called on the Seniors just as the last whistle blew, and E. Cosman made the free-try good, and won the game.

The lineup:

Seniors 18.		Freshmen 19.
Fuller	F.	Allen
Morrissey	F.	Brace
Wasser	C.	Johnson
Blackwell	G.	Lundgren
Renick	G.	Hudson

Field goals: Fuller 4, Wasser 2, Blackwell, Brace 3, Lundgren 2, E. Cosman, McCord. Fouls: Seniors, 4 out of 8; Freshmen, 5 out of 14.

Substitutions: Hough for Morrissey, Reyner for Wasser, R. Cosman for Johnson, Pratt for Hough, Hough for Pratt, E. Cosman for Allen, Reid for Lundgren, Morrissey for Hough, Wasser for Reyner, Allen for R. Cosman, McCord for Reid.

Referee: Kerr.

BETA UPSILON WINNER OF INDOOR TRACK MEET

RESULT OF MILE RUN LOSES TROPHY FOR ALPHA CHI RHO

Beta Upsilon won the annual Allegheny College inter-fraternity all-around championship meet Friday afternoon when its athletes made a great showing by taking three out of five places in the deciding event, the mile run. The final score of the meet was as follows: Beta Upsilon, 46 1-3; Alpha Chi Rho, 44 1-2; Non-Fraternity, 16 5-6; Phi Alpha Kappa, 8, and Sigma Alpha Epsilon, 4 2-6.

Johnny Rea of Alpha Chi Rho won the mile run when he clipped off the distance on the indoor track in four minutes, 54.4 seconds. Lack of another good miler cost the Alpha Chi Rhos the championship.

Blanchard of Beta Upsilon was the last man to run. He made the distance in slightly over five minutes and took second. Bogardus, a B. U., was third, while Marshall, a non-fraternity freshman, finished fourth. Marshall was one of the first men to run and for a time it looked as if he would be first place winner. Mackintosh, the Allegheny mile run ace was in poor condition and was shown up badly. He took fifth position.

Previous to Friday's event, Alpha Chi Rho held a slight lead over Beta Upsilon, but the latter successfully wiped out that margin in the final race. The B. U.'s now hold the championship trophy for a year. They take it from Alpha Chi Rho, two-time champions and trophy holders.

Summary:

Mile run, won by Rea (Chi Rho); 2, Blanchard (B. U.); 3, Bogardus B. U.); 4, Marshall (Non-Frat); 5, Machintosh (B. U.). Time—4 minutes, 54.4 seconds.

Officials — Athletic Director Hammett, Professor H. W. Gilmer, Wesley Wagner. Scorer—R. L. Beyer.
