Miss Ida Tarbell,
120 East 19 St.,
New York City.

Dear Miss Tarbell:

The Editor was very much disappointed that I could not get you for an interview on the problems that youth faces and how we can help.

I am wondering whether, since you are so close to the situation and can do so much to point the way, you would not reconsider, and give me a few moments in your spare time. This story will be syndicated throughout the United States, Canada and several parts of Europe.

I assure you I shall be most appreciative of anything you may do for me.

With kindest regards, I am

Sincerely yours,
Lillian G. Genn
