New York City.

Dear Miss Tarbell:

I have just finished with great pleasure your wonderful book "In The Footsteps Of The Lincolns". My! what comprehensive investigation you were compelled to make to produce such an excellent addition to our Country's history. I wonder how you find time to do so much so thoroughly.

Mrs. Shutts and I have been hoping that we might be able to induce you to come to the Berkshires to spend a week-end or longer with us some time this summer, and to take a trip on our yacht up the Hudson River. Last week, in New York, we were informed that you had sailed for Europe; so I don't know when this letter will reach you. But, I am very anxious that somehow and at some time you and Mrs. Shutts may become acquainted. I know you will like each other, and we want to do something for your pleasure.

With renewed expressions of my high esteem, I am

Yours sincerely,

Frank B. Shutts,
