to Dondero

Mr. George A. Dondero
Royal Oak, Mich.

My dear Mr. Dondero:

Thank you for your kind reply to my inquiry about Mary Todd Lincoln. I did not know but you might have had letters of hers. I see from your letter that that is not probable, though I am sure you have bits of information that would be useful to me, and if you will allow me I will write again later, asking some specific questions. I hope that this will not be imposing on you. It will be some weeks before I can get down to real work on these articles. In the meantime, I will appreciate it if you will bear in mind my needs, and if you come across anything particularly interesting, if you will let me know.

Sincerely yours
