Dear Mr. Nevins:

I am sending up
Pyle's Life of Hill. I feel
quite sure it is yours. Keep it.

I am much interested
in your new Lincoln item. The
papers of the Commissioner of Public
Buildings under Lincoln certainly
ought to finish this material.
Will you not direct me to the article
when it is published. I would not
want to miss it.

letter.

Thank you for your

Cordially yours

Burns
