

Washington. Nov 12. 1900

My dear Miss Tarbell,

I have received your
letter of 10th inst and also
the ~~the~~ life of Lincoln,
for which accept my sincere
thanks. I am quite puzzled
about "The Republic of Gines".
I have no knowledge of it
whatever, but if you will
give me a clue, or what
you have learned of it,
I will at once investigate
and inform you what I
may find out.

I want to suggest
that if you treat at all of
the Klu Klux organization
that you consider a

little book entitled "History of
Tennessee, its people and its
institutions, by W R Garrison
and A R Goodpasture. It
is published by Brandon
Printing Company, Nashville
Tenn. Price 80cents,

This will give you in
brief, the true history of
the Kluklux which had its
origin in Giles Co Tenn,

Very truly

Yrs,

Marcus W. Wright
