April 13, 1939

Dear Anita Fitch:

Your letter reached me just as I am leaving for my six weeks at Allegheny. I hope even a half of what you say about the book is true. I cannot believe it myself.

When I get back, sometime in June, and you are coming over to New York do let me know. We'll have lunch or tea or something together. I would like to know something more about what you are thinking and feeling.

Affectionately

Anita Fitch  
6 Rockland Avenue  
New Dorp, S. I.
