Dear Miss Tarbell:

You wanted to know when galleys of THE NATIONALIZING OF BUSINESS would be ready. I have just learned from our Manufacturing Department that first galleys will probably be coming along in about ten days' time. I am letting you know so that you may plan your schedule accordingly. I think you already understand that it is only necessary for you to read these galleys for sense and then send them on to Professor Schlesinger who will take care of the printers' errors.

I hope all goes well with you and that you are getting time, as you had planned, to work on the autobiography.

Cordially yours,

James Putnam

Assistant to the President.
