Miss Ida M. Tarbell,

New York City.

Yours of March 21st requesting infromation and personal experience in reference to the disbanding of the confederate army, together with a copy of McClures magazine, duly received. And in reply will say that I shall take pleasure in complying with your request at as early a date as possible. If you will write my brother, Judge A. E. Richards, Louisville Ky., you will most probably get some valuable information. He is a fluent writer and having remained East, after the war, can give you more information than I possess. After the war was over, I came west and hve remained West.

Yours truly,

T. W. T. Richards
