My dear Mr. Hall:

I have just received the copy of Heroic Statues in Bronze of Abraham Lincoln - your card enclosed. Thank you for your courtesy in remembering me.

I am most grateful to Mr. Mead for bringing together these statues as well of course to the Lincoln National Life Foundation in publishing them. You see I have recently started to make a collection of photographs of these very creations and I found great difficulty in getting satisfactory photographs. Your book gives me just what I want.

I am particularly pleased with the frontispiece.

Very sincerely yours

Mr. Arthur F. Hall
