Dear Miss Tarbell,

I am very grateful for your kind and unlooked for letter on my MS. I did not send for the MS because — perhaps selfishly! — I could not refrain from asking you at your end. If you could spare a little time for a glance at the tariffs especially 1909. — you must know less & should value the result. Unfortunately, I must be sending the MS to the publishers very soon, now.

Hoping you have had a pleasant journey and looking forward with pleasure to "professoring".

Sincerely yours

Nathaniel W Stephenson
